23 \$10,000 for each violation, with regard to any license issued  
24 under the provisions of this Act for any one or a combination

1 of the following reasons:

2 (1) Conviction of, or entry of a plea of guilty or nolo  
3 contendere to, any crime that is a felony under the laws of  
4 the United States or any state or territory thereof or that  
5 is a misdemeanor of which an essential element is

9 practice with reasonable judgment, skill or safety.

10 (11) Discipline by another state, territory, the  
11 District of Columbia or foreign country, if at least one of  
12 the grounds for the discipline is the same or substantially  
13 equivalent to those set forth herein.

14 (12) Directly or indirectly giving or receiving from  
15 any person, firm, corporation, association or partnership  
16 any fee, commission, rebate, or other form of compensation  
17 for any professional service not actually or personally  
18 rendered. Nothing in this paragraph (12) prohibits  
19 contractual or employment arrangements with health care  
20 professionals or providers, such as physicians, physician  
21 practices, hospitals, long-term care facilities, clinics,  
22 or other entities, except as otherwise prohibited by law.

15 and Neglected Child Reporting Act.

16 (17) Being named as a perpetrator in an indicated  
17 report by the Department of Children and Family Services

2 (20) Failing to report to the Department any adverse  
3 judgment, settlement, or award arising from a liability

7 (21) Failing to report to the Department any adverse  
8 final action taken against a licensee or applicant by  
9 another licensing jurisdiction, including any other state  
10 or territory of the United States or any foreign state or  
11 country, or any peer review body, health care institution,  
12 professional society or association related to the  
13 profession, governmental agency, law enforcement agency,  
14 or court for an act or conduct similar to an act or conduct  
15 that would constitute grounds for disciplinary action as  
16 set forth in this Section.

17 The entry of an order by any circuit court establishing  
18 that any person holding a license under this Act is subject to  
19 involuntary admission or judicial admission as provided for in  
20 the Mental Health and Developmental Disabilities Code,  
21 operates as an automatic suspension of that license. That  
22 person may have his or her license restored only upon the  
23 determination by a circuit court that the patient is no longer  
24 subject to involuntary admission or judicial admission and the  
25 issuance of an order so finding and discharging the patient and  
26 upon the Board's recommendation to the Department that the

1 license be restored. Where the circumstances so indicate, the  
2 Board may recommend to the Department that it require an  
3 examination prior to restoring any license so automatically  
4 suspended.

5 The Department may refuse to issue or may suspend the  
6 license of any person who fails to file a return, or to pay the  
7 tax, penalty or interest shown in a filed return, or to pay any  
8 final assessment of the tax penalty or interest, as required by  
9 any tax Act administered by the Illinois Department of Revenue,  
10 until such time as the requirements of any such tax Act are  
11 satisfied.

12 In enforcing this Section, the Board upon a showing of a  
13 possible violation may compel any person licensed to practice  
14 under this Act, or who has applied for licensure or  
15 certification pursuant to this Act, to submit to a mental or  
16 physical examination, or both, as required by and at the  
17 expense of the Department. The examining physicians or clinical  
18 psychologists shall be those specifically designated by the  
19 Board. The Board or the Department may order the examining  
20 physician or clinical psychologist to present testimony  
21 concerning this mental or physical examination of the licensee  
22 or applicant. No information shall be excluded by reason of any  
23 common law or statutory privilege relating to communications  
24 between the licensee or applicant and the examining physician  
25 or clinical psychologist. The person to be examined may have,  
26 at his or her own expense, another physician or clinical

1 psychologist of his or her choice present during all aspects of  
2 the examination. Failure of any person to submit to a mental or  
3 physical examination, when directed, shall be grounds for  
4 suspension of a license until the person submits to the  
5 examination if the Board finds, after notice and hearing, that  
6 the refusal to submit to the examination was without reasonable  
7 cause.

8 If the Board finds a person unable to practice because of  
9 the reasons set forth in this Section, the Board may require  
10 that person to submit to care, counseling or treatment by  
11 physicians or clinical psychologists approved or designated by  
12 the Board, as a condition, term, or restriction for continued,  
13 reinstated, or renewed licensure to practice; or, in lieu of  
14 care, counseling or treatment, the Board may recommend to the  
15 Department to file a complaint to immediately suspend, revoke  
16 or otherwise discipline the license of the person. Any person  
17 whose license was granted, continued, reinstated, renewed,  
18 disciplined or supervised subject to such terms, conditions or  
19 restrictions, and who fails to comply with such terms,  
20 conditions or restrictions, shall be referred to the Secretary  
21 for a determination as to whether the person shall have his or  
22 her license suspended immediately, pending a hearing by the  
23 Board.

24 In instances in which the Secretary immediately suspends a  
25 person's license under this Section, a hearing on that person's  
26 license must be convened by the Board within 15 days after the

1 suspension and completed without appreciable delay. The Board  
2 shall have the authority to review the subject person's record  
3 of treatment and counseling regarding the impairment, to the  
4 extent permitted by applicable federal statutes and  
5 regulations safeguarding the confidentiality of medical  
6 records.

7 A person licensed under this Act and affected under this  
8 Section shall be afforded an opportunity to demonstrate to the  
9 Board that he or she can resume practice in compliance with  
10 acceptable and prevailing standards under the provisions of his  
11 or her license.

