7           Notwithstanding any provision of the law to the contrary,  
8 the General Assembly hereby authorizes the use of such funds  
9 for the purposes set forth in this Section.

10           These provisions do not apply to funds classified by the  
11 Comptroller as federal trust funds or State trust funds. The  
12 Audit Expense Fund may receive transfers from those trust funds  
13 only as directed herein, except where prohibited by the terms  
14 of the trust fund agreement. The Auditor General shall notify  
15 the trustees of those funds of the estimated cost of the audit  
16 to be incurred under the Illinois State Auditing Act for the  
17 fund. The trustees of those funds shall direct the State  
18 Comptroller and Treasurer to transfer the estimated amount to  
19 the Audit Expense Fund.

20           The Auditor General may bill entities that are not subject  
21 to the above transfer provisions, including private entities,  
22 related organizations and entities whose funds are  
23 locally-held, for the cost of audits, studies, and  
24 investigations incurred on their behalf. Any revenues received  
25 under this provision shall be deposited into the Audit Expense  
26 Fund.

1           In the event that moneys on deposit in any fund are  
2           unavailable, by reason of deficiency or any other reason  
3           preventing their lawful transfer, the State Comptroller shall  
4           order transferred and the State Treasurer shall transfer the  
5           amount deficient or otherwise unavailable from the General  
6           Revenue Fund for deposit into the Audit Expense Fund.

7           On or before December 1, 1992, and each December 1  
8           thereafter, the Auditor General shall notify the Governor's  
9           Office of Management and Budget (formerly Bureau of the Budget)  
10          of the amount estimated to be necessary to pay for audits,  
11          studies, and investigations in accordance with the Illinois  
12          State Auditing Act during the next succeeding fiscal year for  
13          each State fund for which a transfer or reimbursement is  
14          anticipated.

15          Beginning with fiscal year 1994 and during each fiscal year  
16          thereafter, the Auditor General may direct the State  
17          Comptroller and Treasurer to transfer moneys from funds  
18          authorized by the General Assembly for that fund. In the event  
19          funds, including federal and State trust funds but excluding  
20          the General Revenue Fund, are transferred, during fiscal year  
21          1994 and during each fiscal year thereafter, in excess of the  
22          amount to pay actual costs attributable to audits, studies, and  
23          investigations as permitted or required by the Illinois State  
24          Auditing Act or specific action of the General Assembly, the  
25          Auditor General shall, on September 30, or as soon thereafter  
26          as is practicable, direct the State Comptroller and Treasurer

1 to transfer the excess amount back to the fund from which it  
2 was originally transferred.
