

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the Flood
5 Prevention District Act.

6 Section 5. Creation; purpose.

7 (a) Madison, Monroe, and St. Clair Counties may each be
8 designated independently and separately as a flood prevention
9 district for the purpose of performing emergency levee repair
10 and flood prevention in order to prevent the loss of life or
11 property. The county board of any such county may declare an
12 emergency and create a flood prevention district by the
13 affirmative vote of the majority of the members of the county
14 board.

15 (b) Two or more flood prevention districts may join
16 together through an intergovernmental agreement, pursuant to
17 the Intergovernmental Cooperation Act.

18 (c) Any district created under this Act shall be dissolved
19 upon the later of (i) 25 years after the date the district is
20 created or (ii) the payment of all obligations of the district
21 under Section 20 of this Act and any federal reimbursement
22 moneys to the county treasurer under Section 30 of this Act. A
23 district may be dissolved earlier if all federal reimbursement

1 moneys have been paid to the county treasurer and all
2 obligations of the district have been paid, including its
3 obligations related to bonds issued under Section 20 of this
4 Act and any obligations incurred pursuant to an
5 intergovernmental agreement.

6 Section 10. Commissioners.

7 The affairs of the district shall be managed by a board of
8 3 commissioners who shall be appointed by the chairman of the
9 county board of the county in which the district is situated.
10 All initial appointments under this Section must be made within
11 90 days after the district is organized. Of the initial
12 appointments, one commissioner shall serve for a one-year term,
13 one commissioner shall serve for a 2-year term, and one
14 commissioner shall serve for a 3-year term, as determined by
15 lot. Their successors shall be appointed for 3-year terms. No
16 commissioner may serve for more than 20 years. All appointments
17 must be made so that no more than 2 commissioners are from the
18 same political party at the time of the appointment. With
19 respect to appointments representing the minority party in the
20 county, the minority party members of the county board may
21 submit names for consideration to the chairman of the county
22 board. Each commissioner must be a legal voter in the district,
23 and at least one commissioner shall reside or own property that
24 is located within a floodplain situated in the territory of the
25 flood protection district. Commissioners shall serve without

1 compensation, but may be reimbursed for reasonable expenses
2 incurred in the performance of their duties.

3 Section 20. Powers of the district. A district formed under
4 this Act shall have the following powers:

5 (1) To sue or be sued.

6 (2) To apply for and accept gifts, grants, and loans
7 from any public agency or private entity.

8 (3) To enter into intergovernmental agreements to
9 further ensure levee repair, levee construction or
10 reconstruction, and flood prevention, including agreements
11 with the United States Army Corps of Engineers or any other
12 agency or department of the federal government.

13 (4) To undertake evaluation, planning, design,
14 construction, and related activities that are determined
15 to be urgently needed to stabilize, repair, restore,
16 improve, or replace existing levees and other flood control
17 systems.

18 (5) To address underseepage problems and old and
19 deteriorating pumps, gates, pipes, electrical controls,
20 and other infrastructure.

21 (6) To conduct evaluations of levees and other flood
22 control facilities that protect urban areas, including the
23 performance of floodplain mapping studies.

24 (7) To provide capital moneys for levee or
25 river-related scientific studies, including the

1 construction of facilities for such purposes.

2 (8) To borrow money or receive money from the United
3 States Government or any agency thereof, or from any other
4 public or private source, for the purposes of the District.

5 (9) To enter into agreements with private property
6 owners.

7 (10) To issue revenue bonds, payable from revenue
8 received from a retailers' occupation tax imposed under
9 Section 25 of this Act, and from any other revenue sources
10 available to the flood prevention district. These bonds may
11 be issued with maturities not exceeding 25 years from the
12 date of the bonds, and in such amounts as may be necessary
13 to provide sufficient funds, together with interest, for
14 the purposes of the District. These bonds shall bear
15 interest at a rate of not more than the maximum rate
16 authorized by the Bond Authorization Act, as amended at the
17 time of the making of the contract of sale, payable
18 semi-annually, may be made registerable as to principal,
19 and may be made payable and callable as provided on any
20 date at a price of par and accrued interest under such
21 terms and conditions as may be fixed by the ordinance
22 authorizing the issuance of the bonds. Bonds issued under
23 this Section are negotiable instruments. In case any
24 officer whose signature appears on the bonds or coupons
25 ceases to hold that office before the bonds are delivered,
26 such officer's signature shall nevertheless be valid and