13 Section 15. The Clinical Social Work and Social Work  
14 Practice Act is amended by changing Section 19 as follows:

20 censure, reprimand, or take other disciplinary or  
21 non-disciplinary action deemed appropriate by the Department,  
22 including the imposition of fines not to exceed \$10,000 for  
23 each violation, with regard to any license issued under the  
24 provisions of this Act for any one or a combination of the

1 following reasons:

2 (a) material misstatements of fact in furnishing  
3 information to the Department or to any other State agency  
4 or in furnishing information to any insurance company with

13 practice of the clinical social work or social work

16 obtaining licenses, or violating any provision of this Act  
17 or any of the rules promulgated hereunder;

18 (e) professional incompetence;

19 (f) malpractice;

20 (g) aiding or assisting another person in violating any  
21 provision or this Act or any rules;

22 (h) failing to provide information within 30 days in  
23 response to a written request made by the Department;

24 (i) engaging in dishonorable, unethical or

1 Department, or violating the rules of professional conduct  
2 adopted by the Board and published by the Department;

3 (j) habitual or excessive use or addiction to alcohol,  
4 narcotics, stimulants, or any other chemical agent or drug  
5 that results in a clinical social worker's or social  
6 worker's inability to practice with reasonable judgment,  
7 skill, or safety;

8 (k) discipline by another jurisdiction, if at least one  
9 of the grounds for the discipline is the same or  
10 substantially equivalent to those set forth in this  
11 Section;

12 (l) directly or indirectly giving to or receiving from  
13 any person, firm, corporation, partnership, or association  
14 any fee, commission, rebate or other form of compensation  
15 for any professional service not actually rendered.  
16 Nothing in this paragraph (l) prohibits contractual or  
17 employment arrangements with health care professionals or  
18 providers, such as physicians, physician practices,  
19 hospitals, long-term care facilities, clinics, or other  
20 entities, except as otherwise prohibited by law.  
21 Contractual and employment arrangements with health care  
22 professionals or providers may include arrangements for  
23 compensation, use of space, staff, equipment, health  
24 insurance, pension, or other benefits for the provision of  
25 services within the scope of the licensee's practice under  
26 this Act;

1 (m) a finding by the Board that the licensee, after  
2 having the license placed on probationary status, has  
3 violated the terms of probation;

4 (n) abandonment, without cause, of a client;

5 (o) wilfully filing false reports relating to a  
6 licensee's practice, including but not limited to false  
7 records filed with Federal or State agencies or  
8 departments;

9 (p) wilfully failing to report an instance of suspected  
10 child abuse or neglect as required by the Abused and  
11 Neglected Child Reporting Act;

12 (q) being named as a perpetrator in an indicated report  
13 by the Department of Children and Family Services under the  
14 Abused and Neglected Child Reporting Act, and upon proof by  
15 clear and convincing evidence that the licensee has caused  
16 a child to be or failed to take reasonable steps to prevent  
17 a child from being an abused child or neglected child as  
18 defined in the Abused and Neglected Child Reporting Act;

19 (r) physical illness, mental illness, or any other  
20 impairment or disability, including, but not limited to,  
21 deterioration through the aging process, or loss of motor  
22 skills that results in the inability to practice the  
23 profession with reasonable judgment, skill or safety;

24 (s) solicitation of professional services by using  
25 false or misleading advertising; or

26 (t) violation of the Health Care Worker Self-Referral

1 Act.

2 (2) (Blank).

3 (3) The determination by a court that a licensee is subject  
4 to involuntary admission or judicial admission as provided in  
5 the Mental Health and Developmental Disabilities Code, will  
6 result in an automatic suspension of his license. Such  
7 suspension will end upon a finding by a court that the licensee  
8 is no longer subject to involuntary admission or judicial  
9 admission and issues an order so finding and discharging the  
10 patient, and upon the recommendation of the Board to the  
11 Secretary that the licensee be allowed to resume professional  
12 practice.

13 (4) The Department may refuse to issue or renew or may  
14 suspend the license of a person who (i) fails to file a return,  
15 pay the tax, penalty, or interest shown in a filed return, or  
16 pay any final assessment of tax, penalty, or interest, as  
17 required by any tax Act administered by the Department of  
18 Revenue, until the requirements of the tax Act are satisfied or  
19 (ii) has failed to pay any court-ordered child support as  
20 determined by a court order or by referral from the Department  
21 of Healthcare and Family Services.

22 (5) In enforcing this Section, the Board upon a showing of  
23 a possible violation may compel a person licensed to practice  
24 under this Act, or who has applied for licensure or  
25 certification pursuant to this Act, to submit to a mental or  
26 physical examination, or both, as required by and at the

1 expense of the Department. The examining physicians shall be  
2 those specifically designated by the Board. The Board or the  
3 Department may order the examining physician to present  
4 testimony concerning this mental or physical examination of the  
5 licensee or applicant. No information shall be excluded by  
6 reason of any common law or statutory privilege relating to  
7 communications between the licensee or applicant and the  
8 examining physician. The person to be examined may have, at his  
9 or her own expense, another physician of his or her choice  
10 present during all aspects of the examination. Failure of any  
11 person to submit to a mental or physical examination, when  
12 directed, shall be grounds for suspension of a license until  
13 the person submits to the examination if the Board finds, after  
14 notice and hearing, that the refusal to submit to the  
15 examination was without reasonable cause.

16 If the Board finds a person unable to practice because of  
17 the reasons set forth in this Section, the Board may require  
18 that person to submit to care, counseling, or treatment by  
19 physicians approved or designated by the Board, as a condition,  
20 term, or restriction for continued, reinstated, or renewed  
21 licensure to practice; or, in lieu of care, counseling or  
22 treatment, the Board may recommend to the Department to file a  
23 complaint to immediately suspend, revoke or otherwise  
24 discipline the license of the person. Any person whose license  
25 was granted, continued, reinstated, renewed, disciplined or  
26 supervised subject to such terms, conditions or restrictions,

1 and who fails to comply with such terms, conditions, or  
2 restrictions, shall be referred to the Secretary for a  
3 determination as to whether the person shall have his or her  
4 license suspended immediately, pending a hearing by the Board.

5 In instances in which the Secretary immediately suspends a  
6 person's license under this Section, a hearing on that person's  
7 license must be convened by the Board within 30 days after the  
8 suspension and completed without appreciable delay. The Board  
9 shall have the authority to review the subject person's record  
10 of treatment and counseling regarding the impairment, to the  
11 extent permitted by applicable federal statutes and  
12 regulations safeguarding the confidentiality of medical  
13 records.

