2 Sec. 15-141. Death benefits - Death of participant.

3 (a) The beneficiary of a participant under the traditional
4 benefit package is entitled to a death benefit equal to the sum
5 of (1) the employee's accumulated normal and additional
6 contributions on the date of death, (2) the employee's
7 accumulated survivors insurance contributions on the date of
8 death, if a survivors insurance benefit is not payable, (3) an
9 amount equal to the employee's final rate of earnings, but not
10 more than \$5,000, if (i) the beneficiary, under rules of the
11 board, was dependent upon the participant, (ii) the participant

21 (40 ILCS 5/15-158.3)

22 Sec. 15-158.3. Reports on cost reduction; effect on
23 retirement at any age with 30 years of service.

24 (a) On or before November 15, 2001 and on or before
25 November 15th of each year thereafter, the Board shall have the

1 System's actuary prepare a report showing, on a fiscal year by
2 fiscal year basis, the actual rate of participation in the
3 self-managed plan authorized by Section 15-158.2, (i) by
4 employees of the System's covered higher educational
5 institutions who were hired on or after the implementation date
6 of the self-managed plan and (ii) by other System participants.

7 ~~The actuary's report must also quantify the extent to which~~
8 ~~employee optional retirement plan participation has reduced~~
9 ~~the State's required contributions to the System, expressed~~
10 ~~both in dollars and as a percentage of covered payroll, in~~
11 ~~relation to what the State's contributions to the System would~~
12 ~~have been (1) if the self managed plan had not been~~
13 ~~implemented, and (2) if 45% of employees of the System's~~
14 ~~covered higher educational institutions who were hired on or~~
15 ~~after the implementation date of the self managed plan had~~
16 ~~elected to participate in the self managed plan and 10% of~~
17 ~~other System participants had transferred to the self managed~~
18 ~~plan following its implementation.~~

19 (b) On or before November 15th of 2001 and on or before
20 November 15th of each year thereafter, the Illinois Board of
21 Higher Education, in conjunction with the Bureau of the Budget
22 (now Governor's Office of Management and Budget) shall prepare
23 a report showing, on a fiscal year by fiscal year basis, the
24 amount by which the costs associated with compensable sick
25 leave have been reduced as a result of the termination of
26 compensable sick leave accrual on and after January 1, 1998 by

1 employees of higher education institutions who are
2 participants in the System.

3 (c) On or before November 15 of 2001 and on or before
4 November 15th of each year thereafter, the Department of
5 Central Management Services shall prepare a report showing, on
6 a fiscal year by fiscal year basis, the amount by which the
7 State's cost for health insurance coverage under the State
8 Employees Group Insurance Act of 1971 for retirees of the
9 State's universities and their survivors has declined as a
10 result of requiring some of those retirees and survivors to
11 contribute to the cost of their basic health insurance. These
12 year-by-year reductions in cost must be quantified both in
13 dollars and as a level percentage of payroll covered by the
14 System.

15 (d) The reports required under subsections ~~(a)~~ (b) and
16 (c) shall be disseminated to the Board, the Pension Laws
17 Commission (until it ceases to exist), the Commission on
18 Government Forecasting and Accountability, the Illinois Board
19 of Higher Education, and the Governor.

20 (e) The reports required under subsections ~~(a)~~ (b) and
21 (c) shall be taken into account by the Pension Laws Commission
22 (or its successor, the Commission on Government Forecasting and
23 Accountability) in making any recommendation to extend by
24 legislation beyond December 31, 2002 the provision that allows
25 a System participant to retire at any age with 30 or more years
26 of service as authorized in Section 15-135. ~~If that provision~~

1 ~~is extended beyond December 31, 2002, and if the most recent~~
2 ~~report under subsection (a) indicates that actual State~~
3 ~~contributions to the System for the period during which the~~
4 ~~self-managed plan has been in operation have exceeded the~~
5 ~~projected State contributions under the assumptions in clause~~
6 ~~(2) of subsection (a), then any extension of the provision~~
7 ~~beyond December 31, 2002 must require that the System's higher~~
8 ~~educational institutions and agencies cover any funding~~
9 ~~deficiency through an annual payment to the System out of~~
10 ~~appropriate resources of their own.~~