1 sufficient for all purposes the same as though such officer
2 had remained in office until the bonds were delivered. The
3 bonds shall be sold in such manner and upon such terms as
4 the board of commissioners shall determine, except that the
5 selling price shall be such that the interest cost to the
6 District of the proceeds of the bonds shall not exceed the
7 maximum rate authorized by the Bond Authorization Act, as
8 amended at the time of the making of the contract of sale,
9 payable semi-annually, computed to maturity according to
10 the standard table of bond values. A request to issue
11 revenue bonds by the Commission must be submitted for
12 approval to the county board of the county in which the
13 district is situated. The county board has 30 calendar days
14 to approve the issuance of such bonds. If the county board
15 does not approve or disapprove the issuance of the bonds
16 within 30 calendar days after the receipt of such request,
17 the request shall be deemed approved.

18 (11) To acquire property by gift, grant, or eminent
19 domain, in accordance with the Eminent Domain Act. Any
20 action by the District to acquire property by eminent
21 domain requires the express approval of the county board.

22 (12) To retain professional staff to carry out the
23 functions of the District. Any flood prevention district
24 shall employ a Chief Supervisor of Construction and the
25 Works with appropriate professional qualifications,
26 including a degree in engineering, construction,

1 hydrology, or a related field, or an equivalent combination
2 of education and experience. The Chief Supervisor of
3 Construction and the Works shall be vested with the
4 authority to carry out the duties and mission of the Flood
5 Prevention District, pursuant to the direction and
6 supervision of the Board of Commissioners. The Chief
7 Supervisor of Construction and the Works may hire
8 additional staff as necessary to carry out the duties and
9 mission of the district, including administrative support
10 personnel. Two or more districts may, through an
11 intergovernmental agreement, share the services of a Chief
12 Supervisor of Construction and the Works, support staff, or
13 both. If 2 districts are adjoining and share a common
14 federal levee, they must retain the services of the same
15 person as Chief Supervisor of Construction and the Works.

16 (13) To conduct an audit of any drainage, levee, or
17 sanitary district within the territory of the flood
18 prevention district.

19 Section 25. Retailers' occupation tax.

20 (a) If the Board of a flood prevention district determines
21 that an emergency situation exists regarding levee repair or
22 flood prevention, and upon an ordinance or resolution adopted
23 by the affirmative vote of a majority of the members of the
24 county board of the county in which the district is situated,
25 it may impose a retailers' occupation tax upon all persons

1 engaged in the business of selling tangible personal property
2 at retail within the territory of the district for a period not
3 to exceed 25 years or as required to repay the bonds issued
4 pursuant to Section 20 of this Act. The tax rate shall be 0.25%
5 of the gross receipts from all taxable sales made in the course
6 of that business. The tax imposed under this Section and all
7 civil penalties that may be assessed as an incident thereof
8 shall be collected and enforced by the State Department of
9 Revenue. The Department shall have full power to administer and
10 enforce this Section; to collect all taxes and penalties so
11 collected in the manner hereinafter provided; and to determine
12 all rights to credit memoranda arising on account of the
13 erroneous payment of tax or penalty hereunder.

14 In the administration of and compliance with this
15 subsection, the Department and persons who are subject to this
16 subsection (i) have the same rights, remedies, privileges,
17 immunities, powers, and duties, (ii) are subject to the same
18 conditions, restrictions, limitations, penalties, and
19 definitions of terms, and (iii) shall employ the same modes of
20 procedure as are set forth in Sections 1 through 1o, 2 through
21 2-70 (in respect to all provisions contained in those Sections
22 other than the State rate of tax), 2a through 2h, 3 (except as
23 to the disposition of taxes and penalties collected), 4, 5, 5a,
24 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10,
25 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and
26 all provisions of the Uniform Penalty and Interest Act as if

1 those provisions were set forth in this subsection.

