4 Section 5. The Illinois Pension Code is amended by changing  
5 Sections 17-116 and 17-119 as follows:

6 (40 ILCS 5/17-116) (from Ch. 108 1/2, par. 17-116)

7 Sec. 17-116. Service retirement pension.

8 (a) Each teacher having 20 years of service upon attainment  
9 of age 55, or who thereafter attains age 55 shall be entitled  
10 to a service retirement pension upon or after attainment of age  
11 55; and each teacher in service on or after July 1, 1971, with  
12 5 or more but less than 20 years of service shall be entitled  
13 to receive a service retirement pension upon or after  
14 attainment of age 62.

15 (b) The service retirement pension for a teacher who  
16 retires on or after June 25, 1971, at age 60 or over, shall be  
17 calculated as follows:

18 (1) For creditable service earned before July 1, 1998  
19 that has not been augmented under Section 17-119.1: 1.67%  
20 for each of the first 10 years of service; 1.90% for each  
21 of the next 10 years of service; 2.10% for each year of  
22 service in excess of 20 but not exceeding 30; and 2.30% for  
23 each year of service in excess of 30, based upon average

1 salary as herein defined.

2 (2) For creditable service earned on or after July 1,  
3 1998 by a member who has at least 30 years of creditable  
4 service on July 1, 1998 and who does not elect to augment  
5 service under Section 17-119.1: 2.3% of average salary for  
6 each year of creditable service earned on or after July 1,  
7 1998.

8 (3) For all other creditable service: 2.2% of average  
9 salary for each year of creditable service.

10 (c) When computing such service retirement pensions, the  
11 following conditions shall apply:

12 1. Average salary shall consist of the average annual  
13 rate of salary for the 4 consecutive years of validated  
14 service within the last 10 years of service when such  
15 average annual rate was highest. In the determination of  
16 average salary for retirement allowance purposes, for  
17 members who commenced employment after August 31, 1979,  
18 that part of the salary for any year shall be excluded  
19 which exceeds the annual full-time salary rate for the  
20 preceding year by more than 20%. In the case of a member  
21 who commenced employment before August 31, 1979 and who  
22 receives salary during any year after September 1, 1983  
23 which exceeds the annual full time salary rate for the  
24 preceding year by more than 20%, an Employer and other  
25 employers of eligible contributors as defined in Section  
26 17-106 shall pay to the Fund an amount equal to the present

1 value of the additional service retirement pension  
2 resulting from such excess salary. The present value of the  
3 additional service retirement pension shall be computed by  
4 the Board on the basis of actuarial tables adopted by the  
5 Board. If a member elects to receive a pension from this  
6 Fund provided by Section 20-121, his salary under the State  
7 Universities Retirement System and the Teachers'  
8 Retirement System of the State of Illinois shall be  
9 considered in determining such average salary. Amounts  
10 paid after the effective date of this amendatory Act of  
11 1991 for unused vacation time earned after that effective  
12 date shall not under any circumstances be included in the  
13 calculation of average salary or the annual rate of salary  
14 for the purposes of this Article.

15 2. Proportionate credit shall be given for validated  
16 service of less than one year.

17 3. For retirement at age 60 or over the pension shall  
18 be payable at the full rate.

19 4. For separation from service below age 60 to a  
20 minimum age of 55, the pension shall be discounted at the  
21 rate of 1/2 of one per cent for each month that the age of  
22 the contributor is less than 60, but a teacher may elect to  
23 defer the effective date of pension in order to eliminate  
24 or reduce this discount. This discount shall not be  
25 applicable to any participant who has at least 34 years of  
26 service or a retirement pension of at least 74.6% of

1 average salary on the date the retirement annuity begins.

2 5. No additional pension shall be granted for service  
3 exceeding 45 years. Beginning June 26, 1971 no pension  
4 shall exceed the greater of \$1,500 per month or 75% of  
5 average salary as herein defined.

6 6. Service retirement pensions shall begin on the  
7 effective date of resignation, retirement, the day  
8 following the close of the payroll period for which service  
9 credit was validated, or the time the person resigning or  
10 retiring attains age 55, or on a date elected by the  
11 teacher, whichever shall be latest.

12 7. A member who is eligible to receive a retirement  
13 pension of at least 74.6% of average salary and will attain  
14 age 55 on or before December 31 during the year which  
15 commences on July 1 shall be deemed to attain age 55 on the  
16 preceding June 1.

17 8. A member retiring after the effective date of this  
18 amendatory Act of 1998 shall receive a pension equal to 75%  
19 of average salary if the member is qualified to receive a  
20 retirement pension equal to at least 74.6% of average  
21 salary under this Article or as proportional annuities  
22 under Article 20 of this Code.

23 (d) Notwithstanding the other provisions of this Section,  
24 the minimum retirement pension payable to a person with at  
25 least 20 years of service credit under this Article who begins  
26 receiving a retirement pension (other than a reversionary

1 pension) on or after January 1, 2010 shall be \$1,500 per month.

4 Sec. 17-119. Automatic annual increase in pension.

5 (a) Each teacher retiring on or after September 1, 1959, is  
6 entitled to the annual increase in pension, defined herein,  
7 while he is receiving a pension from the Fund.

8 1. The term "base pension" means a service retirement  
9 or disability retirement pension in the amount fixed and  
10 payable at the date of retirement of a teacher.

11 2. The annual increase in pension shall be at the rate  
12 of 1 1/2% of base pension. This increase shall first occur  
13 in January of the year next following the first anniversary  
14 of retirement. At such time the Fund shall pay the pro rata  
15 part of the increase for the period from the first  
16 anniversary date to the date of the first increase in  
17 pension. Beginning January 1, 1972, the rate of annual  
18 increase in pension shall be 2% of the base pension.  
19 Beginning January 1, 1979, the rate of annual increase in  
20 pension shall be 3% of the base pension. Beginning January  
21 1, 1990, all automatic annual increases payable under this  
22 Section shall be calculated as a percentage of the total  
23 pension payable at the time of the increase, including all  
24 increases previously granted under this Article,  
25 notwithstanding Section 17-157.

1           3. An increase in pension shall be granted only if the  
2           retired teacher is age 60 or over. If the teacher attains  
3           age 60 after retirement, the increase in pension shall  
4           begin in January of the year following the 61st birthday.  
5           At such time the Fund also shall pay the pro rata part of  
6           the increase from the 61st birthday to the date of first  
7           increase in pension.

8           (b) In addition to other increases which may be provided by

11          his retirement pension then being paid increased \$1 per month  
12          for each year of creditable service. On January 1, 1982, any  
13          teacher whose retirement pension began on or before January 1,  
14          1977, shall have his retirement pension then being paid  
15          increased \$1 per month for each year of creditable service.

16          (c) On January 1, 1987, any teacher whose retirement  
17          pension began on or before January 1, 1977, shall have the  
18          monthly retirement pension increased by an amount equal to 8¢  
19          per year of creditable service times the number of years that  
20          have elapsed since the retirement pension began.

21          (d) On January 1, 2010, every pensioner with at least 20  
22          years of service credit under this Article who is receiving a  
23          retirement pension (other than a reversionary pension) of less  
24          than \$1,500 per month shall have the retirement pension  
25          increased to \$1,500 on that date, notwithstanding Section  
26          17-157. The increase under this subsection shall be included in

1 the calculation of the increases granted on that date or
