1

AN ACT concerning local government.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Public Library District Act of 1991 is
amended by changing Section 15-85 as follows:

6 (75 ILCS 16/15-85)

7

Sec. 15-85. Automatic disconnection from district.

8 (a) Any territory within a public library district that is 9 or has been annexed to a municipality (where that municipality 10 maintains a public library) is, by operation of law, 11 disconnected from the public library district as of the January 12 first next after the territory is annexed.

(a-5) If at anytime prior to, on, or after the effective 13 14 date of this amendatory Act of the 96th General Assembly, the City of Springfield, Illinois, annexes territory within the 15 Chatham Area Public Library District, or any successor thereto, 16 17 for the development and construction of the proposed Hunter Lake to serve as an additional water supply for the City of 18 19 Springfield and under subsection (a) that territory is 20 disconnected from the Chatham Area Public Library District, 21 then all remaining territory of the Chatham Area Public Library 22 District is nevertheless deemed contiguous for the purposes of this Act. The remaining territory continues to be a part of the 23

HB0771 Engrossed - 2 - LRB096 03534 RLJ 13559 b

1

Chatham Area Public Library District or any successor thereto.

2 (b) A disconnection by operation of law under this Section 3 does not occur if, within 60 days after the annexation, the public library district files with the appropriate circuit 4 5 court a petition alleging that the disconnection will cause the territory remaining in the district to be noncontiguous or that 6 7 the loss of assessed valuation by reason of the disconnection 8 will impair the ability of the district to render fully 9 adequate library service to the territory remaining in the 10 district.

11 (c) When a petition is filed under subsection (b), the 12 court shall set it for hearing. At the hearing, the district 13 has the burden of proving the truth of the allegations in its 14 petition. In determining whether to grant the petition, the 15 court may consider at least the following factors:

(i) whether disconnection will cause the territory
 remaining in the district to be noncontiguous;

18 (ii) whether the loss of assessed valuation by reason 19 of the disconnection will impair the ability of the 20 district to render fully adequate library service to the 21 territory remaining in the district;

(iii) the convenience of the residents of the annexed territory and whether a plan exists enabling the residents of the annexed territory to use either the public library district facilities or the library facilities of the city, village, or incorporated town to which the territory has HB0771 Engrossed - 3 - LRB096 03534 RLJ 13559 b

1 been annexed; and

(iv) whether the city, village, or incorporated town
has annexed any other territory within the district within
the preceding 2 years and the cumulative effect of those
annexations on the financial viability of the district.

6 The Court may consider comments by the Illinois State 7 Library, the annexing municipality and its public library, and 8 the library system or systems to which the affected libraries 9 belong. This does not create a right of intervention in these 10 parties.

(d) After the hearing, the Court may grant the relief it 11 12 deems appropriate, including, but not limited to, any of the following: (i) denial of the disconnection; (ii) disconnection 13 14 of the territory from the public library district; (iii) 15 disconnection of the territory from the public library district 16 in parts over a specific period of time not to exceed 5 years; 17 (iv) court approval of a voluntary agreement between the parties that provides for the sharing of real estate tax 18 19 revenues from the annexed territory for a limited period of 20 time not to exceed 5 years unless extended by mutual agreement of the parties; or (v) submission of the question of 21 22 disconnection of the territory to the electors of the annexed 23 territory at a referendum to be held at the next general election in accordance with the general election law. The 24 25 proposition at such a referendum shall be in substantially the 26 following form:

HB0771 Engrossed - 4 - LRB096 03534 RLJ 13559 b

1 2 Shall (describe annexed territory) be disconnected from (name of public library district)?

If a referendum is held, the result of the election shall be entered of record in the Court. If a majority of votes cast upon the question in the annexed territory are for disconnection of the annexed territory from the public library district, the territory shall be disconnected from the public library district.

9 (e) If there are any general obligation bonds of the public 10 library district outstanding and unpaid at the time the 11 territory is disconnected from the public library district by 12 operation of this Section, the disconnected territory shall 13 remain liable for its proportionate share of that bonded 14 indebtedness, and the public library district may continue to 15 levy and extend taxes upon the taxable property in the 16 territory for the purpose of amortizing the bonds until 17 sufficient funds to retire the bonds have been collected.

(f) The county clerk must extend taxes to pay the principal 18 19 of and interest on any general obligation bonds issued to 20 refund any bond described in subsection (e), as provided in the bond ordinances on file in the office of the county clerk, 21 22 against all taxable property in the district, including taxable 23 property that was in the district on the date that the bonds being refunded were issued; provided, however, that (i) the net 24 25 interest rate on the refunding bonds may not exceed the net interest rate on the refunded bonds, (ii) the final maturity 26

HB0771 Engrossed - 5 - LRB096 03534 RLJ 13559 b

1 date of the refunding bonds may not extend beyond the final 2 maturity date of the refunded bonds, and (iii) the debt service 3 payable on the refunding bonds in any year may not exceed the 4 debt service that would have been payable on the refunded bonds 5 in that year. This subsection is inoperative after June 30, 6 2002.