2 Persons subject to any tax imposed under this Section may
3 reimburse themselves for their seller's tax liability
4 hereunder by separately stating the tax as an additional
5 charge, which charge may be stated in combination in a single
6 amount with State taxes that sellers are required to collect
7 under the Use Tax Act, under any bracket schedules the
8 Department may prescribe.

9 If a tax is imposed under this subsection (a), a tax shall
10 also be imposed under subsection (b) of this Section.

11 (b) If a tax has been imposed under subsection (a), a
12 service occupation tax shall also be imposed upon all persons
13 within the territory of the district engaged in the business of
14 making sales of service, who, as an incident to making the
15 sales of service, transfer tangible personal property within
16 the territory of the district, either in the form of tangible
17 personal property or in the form of real estate as an incident
18 to a sale of service. The tax rate shall be 0.25% of the
19 selling price of all tangible personal property transferred.

20 The tax imposed under this subsection and all civil
21 penalties that may be assessed as an incident thereof shall be
22 collected and enforced by the State Department of Revenue. The
23 Department shall have full power to administer and enforce this
24 subsection; to collect all taxes and penalties due hereunder;
25 to dispose of taxes and penalties collected in the manner
26 hereinafter provided; and to determine all rights to credit

1 memoranda arising on account of the erroneous payment of tax or
2 penalty hereunder.

3 In the administration of and compliance with this
4 subsection, the Department and persons who are subject to this
5 subsection (i) have the same rights, remedies, privileges,
6 immunities, powers, and duties, (ii) be subject to the same
7 conditions, restrictions, limitations, penalties, and
8 definitions of terms, and (iii) employ the same modes of
9 procedure as are set forth in Sections 2 (except that that
10 reference to State in the definition of supplier maintaining a
11 place of business in this State means the district), 2a through
12 2d, 3 through 3-50 (in respect to all provisions contained in
13 those Sections other than the State rate of tax), 4 (except
14 that the reference to the State shall be to the district), 5,
15 7, 8 (except that the jurisdiction to which the tax is a debt
16 to the extent indicated in that Section 8 is the district), 9
17 (except as to the disposition of taxes and penalties
18 collected), 10, 11, 12 (except the reference therein to Section
19 2b of the Retailers' Occupation Tax Act), 13 (except that any
20 reference to the State means the district), Section 15, 16, 17,
21 18, 19, and 20 of the Service Occupation Tax Act and all
22 provisions of the Uniform Penalty and Interest Act, as fully as
23 if those provisions were set forth herein.

24 Persons subject to any tax imposed under the authority
25 granted in this subsection may reimburse themselves for their
26 serviceman's tax liability hereunder by separately stating the

1 tax as an additional charge, that charge may be stated in
2 combination in a single amount with State tax that servicemen
3 are authorized to collect under the Service Use Tax Act, under
4 any bracket schedules the Department may prescribe.

5 (c) This additional tax may not be imposed on personal
6 property titled or registered with an agency of the State; food
7 for human consumption that is to be consumed off the premises
8 where it is sold (other than alcoholic beverages, soft drinks,
9 and food that has been prepared for immediate consumption);
10 prescription and non-prescription medicines, drugs, and
11 medical appliances; or insulin, urine testing materials, and
12 syringes and needles used by diabetics.

13 (d) Nothing in this Section shall be construed to authorize
14 the district to impose a tax upon the privilege of engaging in
15 any business that under the Constitution of the United States
16 may not be made the subject of taxation by the State.

17 (e) The certificate of registration that is issued by the
18 Department to a retailer under the Retailers' Occupation Tax
19 Act or a serviceman under the Service Occupation Tax Act
20 permits the retailer or serviceman to engage in a business that
21 is taxable without registering separately with the Department
22 under an ordinance or resolution under this Section.

23 (f) The Department shall immediately pay over to the State
24 Treasurer, ex officio, as trustee, all taxes and penalties
25 collected under this Section to be deposited into the Flood
26 Prevention Occupation Tax Fund, which shall be an

1 unappropriated trust fund held outside the State treasury.

