1 AMENDMENT TO SENATE BILL 2005

2 AMENDMENT NO. _____. Amend Senate Bill 2005 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Counties Code is amended by changing
5 Section 5-1092 as follows:

6 (55 ILCS 5/5-1092) (from Ch. 34, par. 5-1092)

7 Sec. 5-1092. Inoperable motor vehicles. A county board may
8 declare by ordinance inoperable motor vehicles, whether on
9 public or private property, to be a nuisance and authorize
10 fines to be levied for the failure of any person to obey a
11 notice received from the county which states that such person
12 is to dispose of any inoperable motor vehicles under his
13 control, and may authorize a law enforcement agency, with
14 applicable jurisdiction, to remove, after 7 days from the
15 issuance of the county notice, any inoperable motor vehicle or
16 parts thereof. However, nothing in this Section shall apply to

1 any motor vehicle that is kept within a building when not in
2 use, to operable historic vehicles over 25 years of age, or to
3 a motor vehicle on the premises of a place of business engaged
4 in the wrecking or junking of motor vehicles.

5 As used in this Section, "inoperable motor vehicle" means
6 any motor vehicle from which, for a period of at least 7 days
7 or any longer period of time fixed by ordinance, the engine,
8 wheels or other parts have been removed, or on which the
9 engine, wheels or other parts have been altered, damaged or
10 otherwise so treated that the vehicle is incapable of being
11 driven under its own motor power. "Inoperable motor vehicle"
12 shall not include a motor vehicle which has been rendered
13 temporarily incapable of being driven under its own motor power
14 in order to perform ordinary service or repair operations. In a
15 non-home rule county with a population of more than 250,000,
16 "inoperable motor vehicle" also includes any motor vehicle that
17 does not have a current license plate or current license tags
18 attached to it if a current license plate or license tags are
19 required under the Illinois Vehicle Code.
