1 AN ACT concerning energy assistance.

## Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Economic Opportunity Act is amended by changing Section 2 as follows:

6 (20 ILCS 625/2) (from Ch. 127, par. 2602)

2. (a) The Director of Commerce and Economic Opportunity is authorized to administer the federal community services block program, emergency community services homeless low-income energy assistance program, program, weatherization assistance program, supplemental low-income energy assistance fund, and other federal programs that require or give preference to community action agencies for local administration in accordance with federal laws and regulations as amended. The Director shall provide financial assistance to community action agencies from community service block grant funds and other federal funds requiring or giving preference to community action agencies for local administration for the programs described in Section 4. The Director of Healthcare and Family Services is authorized to administer the federal low-income home energy assistance program and weatherization assistance program in accordance with federal laws and regulations as amended.

- (b) Funds appropriated for use by community action agencies 1
- 2 in community action programs shall be allocated annually to
- existing community action agencies or newly formed community 3
- action agencies by the Department of Commerce and Economic 4
- 5 Opportunity. Allocations will be made consistent with duly
- 6 enacted departmental rules.

- (305 ILCS 20/4) (from Ch. 111 2/3, par. 1404) 1
- Sec. 4. Energy Assistance Program. 2
  - (a) The Department of Commerce and Economic Opportunity Healthcare and Family Services is hereby authorized to program to ensure the availability affordability of heating and electric service to low income citizens. The Department shall implement the program by rule promulgated pursuant to the Illinois Administrative Procedure Act. The program shall be consistent with the purposes and objectives of this Act and with all other specific requirements provided herein. The Department may enter into such contracts and other agreements with local agencies as may be necessary for the purpose of administering the energy assistance program.
    - (b) Nothing in this Act shall be construed as altering or limiting the authority conferred on the Illinois Commerce Commission by the Public Utilities Act to regulate all aspects of the provision of public utility service, including but not limited to the authority to make rules and adjudicate disputes between utilities and customers related to eligibility for utility service, deposits, payment practices, discontinuance service, and the treatment of arrearages owing for previously rendered utility service.
    - (c) The Department of Commerce and Economic Opportunity Healthcare and Family Services is authorized to institute an outreach program directed at low-income minority heads of

- 1 households and heads of households age 60 or older. The
- 2 Department shall implement the program through rules adopted
- 3 pursuant to the Illinois Administrative Procedure Act. The
- 4 program shall be consistent with the purposes and objectives of
- 5 this Act and with all other specific requirements set forth in
- 6 this subsection (c).

- 10 Sec. 6. Eligibility, Conditions of Participation, and
- 11 Energy Assistance.
- 12 (a) Any person who is a resident of the State of Illinois
- and whose household income is not greater than an amount
- determined annually by the Department, in consultation with the
- 15 Policy Advisory Council, may apply for assistance pursuant to
- this Act in accordance with regulations promulgated by the
- 17 Department. In setting the annual eligibility level, the
- 18 Department shall consider the amount of available funding and
- may not set a limit higher than 150% of the federal nonfarm
- 20 poverty level as established by the federal Office of
- 21 Management and Budget; except that for the period ending June
- 22 30, 2012, or until the expenditure of federal resources
- 23 allocated for energy assistance programs by the American
- 24 Recovery and Reinvestment Act, whichever occurs first, the
- Department may not establish limits <u>higher than 200% of that</u>

- (b) Applicants who qualify for assistance pursuant to subsection (a) of this Section shall, subject to appropriation from the General Assembly and subject to availability of funds to the Department, receive energy assistance as provided by this Act. The Department, upon receipt of monies authorized pursuant to this Act for energy assistance, shall commit funds for each qualified applicant in an amount determined by the Department. In determining the amounts of assistance to be provided to or on behalf of a qualified applicant, the Department shall ensure that the highest amounts of assistance go to households with the greatest energy costs in relation to household income. The Department shall include factors such as energy costs, household size, household income, and region of the State when determining individual household benefits. In setting assistance levels, the Department shall attempt to provide assistance to approximately the same number of households who participated in the 1991 Residential Energy Assistance Partnership Program. Such assistance levels shall be adjusted annually on the basis of funding availability and energy costs. In promulgating rules for the administration of this Section the Department shall assure that a minimum of 1/3of funds available for benefits to eligible households with the lowest incomes and that elderly and disabled households are offered a priority application period.

Sec. 13. Supplemental Low-Income Energy Assistance Fund.

