

96TH GENERAL ASSEMBLY

State of Illinois

2009 and 2010

HB0563

Introduced 2/6/2009, by Rep. Daniel V. Beiser

SYNOPSIS AS INTRODUCED:

225 ILCS 25/9
225 ILCS 25/13

from Ch. 111, par. 2309
from Ch. 111, par. 2313

Amends the Illinois Dental Practice Act. Makes change in a provision concerning the qualifications of an applicant for a dental license. Provides that an applicant must present satisfactory evidence that the applicant has either received a certificate granted by the National Board of Dental Examiners or successfully completed a clinical examination conducted by one of the following regional testing services: the Central Regional Dental Testing Service, Inc. (CRDTS), the Southern Regional Testing Agency, Inc. (SRTA), the Western Regional Examining Board (WREB), or the American Board of Dental Examiners, Inc. (ADEX) (Rather than "Pass an examination authorized or given by the Department in the theory and practice of the science of dentistry; provided, that the Department (1) may recognize a certificate granted by the National Board of Dental Examiners in lieu of, or subject to, such examination as may be required and (2) may recognize successful completion of the clinical examination conducted by approved regional testing services in lieu of such examinations as may be required"). Makes similar change in a provision concerning the qualifications of an applicant for a dental hygienist license. Effective immediately.

9 education program approved by the Department of no less
10 than 2 years may be substituted for the 2 academic years of
11 general dental clinical training and an applicant who was
12 enrolled for not less than one year in an approved clinical
13 program prior to January 1, 1993 at an Illinois dental
14 college or school shall be required to complete only that
15 program; and

16 (C) the applicant has received certification from the
17 dean of an approved dental college or school in the United
18 States or Canada or the program director of an approved
19 advanced dental education program stating that the
20 applicant has achieved the same level of scientific
21 knowledge and clinical competence as required of all
22 graduates of the college, school, or advanced dental
23 education program.

24 Nothing in this Act shall be construed to prevent either
25 the Department or any dental college or school from
26 establishing higher standards than specified in this Act.

1 (d) In determining professional capacity under this
2 Section, any individual who has not been actively engaged in
3 the practice of dentistry, has not been a dental student, or
4 has not been engaged in a formal program of dental education
5 during the 5 years immediately preceding the filing of an
6 application may be required to complete such additional
7 testing, training, or remedial education as the Board may deem
8 necessary in order to establish the applicant's present
9 capacity to practice dentistry with reasonable judgment,
10 skill, and safety.
