4 Section 5. The Comprehensive Health Insurance Plan Act is  
5 amended by changing Section 8 as follows:

6 (215 ILCS 105/8) (from Ch. 73, par. 1308)

7 Sec. 8. Minimum benefits.

8 a. Availability. The Plan shall offer in an annually  
9 renewable policy major medical expense coverage to every  
10 eligible person who is not eligible for Medicare. Major medical  
11 expense coverage offered by the Plan shall pay an eligible  
12 person's covered expenses, subject to limit on the deductible  
13 and coinsurance payments authorized under paragraph (4) of  
14 subsection d of this Section, up to a lifetime benefit limit of  
15 \$2,000,000 until 3 years after the effective date of this  
16 amendatory Act of the 95th General Assembly, and \$1,500,000 in  
17 benefits 3 years or more after the effective date of this  
18 amendatory Act of the 95th General Assembly per covered  
19 individual. The maximum limit under this subsection shall not  
20 be altered by the Board, and no actuarial equivalent benefit  
21 may be substituted by the Board. Any person who otherwise would  
22 qualify for coverage under the Plan, but is excluded because he  
23 or she is eligible for Medicare, shall be eligible for any

1 separate Medicare supplement policy or policies which the Board  
2 may offer.

3 b. Outline of benefits. Covered expenses shall be limited  
4 to the usual and customary charge, including negotiated fees,  
5 in the locality for the following services and articles when  
6 prescribed by a physician and determined by the Plan to be  
7 medically necessary for the following areas of services,  
8 subject to such separate deductibles, co-payments, exclusions,  
9 and other limitations on benefits as the Board shall establish  
10 and approve, and the other provisions of this Section:

12 provided by a hospital that is located more than 75 miles  
13 outside the State of Illinois shall be covered only for a

15 covered expenses incurred during any calendar year ending  
16 on or after December 31, 1999, inpatient hospitalization of  
17 an eligible person for the treatment of mental illness at a  
18 hospital located within the State of Illinois shall be  
19 subject to the same terms and conditions as for any other  
20 illness.

21 (2) Professional services for the diagnosis or  
22 treatment of injuries, illnesses or conditions, other than

7 Board as a participating transplant center for that

25 (4) That part of any charge for room and board or for

7           (14) Any expense or charge for services, drugs, or  
8 supplies that are: (i) not provided in accord with

10 (ii) for procedures, treatments, equipment, transplants,  
11 or implants, any of which are investigational,

5           effectiveness, and are awaiting endorsement by the  
6           appropriate national medical speciality college for  
7           general use within the medical community.

8           d. Deductibles and coinsurance.

9           The Plan coverage defined in Section 6 shall provide for a  
10          choice of deductibles per individual as authorized by the  
11          Board. If 2 individual members of the same family household,  
12          who are both covered persons under the Plan, satisfy the same  
13          applicable deductibles, no other member of that family who is  
14          also a covered person under the Plan shall be required to meet  
15          any deductibles for the balance of that calendar year. The  
16          deductibles must be applied first to the authorized amount of  
17          covered expenses incurred by the covered person. A mandatory  
18          coinsurance requirement shall be imposed at the rate authorized  
19          by the Board in excess of the mandatory deductible, the  
20          coinsurance in the aggregate not to exceed such amounts as are  
21          authorized by the Board per annum. At its discretion the Board  
22          may, however, offer catastrophic coverages or other policies  
23          that provide for larger deductibles with or without coinsurance  
24          requirements. The deductibles and coinsurance factors may be  
25          adjusted annually according to the Medical Component of the  
26          Consumer Price Index.

1 e. Scope of coverage.

2 (1) In approving any of the benefit plans to be offered  
3 by the Plan, the Board shall establish such benefit levels,  
4 deductibles, coinsurance factors, exclusions, and  
5 limitations as it may deem appropriate and that it believes  
6 to be generally reflective of and commensurate with health  
7 insurance coverage that is provided in the individual  
8 market in this State.

9 (2) The benefit plans approved by the Board may also  
10 provide for and employ various cost containment measures  
11 and other requirements including, but not limited to,  
12 preadmission certification, prior approval, second  
13 surgical opinions, concurrent utilization review programs,  
14 individual case management, preferred provider  
15 organizations, health maintenance organizations, and other  
16 cost effective arrangements for paying for covered  
17 expenses.

18 f. Preexisting conditions.

19 (1) Except for federally eligible individuals  
20 qualifying for Plan coverage under Section 15 of this Act  
21 or eligible persons who qualify for the waiver authorized  
22 in paragraph (3) of this subsection, plan coverage shall  
23 exclude charges or expenses incurred during the first 6  
24 months following the effective date of coverage as to any  
25 condition for which medical advice, care or treatment was  
26 recommended or received during the 6 month period

1 immediately preceding the effective date of coverage.