14 A person licensed under this Act and affected under this  
15 Section shall be afforded an opportunity to demonstrate to the  
16 Board that he or she can resume practice in compliance with  
17 acceptable and prevailing standards under the provisions of his

2 if at least one of the grounds for the discipline is the  
3 same or substantially equivalent to those set forth in this  
4 Act.

6 any person, firm, corporation, partnership, or association  
7 any fee, commission, rebate, or other form of compensation

10 contractual or employment arrangements with health care  
11 professionals or providers, such as physicians, physician  
12 practices, hospitals, long-term care facilities, clinics,  
13 or other entities, except as otherwise prohibited by law.

22 submit to a mental or physical examination, or both, as

24 physician shall be specifically designated by the Board. The  
25 Board or the Department may order the examining physician to  
26 present testimony concerning the mental or physical

1 examination of a licensee or applicant. No information may be  
2 excluded by reason of any common law or statutory privilege  
3 relating to communications between a licensee or applicant and  
4 the examining physician. An individual to be examined may have,  
5 at his or her own expense, another physician of his or her  
6 choice present during all aspects of the examination. Failure  
7 of an individual to submit to a mental or physical examination,  
8 when directed, is grounds for suspension of his or her license.  
9 The license must remain suspended until the time that the  
10 individual submits to the examination or the Board finds, after  
11 notice and a hearing, that the refusal to submit to the  
12 examination was with reasonable cause. If the Board finds that  
13 an individual is unable to practice because of the reasons set  
14 forth in this Section, the Board must require the individual to  
15 submit to care, counseling, or treatment by a physician  
16 approved by the Board, as a condition, term, or restriction for  
17 continued, reinstated, or renewed licensure to practice. In  
18 lieu of care, counseling, or treatment, the Board may recommend  
19 that the Department file a complaint to immediately suspend or  
20 revoke the license of the individual or otherwise discipline  
21 him or her. Any individual whose license was granted,  
22 continued, reinstated, or renewed subject to conditions,  
23 terms, or restrictions, as provided for in this Section, or any  
24 individual who was disciplined or placed on supervision  
25 pursuant to this Section must be referred to the Director for a  
26 determination as to whether the individual shall have his or

1 her license suspended immediately, pending a hearing by the  
2 Board.

3 The Department shall deny any license or renewal under this  
4 Act to any person who has defaulted on an educational loan  
5 guaranteed by the Illinois Student Assistance Commission;  
6 however, the Department may issue a license or renewal if the  
7 person in default has established a satisfactory repayment  
8 record as determined by the Illinois Student Assistance  
9 Commission.

10 The determination by a circuit court that a registrant is  
11 subject to involuntary admission or judicial admission as  
12 provided in the Mental Health and Developmental Disabilities  
13 Code operates as an automatic suspension. This suspension will  
14 end only upon a finding by a court that the patient is no  
15 longer subject to involuntary admission or judicial admission,  
16 the issuance of an order so finding and discharging the  
17 patient, and the recommendation of the Board to the Director  
18 that the registrant be allowed to resume practice.

24 other legally authorized name.

25 (22) Gross overcharging for professional services  
26 including filing statements for collection of fees or

1           moneys for which services are not rendered.

2           (b) The Department shall deny any application for a license  
3           or renewal, without hearing, under this Act to any person who  
4           has defaulted on an educational loan guaranteed by the Illinois  
5           Student Assistance Commission; however, the Department may  
6           issue a license or renewal if the person in default has  
7           established a satisfactory repayment record as determined by  
8           the Illinois Student Assistance Commission.

9           (c) The determination by a circuit court that a licensee is  
10          subject to involuntary admission or judicial admission, as  
11          provided in the Mental Health and Developmental Disabilities  
12          Code, operates as an automatic suspension. The suspension will  
13          terminate only upon a finding by a court that the patient is no  
14          longer subject to involuntary admission or judicial admission  
15          and the issuance of an order so finding and discharging the  
16          patient, and upon the recommendation of the Board to the  
17          Secretary that the licensee be allowed to resume his or her  
18          practice as a licensed marriage and family therapist or an  
19          associate marriage and family therapist.

20          (d) The Department may refuse to issue or may suspend the  
21          license of any person who fails to file a return, pay the tax,  
22          penalty, or interest shown in a filed return or pay any final  
23          assessment of tax, penalty, or interest, as required by any tax  
24          Act administered by the Illinois Department of Revenue, until

26          (e) In enforcing this Section, the Department or Board upon

1 a showing of a possible violation may compel an individual  
2 licensed to practice under this Act, or who has applied for  
3 licensure under this Act, to submit to a mental or physical  
4 examination, or both, as required by and at the expense of the  
5 Department. The Department or Board may order the examining  
6 physician to present testimony concerning the mental or  
7 physical examination of the licensee or applicant. No  
8 information shall be excluded by reason of any common law or  
9 statutory privilege relating to communications between the  
10 licensee or applicant and the examining physician. The  
11 examining physicians shall be specifically designated by the  
12 Board or Department. The individual to be examined may have, at  
13 his or her own expense, another physician of his or her choice  
14 present during all aspects of this examination. Failure of an  
15 individual to submit to a mental or physical examination, when  
16 directed, shall be grounds for suspension of his or her license  
17 until the individual submits to the examination if the  
18 Department finds, after notice and hearing, that the refusal to  
19 submit to the examination was without reasonable cause.