- (a) The Supplemental Low-Income Energy Assistance Fund is hereby created as a special fund in the State Treasury. The Supplemental Low-Income Energy Assistance Fund is authorized to receive moneys from voluntary donations from individuals, foundations, corporations, and other sources, moneys received pursuant to Section 17, and, by statutory deposit, the moneys collected pursuant to this Section. The Fund is also authorized to receive voluntary donations from individuals, foundations, corporations, and other sources, as well as contributions made in accordance with Section 507MM of the Illinois Income Tax Act. Subject to appropriation, the Department shall use moneys from the Supplemental Low-Income Energy Assistance Fund for payments to electric or gas public utilities, municipal electric or gas utilities, and electric cooperatives on behalf their customers who are participants in the program authorized by Section 4 of this Act, for the provision of weatherization services and for administration of Supplemental Low-Income Energy Assistance Fund. The yearly expenditures for weatherization may not exceed 10% of the amount collected during the year pursuant to this Section. The yearly administrative expenses of the Supplemental Low-Income Energy Assistance Fund may not exceed 10% of the amount collected during that year pursuant to this Section.
- (b) Notwithstanding the provisions of Section 16-111 of the Public Utilities Act but subject to subsection (k) of this

- (1) \$0.40 per month on each account for residential electric service;
  - (2) \$0.40 per month on each account for residential gas service;
  - (3) \$4 per month on each account for non-residential electric service which had less than 10 megawatts of peak demand during the previous calendar year;
  - (4) \$4 per month on each account for non-residential gas service which had distributed to it less than 4,000,000 therms of gas during the previous calendar year;
  - (5) \$300 per month on each account for non-residential electric service which had 10 megawatts or greater of peak demand during the previous calendar year; and
    - (6) \$300 per month on each account for non-residential

gas service which had 4,000,000 or more therms of gas distributed to it during the previous calendar year.

- (c) For purposes of this Section:
- (1) "residential electric service" means electric utility service for household purposes delivered to a dwelling of 2 or fewer units which is billed under a residential rate, or electric utility service for household purposes delivered to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;
- (2) "residential gas service" means gas utility service for household purposes distributed to a dwelling of 2 or fewer units which is billed under a residential rate, or gas utility service for household purposes distributed to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;
- (3) "non-residential electric service" means electric utility service which is not residential electric service; and
- (4) "non-residential gas service" means gas utility service which is not residential gas service.
- (d) At least 45 days prior to the date on which it must begin assessing Energy Assistance Charges, each public utility engaged in the delivery of electricity or the distribution of natural gas shall file with the Illinois Commerce Commission

- tariffs incorporating the Energy Assistance Charge in other
  charges stated in such tariffs.
- 3 (e) The Energy Assistance Charge assessed by electric and 4 gas public utilities shall be considered a charge for public 5 utility service.
- (f) By the 20th day of the month following the month in 6 7 which the charges imposed by the Section were collected, each 8 public utility, municipal utility, and electric cooperative 9 shall remit to the Department of Revenue all moneys received as 10 payment of the Energy Assistance Charge on a return prescribed 11 and furnished by the Department of Revenue showing such 12 information as the Department of Revenue may reasonably 13 require. If a customer makes a partial payment, a public 14 utility, municipal utility, or electric cooperative may elect 15 either: (i) to apply such partial payments first to amounts 16 owed to the utility or cooperative for its services and then to 17 payment for the Energy Assistance Charge or (ii) to apply such partial payments on a pro-rata basis between amounts owed to 18 19 the utility or cooperative for its services and to payment for 20 the Energy Assistance Charge.
  - (g) The Department of Revenue shall deposit into the Supplemental Low-Income Energy Assistance Fund all moneys remitted to it in accordance with subsection (f) of this Section.
- 25 (h) (Blank).

22

23

24

On or before December 31, 2002, the Department shall

- prepare a report for the General Assembly on the expenditure of 1
- 2 funds appropriated from the Low-Income Energy Assistance Block
- Grant Fund for the program authorized under Section 4 of this 3
- Act.

- (i) The Department of Revenue may establish such rules as
- 6 it deems necessary to implement this Section.
  - (j) The Department of Commerce and Economic Opportunity
- 8 Healthcare and Family Services may establish such rules as it
- 9 deems necessary to implement this Section.
- 10 (k) The charges imposed by this Section shall only apply to
- 11 customers of municipal electric or gas utilities and electric
- 12 or gas cooperatives if the municipal electric or gas utility or
- 13 electric or gas cooperative makes an affirmative decision to
- 14 impose the charge. If a municipal electric or gas utility or an
- 15 electric cooperative makes an affirmative decision to impose
- 16 the charge provided by this Section, the municipal electric or
- 17 gas utility or electric cooperative shall inform the Department
- of Revenue in writing of such decision when it begins to impose 18
- 19 the charge. If a municipal electric or gas utility or electric
- 20 or gas cooperative does not assess this charge, the Department
- may not use funds from the Supplemental Low-Income Energy 21
- 22 Assistance Fund to provide benefits to its customers under the
- 23 program authorized by Section 4 of this Act.
- 24 In its use of federal funds under this Act, the Department
- 25 may not cause a disproportionate share of those federal funds
- 26 to benefit customers of systems which do not assess the charge

- provided by this Section. 1
- 2 This Section is repealed effective December 31, 2013 unless
- renewed by action of the General Assembly. The General Assembly 3
- shall consider the results of the evaluations described in 4
- Section 8 in its deliberations. 5
