

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Home Health, Home Services, and Home Nursing  
5 Agency Licensing Act is amended by changing Sections 6.3 and  
6 6.7 as follows:

7 (210 ILCS 55/6.3)

8 Sec. 6.3. Home services agencies; standards; fees.

9 (a) Before January 1, 2008, the Department shall adopt  
10 standards for the licensure and operation of home services  
11 agencies operated in this State. The structure of the standards  
12 shall be based on the concept of home services and its focus on  
13 assistance with activities of daily living, housekeeping,  
14 personal laundry, and companionship being provided to an  
15 individual intended to enable that individual to remain safely  
16 and comfortably in his or her own personal residence. As home  
17 services do not include services that would be required to be  
18 performed by an individual licensed under the Nurse Practice  
19 Act, the standards shall be developed from a similar concept.  
20 After consideration and recommendations by the Home Health and  
21 Home Services Advisory Committee, the Department shall adopt  
22 such rules and regulations as are necessary for the proper  
23 regulation of home services agencies. Requirements for

1 licensure as a home services agency shall include the  
2 following:

3 (1) Compliance with the requirements of the Health Care  
4 Worker Background Check Act.

5 (2) Notification, in a form and manner established by  
6 the Department by rule, to home services workers and  
7 consumers as to the party or parties responsible under  
8 State and federal laws for payment of employment taxes,  
9 social security taxes, and workers' compensation,  
10 liability, the day-to-day supervision of workers, and the  
11 hiring, firing, and discipline of workers with the  
12 placement arrangement for home services.

13 (3) Compliance with rules, as adopted by the  
14 Department, in regard to (i) reporting by the licensee of  
15 any known or suspected incidences of abuse, neglect, or  
16 financial exploitation of an eligible adult, as defined in  
17 the Elder Abuse and Neglect Act, by a home services worker  
18 employed by or placed by the licensee or (ii) reports to a  
19 law enforcement agency in connection with any other  
20 individual protected under the laws of the State of  
21 Illinois.

22 (4) Compliance with rules, as adopted by the  
23 Department, addressing the health, safety, and well-being  
24 of clients receiving home services.

25 (b) The Department may establish fees for home services  
26 agency licensure in rules in a manner that will make the

1 program self-supporting. The amount of the licensure fees shall  
2 be based on the funding required for operation of the licensure  
3 program. Notwithstanding any other provision of this Section,  
4 the Department may not charge any fee to a certified local  
5 health department in connection with the licensure of a home  
6 services agency.

18 (1) Compliance with the requirements of the Health Care  
19 Worker Background Check Act.

20 (2) Notification, in a form and manner established by  
21 the Department by rule, to home nursing agency workers and

23 State and federal laws for payment of employment taxes,  
24 social security taxes, and workers' compensation,  
25 liability, the day-to-day supervision of workers, and the

1 hiring, firing, and discipline of workers with the  
2 placement arrangement for home nursing services.

3 (3) Compliance with rules, as adopted by the  
4 Department, in regard to (i) reporting by the licensee of  
5 any known or suspected incidences of abuse, neglect, or  
6 financial exploitation of an eligible adult, as defined in  
7 the Elder Abuse and Neglect Act, by a home nursing care  
8 worker employed by or placed by the licensee or (ii)  
9 reports to a law enforcement agency in connection with any  
10 other individual protected under the laws of the State of  
11 Illinois.

12 (4) Compliance with rules, as adopted by the  
13 Department, addressing the health, safety, and well-being  
14 of clients receiving home nursing services.

15 (b) The Department may establish fees for home nursing  
16 agency licensure in rules in a manner that will make the  
17 program self-supporting. The amount of the licensure fees shall  
18 be based on the funding required for the operation of the  
19 licensure program. Notwithstanding any other provisions of  
20 this Section, the Department may not charge any fee to a  
21 certified local health department in connection with the  
22 licensure of a home nursing agency.