20 If the Department or Board finds an individual unable to  
21 practice because of the reasons set forth in this Section, the  
22 Department or Board may require that individual to submit to  
23 care, counseling, or treatment by physicians approved or  
24 designated by the Department or Board, as a condition, term, or  
25 restriction for continued, reinstated, or renewed licensure to  
26 practice; or, in lieu of care, counseling, or treatment, the

1 Department may file, or the Board may recommend to the  
2 Department to file, a complaint to immediately suspend, revoke,  
3 or otherwise discipline the license of the individual. An  
4 individual whose license was granted, continued, reinstated,  
5 renewed, disciplined or supervised subject to such terms,  
6 conditions, or restrictions, and who fails to comply with such  
7 terms, conditions, or restrictions, shall be referred to the  
8 Secretary for a determination as to whether the individual  
9 shall have his or her license suspended immediately, pending a  
10 hearing by the Department.

11 In instances in which the Secretary immediately suspends a  
12 person's license under this Section, a hearing on that person's  
13 license must be convened by the Department within 30 days after  
14 the suspension and completed without appreciable delay. The  
15 Department and Board shall have the authority to review the  
16 subject individual's record of treatment and counseling  
17 regarding the impairment to the extent permitted by applicable  
18 federal statutes and regulations safeguarding the  
19 confidentiality of medical records.

20 An individual licensed under this Act and affected under  
21 this Section shall be afforded an opportunity to demonstrate to  
22 the Department or Board that he or she can resume practice in  
23 compliance with acceptable and prevailing standards under the  
24 provisions of his or her license.

9 a complaint to immediately suspend, revoke, or otherwise  
10 discipline the license of the individual.

11 Any person whose license was granted, continued,  
12 reinstated, renewed, disciplined, or supervised subject to  
13 such terms, conditions, or restrictions and who fails to comply  
14 with such terms, conditions, or restrictions shall be referred  
15 to the Director for a determination as to whether the person  
16 shall have his or her license suspended immediately, pending a  
17 hearing by the Department.

18 In instances in which the Director immediately suspends a  
19 person's license under this Section, a hearing on that person's  
20 license must be convened by the Department within 15 days after

26 agreement.

1           (32) Making a false or misleading statement regarding a  
2           licensee's skill or the efficacy or value of the medicine,  
3           treatment, or remedy prescribed by him or her in the course  
4           of treatment.

5           (33)        Prescribing,        selling,        administering,  
6           distributing,   giving,   or self-administering a drug  
7           classified as a controlled substance (designated product)  
8           or narcotic for other than medically accepted therapeutic  
9           purposes.

10          (34)   Promotion of the sale of drugs, devices,  
11          appliances, or goods provided for a patient in a manner to  
12          exploit the patient for financial gain.

13          (35)   Violating State or federal laws, rules, or  
14          regulations relating to controlled substances.

15          (36)   Willfully or negligently violating the  
16          confidentiality between an advanced practice nurse,  
17          collaborating physician, dentist, or podiatrist and a  
18          patient, except as required by law.

19          (37)   A violation of any provision of this Act or any  
20          rules promulgated under this Act.

21          (c) The determination by a circuit court that a licensee is  
22          subject to involuntary admission or judicial admission as  
23          provided in the Mental Health and Developmental Disabilities  
24          Code, as amended, operates as an automatic suspension. The  
25          suspension will end only upon a finding by a court that the  
26          patient is no longer subject to involuntary admission or

1 judicial admission and issues an order so finding and  
2 discharging the patient; and upon the recommendation of the  
3 Board to the Secretary that the licensee be allowed to resume  
4 his or her practice.

5 (d) The Department may refuse to issue or may suspend or  
6 otherwise discipline the license of any person who fails to  
7 file a return, or to pay the tax, penalty or interest shown in  
8 a filed return, or to pay any final assessment of the tax,  
9 penalty, or interest as required by any tax Act administered by  
10 the Department of Revenue, until such time as the requirements  
11 of any such tax Act are satisfied.

12 (e) In enforcing this Act, the Department or Board, upon a  
13 showing of a possible violation, may compel an individual  
14 licensed to practice under this Act or who has applied for  
15 licensure under this Act, to submit to a mental or physical  
16 examination, or both, as required by and at the expense of the  
17 Department. The Department or Board may order the examining  
18 physician to present testimony concerning the mental or  
19 physical examination of the licensee or applicant. No  
20 information shall be excluded by reason of any common law or  
21 statutory privilege relating to communications between the  
22 licensee or applicant and the examining physician. The  
23 examining physicians shall be specifically designated by the  
24 Board or Department. The individual to be examined may have, at  
25 his or her own expense, another physician of his or her choice  
26 present during all aspects of this examination. Failure of an

1 individual to submit to a mental or physical examination, when  
2 directed, shall result in an automatic suspension without  
3 hearing.

4 All substance-related violations shall mandate an  
5 automatic substance abuse assessment. Failure to submit to an  
6 assessment by a licensed physician who is certified as an  
7 addictionist or an advanced practice nurse with specialty  
8 certification in addictions may be grounds for an automatic  
9 suspension, as defined by rule.

10 If the Department or Board finds an individual unable to  
11 practice or unfit for duty because of the reasons set forth in  
12 this Section, the Department or Board may require that  
13 individual to submit to a substance abuse evaluation or  
14 treatment by individuals or programs approved or designated by  
15 the Department or Board, as a condition, term, or restriction  
16 for continued, reinstated, or renewed licensure to practice;  
17 or, in lieu of evaluation or treatment, the Department may  
18 file, or the Board may recommend to the Department to file, a  
19 complaint to immediately suspend, revoke, or otherwise  
20 discipline the license of the individual. An individual whose  
21 license was granted, continued, reinstated, renewed,  
22 disciplined or supervised subject to such terms, conditions, or  
23 restrictions, and who fails to comply with such terms,  
24 conditions, or restrictions, shall be referred to the Secretary  
25 for a determination as to whether the individual shall have his  
26 or her license suspended immediately, pending a hearing by the

1 Department.

2 In instances in which the Secretary immediately suspends a  
3 person's license under this Section, a hearing on that person's  
4 license must be convened by the Department within 15 days after  
5 the suspension and completed without appreciable delay. The  
6 Department and Board shall have the authority to review the  
7 subject individual's record of treatment and counseling  
8 regarding the impairment to the extent permitted by applicable  
9 federal statutes and regulations safeguarding the  
10 confidentiality of medical records.

