11 "Debt service extension base" means an amount equal to that
12 portion of the extension for a taxing district for the 1994
13 levy year, or for those taxing districts subject to this Law in
14 accordance with Section 18-213, except for those subject to
15 paragraph (2) of subsection (e) of Section 18-213, for the levy
16 year in which the referendum making this Law applicable to the
17 taxing district is held, or for those taxing districts subject
18 to this Law in accordance with paragraph (2) of subsection (e)
19 of Section 18-213 for the 1996 levy year, constituting an
20 extension for payment of principal and interest on bonds that
21 are obligations of ~~issued by~~ the taxing district issued without
22 referendum, but not including excluded non-referendum bonds.
23 For park districts (i) that were first subject to this Law in
24 1991 or 1995 and (ii) whose extension for the 1994 levy year
25 for the payment of principal and interest on bonds issued by
26 the park district without referendum (but not including

1 excluded non-referendum bonds) was less than 51% of the amount
2 for the 1991 levy year constituting an extension for payment of
3 principal and interest on bonds issued by the park district
4 without referendum (but not including excluded non-referendum
5 bonds), "debt service extension base" means an amount equal to
6 that portion of the extension for the 1991 levy year
7 constituting an extension for payment of principal and interest
8 on bonds issued by the park district without referendum (but
9 not including excluded non-referendum bonds). The debt service
10 extension base may be established or increased as provided
11 under Section 18-212. "Excluded non-referendum bonds" means
12 (i) bonds authorized by Public Act 88-503 and issued under
13 Section 20a of the Chicago Park District Act for aquarium and
14 museum projects; (ii) bonds issued under Section 15 of the
15 Local Government Debt Reform Act; or (iii) refunding
16 obligations issued to refund or to continue to refund
17 obligations initially issued pursuant to referendum.

18 "Special purpose extensions" include, but are not limited
19 to, extensions for levies made on an annual basis for
20 unemployment and workers' compensation, self-insurance,
21 contributions to pension plans, and extensions made pursuant to
22 Section 6-601 of the Illinois Highway Code for a road
23 district's permanent road fund whether levied annually or not.
24 The extension for a special service area is not included in the
25 aggregate extension.

26 "Aggregate extension base" means the taxing district's

1 last preceding aggregate extension as adjusted under Sections
2 18-135, 18-215, and 18-230. An adjustment under Section 18-135
3 shall be made for the 2007 levy year and all subsequent levy
4 years whenever one or more counties within which a taxing
5 district is located (i) used estimated valuations or rates when
6 extending taxes in the taxing district for the last preceding
7 levy year that resulted in the over or under extension of
8 taxes, or (ii) increased or decreased the tax extension for the
9 last preceding levy year as required by Section 18-135(c).
10 Whenever an adjustment is required under Section 18-135, the
11 aggregate extension base of the taxing district shall be equal
12 to the amount that the aggregate extension of the taxing
13 district would have been for the last preceding levy year if
14 either or both (i) actual, rather than estimated, valuations or
15 rates had been used to calculate the extension of taxes for the
16 last levy year, or (ii) the tax extension for the last
17 preceding levy year had not been adjusted as required by
18 subsection (c) of Section 18-135.

19 "Levy year" has the same meaning as "year" under Section
20 1-155.

21 "New property" means (i) the assessed value, after final
22 board of review or board of appeals action, of new improvements
23 or additions to existing improvements on any parcel of real
24 property that increase the assessed value of that real property
25 during the levy year multiplied by the equalization factor
26 issued by the Department under Section 17-30, (ii) the assessed

1 value, after final board of review or board of appeals action,
2 of real property not exempt from real estate taxation, which
3 real property was exempt from real estate taxation for any
4 portion of the immediately preceding levy year, multiplied by
5 the equalization factor issued by the Department under Section
6 17-30, including the assessed value, upon final stabilization
7 of occupancy after new construction is complete, of any real
8 property located within the boundaries of an otherwise or
9 previously exempt military reservation that is intended for
10 residential use and owned by or leased to a private corporation
11 or other entity, and (iii) in counties that classify in
12 accordance with Section 4 of Article IX of the Illinois
13 Constitution, an incentive property's additional assessed
14 value resulting from a scheduled increase in the level of
15 assessment as applied to the first year final board of review
16 market value. In addition, the county clerk in a county
17 containing a population of 3,000,000 or more shall include in
18 the 1997 recovered tax increment value for any school district,
19 any recovered tax increment value that was applicable to the
20 1995 tax year calculations.

