A BILL FOR

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Environmental Protection Act is amended by  
5 changing Section 12.5 as follows:

6 (415 ILCS 5/12.5)

7 Sec. 12.5. NPDES discharge fees; sludge permit fees.

8 (a) Beginning July 1, 2003, the Agency shall assess and  
9 collect annual fees (i) in the amounts set forth in subsection  
10 (e) for all discharges that require an NPDES permit under  
11 subsection (f) of Section 12, from each person holding an NPDES  
12 permit authorizing those discharges (including a person who  
13 continues to discharge under an expired permit pending  
14 renewal), and (ii) in the amounts set forth in subsection (f)  
15 of this Section for all activities that require a permit under  
16 subsection (b) of Section 12, from each person holding a  
17 domestic sewage sludge generator or user permit.

18 Each person subject to this Section must remit the  
19 applicable annual fee to the Agency in accordance with the  
20 requirements set forth in this Section and any rules adopted  
21 pursuant to this Section.

22 (b) Within 30 days after the effective date of this  
23 Section, and each year thereafter, the Agency shall send a fee

1 notice by mail to each existing permittee subject to a fee  
2 under this Section at his or her address of record. The notice  
3 shall state the amount of the applicable annual fee and the  
4 date by which payment is required.

5 Except as provided in subsection (c) with respect to  
6 initial fees under new permits and certain modifications of  
7 existing permits, fees payable under this Section are due by  
8 the date specified in the fee notice, which shall be no less  
9 than 30 days after the date the fee notice is mailed by the  
10 Agency.

11 (c) The initial annual fee for discharges under a new  
12 individual NPDES permit or for activity under a new individual  
13 sludge generator or sludge user permit must be remitted to the  
14 Agency prior to the issuance of the permit. The Agency shall  
15 provide notice of the amount of the fee to the applicant during  
16 its review of the application. In the case of a new individual  
17 NPDES or sludge permit issued during the months of January  
18 through June, the Agency may prorate the initial annual fee  
19 payable under this Section.

20 The initial annual fee for discharges or other activity  
21 under a general NPDES permit must be remitted to the Agency as  
22 part of the application for coverage under that general permit.

23 If a requested modification to an existing NPDES permit  
24 causes a change in the applicable fee categories under  
25 subsection (e) that results in an increase in the required fee,  
26 the permittee must pay to the Agency the amount of the

1 increase, prorated for the number of months remaining before  
2 the next July 1, before the modification is granted.

3 (d) Failure to submit the fee required under this Section  
4 by the due date constitutes a violation of this Section. Late  
5 payments shall incur an interest penalty, calculated at the  
6 rate in effect from time to time for tax delinquencies under  
7 subsection (a) of Section 1003 of the Illinois Income Tax Act,  
8 from the date the fee is due until the date the fee payment is  
9 received by the Agency.

10 (e) The annual fees applicable to discharges under NPDES  
11 permits are as follows:

12 (1) For NPDES permits for publicly owned treatment  
13 works, other facilities for which the wastewater being  
14 treated and discharged is primarily domestic sewage, and  
15 wastewater discharges from the operation of public water