11 An individual licensed under this Act and affected under  
12 this Section shall be afforded an opportunity to demonstrate to  
13 the Department that he or she can resume practice in compliance  
14 with nursing standards under the provisions of his or her  
15 license.

13 contractual or employment arrangements with health care  
14 professionals or providers, such as physicians, physician  
15 practices, hospitals, long-term care facilities, clinics,  
16 or other entities, except as otherwise prohibited by law.  
17 Contractual and employment arrangements with health care

19 (20) Obtaining a fee in money or gift in kind of any  
20 other items of value or in the form of financial profit or  
21 benefit as personal compensation, or as compensation, or  
22 charge, profit or gain for an employer or for any other

24 that a manifestly incurable condition of sickness, disease  
25 or injury to any person can be cured;

26 (21) Accepting commissions or rebates or other forms of

1 remuneration for referring persons to other professionals;

2 (22) Failure to file a return, or to pay the tax,

15 Section 3.1, dentist, podiatrist, or optometrist, or  
16 having failed to notify the physician, advanced practice  
17 nurse, physician assistant, dentist, podiatrist, or  
18 optometrist who established a diagnosis that the patient is  
19 receiving occupational therapy pursuant to that diagnosis.

20 (b) The determination by a circuit court that a license  
21 holder is subject to involuntary admission or judicial  
22 admission as provided in the Mental Health and Developmental  
23 Disabilities Code, as now or hereafter amended, operates as an  
24 automatic suspension. Such suspension will end only upon a  
25 finding by a court that the patient is no longer subject to

1 court so finding and discharging the patient, and the  
2 recommendation of the Board to the Director that the license  
3 holder be allowed to resume his practice.

4 (c) The Department may refuse to issue or take disciplinary  
5 action concerning the license of any person who fails to file a

12 (d) In enforcing this Section, the Board, upon a showing of  
13 a possible violation, may compel a licensee or applicant to  
14 submit to a mental or physical examination, or both, as  
15 required by and at the expense of the Department. The examining  
16 physicians or clinical psychologists shall be those  
17 specifically designated by the Board. The Board or the  
18 Department may order (i) the examining physician to present  
19 testimony concerning the mental or physical examination of a  
20 licensee or applicant or (ii) the examining clinical  
21 psychologist to present testimony concerning the mental  
22 examination of a licensee or applicant. No information shall be  
23 excluded by reason of any common law or statutory privilege  
24 relating to communications between a licensee or applicant and  
25 the examining physician or clinical psychologist. An  
26 individual to be examined may have, at his or her own expense,

1 another physician or clinical psychologist of his or her choice  
2 present during all aspects of the examination. Failure of an  
3 individual to submit to a mental or physical examination, when  
4 directed, is grounds for suspension of his or her license. The  
5 license must remain suspended until the person submits to the  
6 examination or the Board finds, after notice and hearing, that  
7 the refusal to submit to the examination was with reasonable  
8 cause.

9 If the Board finds an individual unable to practice because  
10 of the reasons set forth in this Section, the Board must  
11 require the individual to submit to care, counseling, or  
12 treatment by a physician or clinical psychologist approved by  
13 the Board, as a condition, term, or restriction for continued,  
14 reinstated, or renewed licensure to practice. In lieu of care,  
15 counseling, or treatment, the Board may recommend that the  
16 Department file a complaint to immediately suspend or revoke  
17 the license of the individual or otherwise discipline the  
18 licensee.

19 Any individual whose license was granted, continued,  
20 reinstated, or renewed subject to conditions, terms, or  
21 restrictions, as provided for in this Section, or any  
22 individual who was disciplined or placed on supervision  
23 pursuant to this Section must be referred to the Director for a  
24 determination as to whether the person shall have his or her  
25 license suspended immediately, pending a hearing by the Board.

10 including, but not limited to, the imposition of fines not to  
11 exceed \$10,000 for each violation for one or any combination of

22 practice of the profession.

23           (4) Making a misrepresentation for the purpose of  
24 obtaining a license.

1           (5) A pattern of practice or other behavior that

5           (7) Aiding or assisting another person in violating a  
6 provision of this Act or its rules.

7           (8) Failing to provide information within 60 days in  
8 response to a written request made by the Department.

10 unprofessional conduct or conduct of a character likely to  
11 deceive, defraud, or harm the public.

12           (10) Inability to practice with reasonable judgment,  
13 skill, or safety as a result of habitual or excessive use  
14 or addiction to alcohol, narcotics, stimulants, or any  
15 other chemical agent or drug.

16           (11) Discipline by another state or territory of the  
17 United States, the federal government, or foreign nation,  
18 if at least one of the grounds for the discipline is the  
19 same or substantially equivalent to one set forth in this  
20 Section.

21           (12) Directly or indirectly giving to or receiving from  
22 a person, firm, corporation, partnership, or association a

25 Nothing in this paragraph (12) prohibits contractual or  
26 employment arrangements with health care professionals or

2 hospitals, long-term care facilities, clinics, or other  
3 entities, except as otherwise prohibited by law.  
4 Contractual and employment arrangements with health care  
5 professionals or providers may include arrangements for  
6 compensation, use of space, staff, equipment, health  
7 insurance, pension, or other benefits for the provision of  
8 services within the scope of the licensee's practice under  
9 this Act.

10 (13) A finding by the Board that the licensee or

25 (18) Solicitation of professional services using false  
26 or misleading advertising.