2 On or before the 25th day of each calendar month, the
3 Department shall prepare and certify to the Comptroller that
4 disbursement of stated sums of money to the counties from which
5 retailers or servicemen have paid taxes or penalties to the
6 Department during the second preceding calendar month. The
7 amount to be paid to each county is equal to the amount (not
8 including credit memoranda) collected from the county under
9 this Section during the second preceding calendar month by the
10 Department, (i) less 2% of that amount, which shall be
11 deposited into the Tax Compliance and Administration Fund and
12 shall be used by the Department in administering and enforcing
13 the provisions of this Section on behalf of the county, (ii)
14 plus an amount that the Department determines is necessary to
15 offset any amounts that were erroneously paid to a different
16 taxing body; (iii) less an amount equal to the amount of
17 refunds made during the second preceding calendar month by the
18 Department on behalf of the county; and (iv) less any amount
19 that the Department determines is necessary to offset any
20 amounts that were payable to a different taxing body but were
21 erroneously paid to the county. When certifying the amount of a
22 monthly disbursement to a county under this Section, the
23 Department shall increase or decrease the amounts by an amount
24 necessary to offset any miscalculation of previous
25 disbursements within the previous 6 months from the time a
26 miscalculation is discovered.

1 Within 10 days after receipt by the Comptroller from the
2 Department of the disbursement certification to the counties
3 provided for in this Section, the Comptroller shall cause the
4 orders to be drawn for the respective amounts in accordance
5 with directions contained in the certification.

6 If the Department determines that a refund should be made
7 under this Section to a claimant instead of issuing a credit
8 memorandum, then the Department shall notify the Comptroller,
9 who shall cause the order to be drawn for the amount specified
10 and to the person named in the notification from the
11 Department. The refund shall be paid by the Treasurer out of
12 the Flood Prevention Occupation Tax Fund.

13 (g) If a flood prevention district board imposes a tax
14 under this Section, then the board shall, by ordinance,
15 discontinue the tax upon the payment of all bonded indebtedness
16 of the District. The tax shall not be discontinued until all
17 bonded indebtedness of the District has been paid.

18 (h) Any ordinance imposing the tax under this Section, or
19 any ordinance that discontinues the tax, must be certified by
20 the county clerk and filed with the Illinois Department of
21 Revenue either (i) on or before the first day of April,
22 whereupon the Department shall proceed to administer and
23 enforce the tax or change in the rate as of the first day of
24 July next following the filing; or (ii) on or before the first
25 day of October, whereupon the Department shall proceed to
26 administer and enforce the tax or change in the rate as of the

1 first day of January next following the filing.

2 (j) This Section may be cited as the Flood Prevention
3 Occupation Tax Law.

4 Section 30. Disbursement of federal funds.

5 (a) Any reimbursements for the construction of flood
6 protection facilities shall be appropriated to each county
7 flood prevention district in accordance with the location of
8 the specific facility for which the federal appropriation is
9 made.

10 (b) If there are federal reimbursements to a county flood
11 prevention district for construction of flood protection
12 facilities that were built using revenues authorized by this
13 Act, those funds shall be used for early retirement of bonds
14 issued in accordance with this Act.

15 (c) When all bond obligations of the District have been
16 paid, any remaining federal reimbursement moneys shall be
17 remitted to the county treasurer for deposit into a special
18 fund for the continued long-term maintenance of federal levees
19 and flood protection facilities, pursuant to the direction of
20 the county board.

21 Section 35. Financial audit of the Commission. A financial
22 audit of the Commission shall be conducted annually by a
23 certified public accountant (CPA) that is licensed at the time
24 of the audit by the Illinois Department of Financial and

1 Professional Regulation. The CPA shall meet all of the general
2 standards concerning qualifications, independence, due
3 professional care, and quality control as required by the
4 Government Auditing Standards, 1994 Revision, Chapter 3,
5 including the requirements for continuing professional
6 education and external peer review. The financial audit is to
7 be performed in accordance with generally accepted auditing
8 standards issued by the American Institute of Certified Public
9 Accountants (AICPA) for field work and reporting, generally
10 accepted government auditing standards (GAGAS) and AICPA
11 Statements on Auditing Standards (SAS) current at the time the
12 audit is commenced. The audit shall be made publicly available
13 and sent to the county board chairman of the county in which
14 the district is situated and to the Illinois Secretary of
15 State.