21 "Qualified airport authority" means an airport authority
22 organized under the Airport Authorities Act and located in a
23 county bordering on the State of Wisconsin and having a
24 population in excess of 200,000 and not greater than 500,000.

25 "Recovered tax increment value" means, except as otherwise
26 provided in this paragraph, the amount of the current year's

1 equalized assessed value, in the first year after a
2 municipality terminates the designation of an area as a
3 redevelopment project area previously established under the
4 Tax Increment Allocation Development Act in the Illinois
5 Municipal Code, previously established under the Industrial
6 Jobs Recovery Law in the Illinois Municipal Code, previously
7 established under the Economic Development Project Area Tax
8 Increment Act of 1995, or previously established under the
9 Economic Development Area Tax Increment Allocation Act, of each
10 taxable lot, block, tract, or parcel of real property in the
11 redevelopment project area over and above the initial equalized
12 assessed value of each property in the redevelopment project
13 area. For the taxes which are extended for the 1997 levy year,
14 the recovered tax increment value for a non-home rule taxing
15 district that first became subject to this Law for the 1995
16 levy year because a majority of its 1994 equalized assessed
17 value was in an affected county or counties shall be increased
18 if a municipality terminated the designation of an area in 1993
19 as a redevelopment project area previously established under
20 the Tax Increment Allocation Development Act in the Illinois
21 Municipal Code, previously established under the Industrial
22 Jobs Recovery Law in the Illinois Municipal Code, or previously
23 established under the Economic Development Area Tax Increment
24 Allocation Act, by an amount equal to the 1994 equalized
25 assessed value of each taxable lot, block, tract, or parcel of
26 real property in the redevelopment project area over and above

1 the initial equalized assessed value of each property in the
2 redevelopment project area. In the first year after a
3 municipality removes a taxable lot, block, tract, or parcel of
4 real property from a redevelopment project area established
5 under the Tax Increment Allocation Development Act in the
6 Illinois Municipal Code, the Industrial Jobs Recovery Law in
7 the Illinois Municipal Code, or the Economic Development Area
8 Tax Increment Allocation Act, "recovered tax increment value"
9 means the amount of the current year's equalized assessed value
10 of each taxable lot, block, tract, or parcel of real property
11 removed from the redevelopment project area over and above the
12 initial equalized assessed value of that real property before
13 removal from the redevelopment project area.

14 Except as otherwise provided in this Section, "limiting
15 rate" means a fraction the numerator of which is the last
16 preceding aggregate extension base times an amount equal to one
17 plus the extension limitation defined in this Section and the
18 denominator of which is the current year's equalized assessed
19 value of all real property in the territory under the
20 jurisdiction of the taxing district during the prior levy year.
21 For those taxing districts that reduced their aggregate
22 extension for the last preceding levy year, the highest
23 aggregate extension in any of the last 3 preceding levy years
24 shall be used for the purpose of computing the limiting rate.
25 The denominator shall not include new property or the recovered
26 tax increment value. If a new rate, a rate decrease, or a

1 limiting rate increase has been approved at an election held
2 after March 21, 2006, then (i) the otherwise applicable
3 limiting rate shall be increased by the amount of the new rate
4 or shall be reduced by the amount of the rate decrease, as the
5 case may be, or (ii) in the case of a limiting rate increase,
6 the limiting rate shall be equal to the rate set forth in the
7 proposition approved by the voters for each of the years
8 specified in the proposition, after which the limiting rate of
9 the taxing district shall be calculated as otherwise provided.