1           (b) In enforcing this Section, the Department or Board upon  
2 a showing of a possible violation, may compel a licensee or  
3 applicant to submit to a mental or physical examination, or  
4 both, as required by and at the expense of the Department. The  
5 Department or Board may order the examining physician to  
6 present testimony concerning the mental or physical  
7 examination of the licensee or applicant. No information shall  
8 be excluded by reason of any common law or statutory privilege  
9 relating to communications between the licensee or applicant  
10 and the examining physician. The examining physicians shall be  
11 specifically designated by the Board or Department. The  
12 individual to be examined may have, at his or her own expense,  
13 another physician of his or her choice present during all  
14 aspects of this examination. Failure of an individual to submit  
15 to a mental or physical examination, when directed, shall be  
16 grounds for the immediate suspension of his or her license  
17 until the individual submits to the examination if the  
18 Department finds that the refusal to submit to the examination  
19 was without reasonable cause as defined by rule.

20           In instances in which the Secretary immediately suspends a

6 subject individual's record of treatment and counseling  
7 regarding the impairment to the extent permitted by applicable  
8 federal statutes and regulations safeguarding the  
9 confidentiality of medical records.

10 An individual licensed under this Act and affected under  
11 this Section shall be afforded an opportunity to demonstrate to  
12 the Department or Board that he or she can resume practice in  
13 compliance with acceptable and prevailing standards under the  
14 provisions of his or her license.

15 (c) The Department shall deny a license or renewal  
16 authorized by this Act to a person who has defaulted on an  
17 educational loan or scholarship provided or guaranteed by the

20 Section 15 of the Department of Professional Regulation Law of  
21 the Civil Administrative Code of Illinois (20 ILCS  
22 2105/2105-15).

23 (d) In cases where the Department of Healthcare and Family  
24 Services (formerly Department of Public Aid) has previously  
25 determined that a licensee or a potential licensee is more than  
26 30 days delinquent in the payment of child support and has

1 subsequently certified the delinquency to the Department, the  
2 Department may refuse to issue or renew or may revoke or  
3 suspend that person's license or may take other disciplinary  
4 action against that person based solely upon the certification  
5 of delinquency made by the Department of Healthcare and Family  
6 Services in accordance with subsection (a) (5) of Section 15 of  
7 the Department of Professional Regulation Law of the Civil  
8 Administrative Code of Illinois (20 ILCS 2105/2105-15).

9 (e) The Department may refuse to issue or renew a license,  
10 or may revoke or suspend a license, for failure to file a  
11 return, to pay the tax, penalty, or interest shown in a filed  
12 return, or to pay any final assessment of tax, penalty, or  
13 interest as required by any tax Act administered by the  
14 Department of Revenue, until such time as the requirements of  
15 the tax Act are satisfied in accordance with subsection (g) of  
16 Section 15 of the Department of Professional Regulation Law of  
17 the Civil Administrative Code of Illinois (20 ILCS  
18 2105/2105-15).

15 Illinois Department of Revenue, until such time as the  
16 requirements of any such tax Act are satisfied.

17 (c) The Department shall revoke the license or certificate

9 (e) The entry of an order or judgment by any circuit court  
10 establishing that any person holding a license or certificate

13 her practice only upon the entry of an order of the Department  
14 based upon a finding by the Board that he or she has been  
15 determined to be recovered from mental illness by the court and  
16 upon the Board's recommendation that the licensee be permitted  
17 to resume his or her practice.

18 (f) The Department shall issue quarterly to the Board a

21 (g) In enforcing this Section, the Board or the Department,

2 combination of licensed physicians, licensed clinical  
3 psychologists, licensed clinical social workers, licensed  
4 clinical professional counselors, and other professional and  
5 administrative staff, shall be those specifically designated  
6 by the Department. The Board or the Department may order the  
7 examining physician or any member of the multidisciplinary team  
8 to present testimony concerning this mental or physical  
9 examination of the licensee or applicant. No information,

11 examination shall be excluded by reason of any common law or  
12 statutory privilege relating to communication between the  
13 licensee or applicant and the examining physician or any member  
14 of the multidisciplinary team. The individual to be examined  
15 may have, at his or her own expense, another physician of his  
16 or her choice present during all aspects of the examination.  
17 Failure of any individual to submit to a mental or physical  
18 examination when directed shall be grounds for suspension of  
19 his or her license until such time as the individual submits to  
20 the examination if the Board finds, after notice and hearing,  
21 that the refusal to submit to the examination was without  
22 reasonable cause. If the Board finds a pharmacist, certified  
23 pharmacy technician, or pharmacy technician unable to practice  
24 because of the reasons set forth in this Section, the Board  
25 shall require such pharmacist, certified pharmacy technician,  
26 or pharmacy technician to submit to care, counseling, or

1 treatment by physicians or other appropriate health care  
2 providers approved or designated by the Board as a condition  
3 for continued, reinstated, or renewed licensure to practice.  
4 Any pharmacist, certified pharmacy technician, or pharmacy  
5 technician whose license was granted, continued, reinstated,  
6 renewed, disciplined, or supervised, subject to such terms,  
7 conditions, or restrictions, and who fails to comply with such  
8 terms, conditions, or restrictions or to complete a required  
9 program of care, counseling, or treatment, as determined by the  
10 chief pharmacy coordinator or a deputy pharmacy coordinator,  
11 shall be referred to the Secretary for a determination as to  
12 whether the licensee shall have his or her license suspended  
13 immediately, pending a hearing by the Board. In instances in  
14 which the Secretary immediately suspends a license under this  
15 subsection (g), a hearing upon such person's license must be  
16 convened by the Board within 15 days after such suspension and  
17 completed without appreciable delay. The Board shall have the  
18 authority to review the subject pharmacist's, certified  
19 pharmacy technician's, or pharmacy technician's record of  
20 treatment and counseling regarding the impairment.