2 (2) (Blank).

3 (3) Waiver: The preexisting condition exclusions as  
4 set forth in paragraph (1) of this subsection shall be  
5 waived to the extent to which the eligible person (a) has  
6 satisfied similar exclusions under any prior individual  
7 health insurance policy that was involuntarily terminated  
8 because of the insolvency of the issuer of the policy and  
9 (b) has applied for Plan coverage within 90 days following  
10 the involuntary termination of that individual health  
11 insurance coverage.

12 g. Other sources primary; nonduplication of benefits.

13 (1) The Plan shall be the last payor of benefits  
14 whenever any other benefit or source of third party payment  
15 is available. Subject to the provisions of subsection e of  
16 Section 7, benefits otherwise payable under Plan coverage  
17 shall be reduced by all amounts paid or payable by Medicare  
18 or any other government program or through any health  
19 insurance coverage or group health plan, whether by  
20 insurance, reimbursement, or otherwise, or through any  
21 third party liability, settlement, judgment, or award,  
22 regardless of the date of the settlement, judgment, or  
23 award, whether the settlement, judgment, or award is in the  
24 form of a contract, agreement, or trust on behalf of a  
25 minor or otherwise and whether the settlement, judgment, or  
26 award is payable to the covered person, his or her

1 dependent, estate, personal representative, or guardian in  
2 a lump sum or over time, and by all hospital or medical  
3 expense benefits paid or payable under any worker's  
4 compensation coverage, automobile medical payment, or  
5 liability insurance, whether provided on the basis of fault  
6 or nonfault, and by any hospital or medical benefits paid  
7 or payable under or provided pursuant to any State or  
8 federal law or program.

9 (2) The Plan shall have a cause of action against any  
10 covered person or any other person or entity for the  
11 recovery of any amount paid to the extent the amount was  
12 for treatment, services, or supplies not covered in this  
13 Section or in excess of benefits as set forth in this  
14 Section.

15 (3) Whenever benefits are due from the Plan because of  
16 sickness or an injury to a covered person resulting from a  
17 third party's wrongful act or negligence and the covered  
18 person has recovered or may recover damages from a third  
19 party or its insurer, the Plan shall have the right to  
20 reduce benefits or to refuse to pay benefits that otherwise  
21 may be payable by the amount of damages that the covered  
22 person has recovered or may recover regardless of the date  
23 of the sickness or injury or the date of any settlement,  
24 judgment, or award resulting from that sickness or injury.

25 During the pendency of any action or claim that is  
26 brought by or on behalf of a covered person against a third

1 party or its insurer, any benefits that would otherwise be  
2 payable except for the provisions of this paragraph (3)  
3 shall be paid if payment by or for the third party has not  
4 yet been made and the covered person or, if incapable, that  
5 person's legal representative agrees in writing to pay back  
6 promptly the benefits paid as a result of the sickness or  
7 injury to the extent of any future payments made by or for  
8 the third party for the sickness or injury. This agreement  
9 is to apply whether or not liability for the payments is  
10 established or admitted by the third party or whether those  
11 payments are itemized.

12 Any amounts due the plan to repay benefits may be  
13 deducted from other benefits payable by the Plan after  
14 payments by or for the third party are made.

15 (4) Benefits due from the Plan may be reduced or  
16 refused as an offset against any amount otherwise  
17 recoverable under this Section.

18 h. Right of subrogation; recoveries.

19 (1) Whenever the Plan has paid benefits because of  
20 sickness or an injury to any covered person resulting from  
21 a third party's wrongful act or negligence, or for which an  
22 insurer is liable in accordance with the provisions of any  
23 policy of insurance, and the covered person has recovered  
24 or may recover damages from a third party that is liable  
25 for the damages, the Plan shall have the right to recover  
26 the benefits it paid from any amounts that the covered

1 person has received or may receive regardless of the date  
2 of the sickness or injury or the date of any settlement,  
3 judgment, or award resulting from that sickness or injury.  
4 The Plan shall be subrogated to any right of recovery the  
5 covered person may have under the terms of any private or  
6 public health care coverage or liability coverage,  
7 including coverage under the Workers' Compensation Act or  
8 the Workers' Occupational Diseases Act, without the  
9 necessity of assignment of claim or other authorization to  
10 secure the right of recovery. To enforce its subrogation  
11 right, the Plan may (i) intervene or join in an action or  
12 proceeding brought by the covered person or his personal  
13 representative, including his guardian, conservator,  
14 estate, dependents, or survivors, against any third party  
15 or the third party's insurer that may be liable or (ii)  
16 institute and prosecute legal proceedings against any  
17 third party or the third party's insurer that may be liable  
18 for the sickness or injury in an appropriate court either  
19 in the name of the Plan or in the name of the covered  
20 person or his personal representative, including his  
21 guardian, conservator, estate, dependents, or survivors.