16 Section 40. Budget of the Commission. The Commission shall
17 adopt an annual budget by August 31 of each year for the fiscal
18 year beginning October 1. Such budget shall include expected
19 revenues by source and expenditures by project or by function
20 for the following year. The budget must be approved by the
21 county board of the county in which the district is situated
22 prior to any expenditure by the Commission for the fiscal year
23 beginning October 1. The county board must approve or
24 disapprove the budget of the commission within 30 calendar days
25 after the budget is received by the county board. If the county

1 board does not act to approve or disapprove the budget within
2 30 calendar days of receipt, it shall stand as approved.

3 In addition, the Commission shall submit an annual report
4 to the county board by August 31 of each year detailing the
5 activities of the district. This report must also include any
6 information submitted to the flood prevention district by a
7 drainage, levee, or sanitary district in accordance with
8 Section 4-45 of the Illinois Drainage Code or Section 2-2 of
9 the Metro-East Sanitary District Act.

10 Section 45. Procurement. The Commission shall conduct all
11 procurements in accordance with the requirements of the Local
12 Government Professional Services Selection Act and any
13 competitive bid requirements contained in Section 5-1022 of the
14 Counties Code.

15 Section 50. Contracts for construction. A request for any
16 construction contract of more than \$10,000 by the Commission
17 must be submitted for approval to the county board of the
18 county in which the district is situated. The county board has
19 30 calendar days to approve the construction contract. If the
20 county board does not approve or disapprove the construction
21 contract within 30 calendar days after the receipt of such
22 request, the request shall be deemed approved.

23 Section 60. The Intergovernmental Cooperation Act is

1 amended by adding Section 3.9 as follows:

2 (5 ILCS 220/3.9 new)

7 levee district, or sanitary district. In addition, at the
8 direction of the county board, the board of commissioners of
9 any such drainage, levee, or sanitary district must comply with
10 any requests for information by the board of commissioners of
11 the flood prevention district, including, but not limited to,
12 requests for information concerning past, present, and future
13 contracts; employees of the drainage, levee, or sanitary
14 district; finances of the drainage, levee, or sanitary
15 district; and other activities of the drainage, levee, or
16 sanitary district. This information must be submitted to the

19 4-45 or in the Flood Prevention District Act shall preclude or
20 prohibit a drainage district, levee district, or sanitary
21 district that overlaps the territory of a flood prevention
22 district from conducting or performing its normal operation and
23 maintenance of levees under their control, provided such normal
24 operation and maintenance does not interfere with or inhibit
25 the restoration, improvement, upgrade, construction, or
26 reconstruction of levees and other flood control systems by the

1 flood prevention district.

2 Section 80. The Metro-East Sanitary District Act of 1974 is
3 amended by changing Section 2-2 as follows:

5 Sec. 2-2.

6 To lay out, locate, establish and construct one or more
7 levees or embankments of such size, material and character as
8 may be required to protect the district against overflow from
9 any river, or tributary stream, or water-course, and to lay
10 out, establish and construct all such other or additional
11 improvements or works as may be auxiliary or incidental
12 thereto, or promotive of the sanitary purposes contemplated in
13 this Act; and to maintain, repair, change, enlarge and add to
14 such levees, embankments, improvements and work as may be
15 necessary or proper to meet future requirements for the
16 accomplishment of the purposes aforesaid.

17 To the extent that any part of the territory of the
18 District overlaps with a flood prevention district that is
19 formed under the Flood Prevention District Act, the flood
20 prevention district shall have the exclusive authority to
21 repair, construct, or reconstruct levees within the territory
22 of the flood prevention district. The District shall operate
23 under the direction of the board of commissioners of the flood
24 prevention district with respect to the repair, construction,

1 or reconstruction of levees within the territory of the flood
2 prevention district. In addition, the board of the District
3 must comply with any requests for information by the board of
4 commissioners of the flood prevention district, including, but
5 not limited to, requests for information concerning past,
6 present, and future contracts; employees of the District;
7 finances of the District; and other activities of the District.
8 This information must be submitted to the board of
9 commissioners of the flood prevention district within 30 days
10 after the request is received.