9 Department.

10 In instances in which the Secretary immediately suspends a  
11 person's license under this Section, a hearing on that person's  
12 license must be convened by the Department within 30 days after  
13 the suspension and completed without appreciable delay. The  
14 Department shall have the authority to review the subject

20 this Section shall be afforded an opportunity to demonstrate to  
21 the Department that he or she can resume practice in compliance  
22 with acceptable and prevailing standards under the provisions  
23 of his or her license.

3           (19) The determination by a circuit court that a

5           body, by any health care institution, by a professional  
6           society or association related to practice under this Act,  
7           by a governmental agency, by a law enforcement agency, or  
8           by a court for acts or conduct similar to acts or conduct  
9           that would constitute grounds for action as defined in this  
10          Section.

11          The Department may refuse to issue or may suspend the  
12          license of any person who fails to file a return, or to pay the  
13          tax, penalty or interest shown in a filed return, or to pay any  
14          final assessment of tax, penalty or interest, as required by  
15          any tax Act administered by the Illinois Department of Revenue,  
16          until such time as the requirements of any such tax Act are

19          of Human Services, the Director of Healthcare and Family  
20          Services (formerly Director of Public Aid), or the Director of  
21          Public Health that continuation of practice of a person  
22          licensed under this Act constitutes an immediate danger to the  
23          public, the Secretary may immediately suspend the license of  
24          such person without a hearing. In instances in which the  
25          Secretary immediately suspends a license under this Section, a  
26          hearing upon such person's license must be convened by the

1 Board within 15 days after such suspension and completed  
2 without appreciable delay, such hearing held to determine  
3 whether to recommend to the Secretary that the person's license  
4 be revoked, suspended, placed on probationary status or  
5 reinstated, or such person be subject to other disciplinary  
6 action. In such hearing, the written communication and any  
7 other evidence submitted therewith may be introduced as  
8 evidence against such person; provided, however, the person or  
9 his counsel shall have the opportunity to discredit or impeach  
10 such evidence and submit evidence rebutting the same.

11 Except for fraud in procuring a license, all proceedings to  
12 suspend, revoke, place on probationary status, or take any  
13 other disciplinary action as the Department may deem proper,  
14 with regard to a license on any of the foregoing grounds, must  
15 be commenced within 5 years after receipt by the Department of  
16 a complaint alleging the commission of or notice of the  
17 conviction order for any of the acts described in this Section.  
18 Except for the grounds set forth in items (8), (9), (26), and  
19 (29) of this Section, no action shall be commenced more than 10  
20 years after the date of the incident or act alleged to have  
21 been a violation of this Section. In the event of the  
22 settlement of any claim or cause of action in favor of the  
23 claimant or the reduction to final judgment of any civil action  
24 in favor of the plaintiff, such claim, cause of action, or  
25 civil action being grounded on the allegation that a person  
26 licensed under this Act was negligent in providing care, the

1 Department shall have an additional period of 2 years from the  
2 date of notification to the Department under Section 26 of this  
3 Act of such settlement or final judgment in which to  
4 investigate and commence formal disciplinary proceedings under  
5 Section 24 of this Act, except as otherwise provided by law.  
6 The time during which the holder of the license was outside the  
7 State of Illinois shall not be included within any period of  
8 time limiting the commencement of disciplinary action by the  
9 Department.

10 In enforcing this Section, the Department or Board upon a  
11 showing of a possible violation may compel an individual  
12 licensed to practice under this Act, or who has applied for  
13 licensure under this Act, to submit to a mental or physical  
14 examination, or both, as required by and at the expense of the  
15 Department. The Department or Board may order the examining  
16 physician to present testimony concerning the mental or  
17 physical examination of the licensee or applicant. No  
18 information shall be excluded by reason of any common law or  
19 statutory privilege relating to communications between the  
20 licensee or applicant and the examining physician. The  
21 examining physicians shall be specifically designated by the  
22 Board or Department. The individual to be examined may have, at  
23 his or her own expense, another physician of his or her choice  
24 present during all aspects of this examination. Failure of an  
25 individual to submit to a mental or physical examination, when  
26 directed, shall be grounds for suspension of his or her license

1 until the individual submits to the examination if the  
2 Department finds, after notice and hearing, that the refusal to  
3 submit to the examination was without reasonable cause.

4 If the Department or Board finds an individual unable to  
5 practice because of the reasons set forth in this Section, the  
6 Department or Board may require that individual to submit to  
7 care, counseling, or treatment by physicians approved or  
8 designated by the Department or Board, as a condition, term, or  
9 restriction for continued, reinstated, or renewed licensure to  
10 practice; or, in lieu of care, counseling, or treatment, the  
11 Department may file, or the Board may recommend to the  
12 Department to file, a complaint to immediately suspend, revoke,  
13 or otherwise discipline the license of the individual. An  
14 individual whose license was granted, continued, reinstated,  
15 renewed, disciplined or supervised subject to such terms,  
16 conditions, or restrictions, and who fails to comply with such  
17 terms, conditions, or restrictions, shall be referred to the  
18 Secretary for a determination as to whether the individual  
19 shall have his or her license suspended immediately, pending a  
20 hearing by the Department.

21 In instances in which the Secretary immediately suspends a  
22 person's license under this Section, a hearing on that person's  
23 license must be convened by the Department within 30 days after  
24 the suspension and completed without appreciable delay. The  
25 Department and Board shall have the authority to review the  
26 subject individual's record of treatment and counseling

1 regarding the impairment to the extent permitted by applicable  
2 federal statutes and regulations safeguarding the  
3 confidentiality of medical records.

4 An individual licensed under this Act and affected under  
5 this Section shall be afforded an opportunity to demonstrate to  
6 the Department or Board that he or she can resume practice in  
7 compliance with acceptable and prevailing standards under the  
8 provisions of his or her license.

25 (c) The determination by a court that a licensee is subject

24 another physician or clinical psychologist of his or her choice  
25 present during all aspects of the examination. Failure of an  
26 individual to submit to a mental or physical examination, when

1 directed, is grounds for suspension of his or her license. The  
2 license must remain suspended until the person submits to the  
3 examination or the Board finds, after notice and hearing, that  
4 the refusal to submit to the examination was with reasonable  
5 cause.