22 (2) If any action or claim is brought by or on behalf  
23 of a covered person against a third party or the third  
24 party's insurer, the covered person or his personal  
25 representative, including his guardian, conservator,  
26 estate, dependents, or survivors, shall notify the Plan by

1 personal service or registered mail of the action or claim  
2 and of the name of the court in which the action or claim  
3 is brought, filing proof thereof in the action or claim.  
4 The Plan may, at any time thereafter, join in the action or  
5 claim upon its motion so that all orders of court after  
6 hearing and judgment shall be made for its protection. No  
7 release or settlement of a claim for damages and no  
8 satisfaction of judgment in the action shall be valid  
9 without the written consent of the Plan to the extent of  
10 its interest in the settlement or judgment and of the  
11 covered person or his personal representative.

12 (3) In the event that the covered person or his  
13 personal representative fails to institute a proceeding  
14 against any appropriate third party before the fifth month  
15 before the action would be barred, the Plan may, in its own  
16 name or in the name of the covered person or personal  
17 representative, commence a proceeding against any  
18 appropriate third party for the recovery of damages on  
19 account of any sickness, injury, or death to the covered  
20 person. The covered person shall cooperate in doing what is  
21 reasonably necessary to assist the Plan in any recovery and  
22 shall not take any action that would prejudice the Plan's  
23 right to recovery. The Plan shall pay to the covered person  
24 or his personal representative all sums collected from any  
25 third party by judgment or otherwise in excess of amounts  
26 paid in benefits under the Plan and amounts paid or to be

1           paid as costs, attorneys fees, and reasonable expenses  
2           incurred by the Plan in making the collection or enforcing  
3           the judgment.

4           (4) In the event that a covered person or his personal  
5           representative, including his guardian, conservator,  
6           estate, dependents, or survivors, recovers damages from a  
7           third party for sickness or injury caused to the covered  
8           person, the covered person or the personal representative  
9           shall pay to the Plan from the damages recovered the amount  
10          of benefits paid or to be paid on behalf of the covered  
11          person.

12          (5) When the action or claim is brought by the covered  
13          person alone and the covered person incurs a personal  
14          liability to pay attorney's fees and costs of litigation,  
15          the Plan's claim for reimbursement of the benefits provided  
16          to the covered person shall be the full amount of benefits  
17          paid to or on behalf of the covered person under this Act  
18          less a pro rata share that represents the Plan's reasonable  
19          share of attorney's fees paid by the covered person and  
20          that portion of the cost of litigation expenses determined  
21          by multiplying by the ratio of the full amount of the  
22          expenditures to the full amount of the judgement, award, or  
23          settlement.

24          (6) In the event of judgment or award in a suit or  
25          claim against a third party or insurer, the court shall  
26          first order paid from any judgement or award the reasonable

1 litigation expenses incurred in preparation and  
2 prosecution of the action or claim, together with  
3 reasonable attorney's fees. After payment of those  
4 expenses and attorney's fees, the court shall apply out of  
5 the balance of the judgment or award an amount sufficient  
6 to reimburse the Plan the full amount of benefits paid on  
7 behalf of the covered person under this Act, provided the  
8 court may reduce and apportion the Plan's portion of the  
9 judgement proportionate to the recovery of the covered  
10 person. The burden of producing evidence sufficient to  
11 support the exercise by the court of its discretion to  
12 reduce the amount of a proven charge sought to be enforced  
13 against the recovery shall rest with the party seeking the  
14 reduction. The court may consider the nature and extent of  
15 the injury, economic and non-economic loss, settlement  
16 offers, comparative negligence as it applies to the case at  
17 hand, hospital costs, physician costs, and all other  
18 appropriate costs. The Plan shall pay its pro rata share of  
19 the attorney fees based on the Plan's recovery as it  
20 compares to the total judgment. Any reimbursement rights of  
21 the Plan shall take priority over all other liens and  
22 charges existing under the laws of this State with the  
23 exception of any attorney liens filed under the Attorneys  
24 Lien Act.

25 (7) The Plan may compromise or settle and release any  
26 claim for benefits provided under this Act or waive any

1           claims for benefits, in whole or in part, for the  
2           convenience of the Plan or if the Plan determines that  
3           collection would result in undue hardship upon the covered  
4           person.

6           Section 99. Effective date. This Act takes effect upon  
7           becoming law.
