

1 AN ACT concerning criminal law.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Tobacco Accessories and Smoking Herbs  
5 Control Act is amended by changing Sections 2, 3, and 4 as  
6 follows:

7 (720 ILCS 685/2) (from Ch. 23, par. 2358-2)

8 Sec. 2. Purpose.

9 (a) The sale and possession of marijuana, hashish, cocaine,  
10 opium and their derivatives, is not only prohibited by Illinois  
11 Law, but the use of these substances has been deemed injurious  
12 to the health of the user.

13 It has further been determined by the Surgeon General of  
14 the United States that the use of tobacco is hazardous to human  
15 health.

16 The ready availability of smoking herbs to minors could  
17 lead to the use of tobacco and illegal drugs.

18 It is in the best interests of the citizens of the State of  
19 Illinois to seek to prohibit the spread of illegal drugs,  
20 tobacco or smoking materials to minors. The prohibition of the  
21 sale of tobacco and snuff accessories and smoking herbs to  
22 minors would help to curb the usage of illegal drugs and  
23 tobacco products, among our youth.

1       (b) The General Assembly finds and declares that there has  
2 been a proliferation of flavored cigarettes in recent years.  
3 Many of these products have flavors that are particularly  
4 attractive to minors. These cigarettes have included flavors  
5 such as various fruits, candy, chocolate, vanilla, honey, sugar  
6 or sugar substitute, nut, mint, cocoa, desserts, soft drinks,  
7 alcoholic beverages, herb and spice flavorings or other  
8 flavorings that are attractive to minors. According to survey  
9 evidence and public health experts, minors are more likely to  
10 choose flavored cigarettes and thus the existence of these  
11 products increases the incidence of cigarette use among minors.  
12 Moreover, the earlier that an individual begins using tobacco,  
13 the more likely he or she will become addicted to tobacco  
14 products and will continue to use tobacco products throughout  
15 his or her lifetime. Accordingly, flavored cigarettes result in  
16 increased tobacco use, increased addiction, a greater  
17 incidence of smoking-related illnesses, increased health care  
18 costs, and more smoking-related deaths. The General Assembly  
19 therefore finds and declares that the existence of flavored  
20 cigarettes presents a significant threat to public health and  
21 to minors, and that the sale of flavored cigarettes must be  
22 restricted.

22 cigarettes), which contains a natural or artificial  
23 constituent or additive that causes such cigarette or its smoke  
24 to have a characterizing flavor other than tobacco or menthol.

25 (e) "Characterizing flavor" includes but is not limited to  
26 any fruit, candy, chocolate, vanilla, honey, sugar or sugar

1 substitute, nut, mint, cocoa, dessert, soft drink, alcoholic  
2 beverage, herb or spice flavoring, but does not include tobacco  
3 or menthol. In no event shall a cigarette or any component part  
4 thereof (including but not limited to the tobacco, paper, roll  
5 or filter) be construed to have a characterizing flavor based  
6 solely on the use of additives or flavorings, or the provision  
7 of an ingredient list made available by any means.