6 If the Board finds an individual unable to practice because  
7 of the reasons set forth in this Section, the Board must  
8 require the individual to submit to care, counseling, or  
9 treatment by a physician or clinical psychologist approved by  
10 the Board, as a condition, term, or restriction for continued,

18 (2) The Department shall deny a license or renewal  
19 authorized by this Act to any person who has defaulted on an  
20 educational loan guaranteed by the Illinois State Scholarship  
21 Commission; however, the Department may issue a license or

26 that any person holding a license under this Act is subject to

1 involuntary admission or judicial admission as provided for in  
2 the Mental Health and Developmental Disabilities Code,  
3 operates as an automatic suspension of that license. That  
4 person may have his or her license restored only upon the  
5 determination by a circuit court that the patient is no longer  
6 subject to involuntary admission or judicial admission and the  
7 issuance of an order so finding and discharging the patient,  
8 and upon the Board's recommendation to the Department that the  
9 license be restored. Where the circumstances so indicate, the

19 Act are satisfied.

20 (5) In enforcing this Section, the Board upon a showing of  
21 a possible violation may compel an individual licensed to  
22 practice under this Act, or who has applied for licensure  
23 pursuant to this Act, to submit to a mental or physical  
24 examination, or both, as required by and at the expense of the  
25 Department. The examining physicians or clinical psychologists  
26 shall be those specifically designated by the Board. The

1 individual to be examined may have, at his or her own expense,  
2 another physician or clinical psychologist of his or her choice  
3 present during all aspects of this examination. Failure of any  
4 individual to submit to a mental or physical examination, when  
5 directed, shall be grounds for suspension of his or her license  
6 until the individual submits to the examination if the Board  
7 finds, after notice and hearing, that the refusal to submit to  
8 the examination was without reasonable cause.

9 If the Board finds an individual unable to practice because  
10 of the reasons set forth in this Section, the Board may require  
11 that individual to submit to care, counseling, or treatment by  
12 physicians or clinical psychologists approved or designated by  
13 the Board, as a condition, term, or restriction for continued,  
14 reinstated, or renewed licensure to practice; or, in lieu of  
15 care, counseling, or treatment, the Board may recommend to the  
16 Department to file a complaint to immediately suspend, revoke,  
17 or otherwise discipline the license of the individual. Any  
18 individual whose license was granted, continued, reinstated,  
19 renewed, disciplined or supervised subject to such terms,  
20 conditions, or restrictions, and who fails to comply with such  
21 terms, conditions, or restrictions, shall be referred to the  
22 Secretary for a determination as to whether the individual  
23 shall have his or her license suspended immediately, pending a  
24 hearing by the Board.

25 In instances in which the Secretary immediately suspends a  
26 person's license under this Section, a hearing on that person's

1 license must be convened by the Board within 15 days after the  
2 suspension and completed without appreciable delay. The Board  
3 shall have the authority to review the subject individual's  
4 record of treatment and counseling regarding the impairment to  
5 the extent permitted by applicable federal statutes and  
6 regulations safeguarding the confidentiality of medical  
7 records.

8 An individual licensed under this Act and affected under  
9 this Section shall be afforded an opportunity to demonstrate to  
10 the Board that he or she can resume practice in compliance with  
11 acceptable and prevailing standards under the provisions of his  
12 or her license.

5           Nothing in this paragraph (9) prohibits contractual or

7 as defined in the Abused and Neglected Child Reporting Act.

8 (15) Employment of fraud, deception, or any unlawful

12 to practice.

13 (17) Failure to report to the Department (A) any  
14 adverse final action taken against the licensee by another  
15 licensing jurisdiction, government agency, law enforcement

6 discharging the licensee; and upon the recommendation of the  
7 Board to the Secretary that the licensee be allowed to resume  
8 his or her practice.

9 (d) In enforcing this Section, the Department or Board,  
10 upon a showing of a possible violation, may order a licensee or  
11 applicant to submit to a mental or physical examination, or  
12 both, at the expense of the Department. The Department or Board

16 statutory privilege relating to communications between the  
17 licensee or applicant and the examining physician. The  
18 examining physicians shall be specifically designated by the  
19 Board or Department. The licensee or applicant may have, at his

24 grounds for either the immediate suspension of his or her  
25 license or immediate denial of his or her application.

26 If the Secretary immediately suspends the license of a

1 licensee for his or her failure to submit to a mental or  
2 physical examination when directed, a hearing must be convened  
3 by the Department within 15 days after the suspension and  
4 completed without appreciable delay.

5 If the Secretary otherwise suspends a license pursuant to  
6 the results of the licensee's mental or physical examination, a  
7 hearing must be convened by the Department within 15 days after  
8 the suspension and completed without appreciable delay. The  
9 Department and Board shall have the authority to review the  
10 licensee's record of treatment and counseling regarding the  
11 relevant impairment or impairments to the extent permitted by  
12 applicable federal statutes and regulations safeguarding the  
13 confidentiality of medical records.

14 Any licensee suspended or otherwise affected under this  
15 subsection (d) shall be afforded an opportunity to demonstrate  
16 to the Department or Board that he or she can resume practice  
17 in compliance with the acceptable and prevailing standards

21 In instances in which the Director immediately suspends a  
22 person's license under this Section, a hearing on that person's  
23 license must be convened by the Department within 15 days after

25 Department shall have the authority to review the subject  
26 person's record of treatment and counseling regarding the

1 impairment, to the extent permitted by applicable federal  
2 statutes and regulations safeguarding the confidentiality of  
3 medical records.

4 A person licensed under this Act and affected under this  
5 Section shall be afforded an opportunity to demonstrate to the  
6 Department that he or she can resume practice in compliance
