1 AMENDMENT TO SENATE BILL 43

2 AMENDMENT NO. _____. Amend Senate Bill 43, AS AMENDED, by
3 replacing the underscored language in the definition of "public
4 works" in Sec. 2 of Section 5 with the following:

5 ". Public works" also includes (1) all projects located in an
6 enterprise zone as defined in the Illinois Enterprise Zone Act,
7 excepting projects performed by a business enterprise located
8 in an enterprise zone where that business enterprise existed
9 prior to the adoption of an initiating ordinance pursuant to
10 subsection (a) of Section 5 of the Illinois Enterprise Zone
11 Act, or projects located in an economic development project
12 area as defined in the Economic Development Project Area Tax
13 Increment Allocation Act of 1995, excepting projects performed
14 by a business enterprise located in an economic development
15 project area where that business enterprise existed prior to a
16 municipality initiating an economic development plan as
17 defined in the Economic Development Project Area Tax Increment
18 Allocation Act of 1995, or (2) regardless of the exceptions

1 contained in clause (1), any project that will derive a
2 financial benefit, in whole or in part, from loans, grants,
3 subsidies, incentives, or other financial benefit made
4 available pursuant to the Illinois Enterprise Zone Act or the
5 Economic Development Project Area. Provided however, "Public
6 works" shall not include projects at an owner-occupied single
7 family residence, excepting single-family tract housing, or at
8 an owner-occupied multi-family residence with 6 or fewer units
9 located in an enterprise zone or an economic development
10 project area".
