7 Sec. 27-22.10. Course credit for high school diploma.

8 (a) Notwithstanding any other provision of this Code, the
9 school board of a school district that maintains any of grades
10 9 through 12 is authorized to adopt a policy under which a
11 student enrolled in grade 7 or 8 who is enrolled in the unit
12 school district or would be enrolled in the high school
13 district upon completion of elementary school, whichever is
14 applicable, may enroll in a course required under Section 27-22
15 of this Code, provided that ~~(i)~~ the course is offered by the
16 high school that the student would attend, and (i) ~~(ii)~~ the
17 student participates in the course at the location of the high
18 school, and ~~(iii)~~ the elementary student's enrollment in the

14 high school grade during which the course is usually taken, and
15 that credit shall satisfy the requirements of Section 27-22 of
16 this Code for that course.

17 (d) A student's grade in any course successfully completed
18 under this Section must be included in his or her grade point
