

1 AN ACT concerning education.

2 WHEREAS, The new superintendent mentoring program is
3 intended to exist as a statewide program in which a statewide
4 organization, selected by the State Board of Education, offers
5 mentoring programs aligned with standards and criteria of the
6 new superintendent mentoring program; and

7 WHEREAS, Mentors must complete mentoring training offered
8 by the provider selected by the State Board of Education and
9 work with the new superintendents to identify areas for
10 professional growth that will assist the superintendent when
11 making Illinois Administrators' Academy and professional
12 development choices, allowing the new superintendents, with
13 the approval of their mentors, to select any appropriate
14 Illinois Administrators' Academy courses even though it might
15 be a duplication of an Illinois Professional School Leader
16 Standard; therefore

17 **Be it enacted by the People of the State of Illinois,**
18 **represented in the General Assembly:**

19 Section 5. The School Code is amended by adding Section
20 2-3.53b and by changing Section 10-20.20 as follows:

21 (105 ILCS 5/2-3.53b new)

1 Sec. 2-3.53b. New superintendent mentoring program.

2 (a) Beginning on July 1, 2009 and subject to an annual
3 appropriation by the General Assembly, to establish a new
4 superintendent mentoring program for new superintendents. Any
5 individual who begins serving as a superintendent in this State
6 on or after July 1, 2009 and has not previously served as a
7 school district superintendent in this State shall participate
8 in the new superintendent mentoring program for the duration of
9 his or her first 2 school years as a superintendent and must
10 complete the program in accordance with the requirements
11 established by the State Board of Education by rule. The new
12 superintendent mentoring program shall match an experienced
13 superintendent who meets the requirements of subsection (b) of
14 this Section with each new superintendent in his or her first 2
15 school years in that position in order to assist the new
16 superintendent in the development of his or her professional
17 growth and to provide guidance during the new superintendent's
18 first 2 school years of service.

19 (b) Any individual who has actively served as a school
20 district superintendent in this State for 3 or more years and
21 who has demonstrated success as an instructional leader, as
22 determined by the State Board of Education by rule, is eligible
23 to apply to be a mentor under the new superintendent mentoring
24 program. Mentors shall complete mentoring training through a
25 provider selected by the State Board of Education and shall
26 meet any other requirements set forth by the State Board and by

1 the school district employing the mentor.

2 (c) Under the new superintendent mentoring program, a
3 provider selected by the State Board of Education shall assign
4 a mentor to a new superintendent based on (i) similarity of
5 grade level or type of school district, (ii) learning needs of
6 the new superintendent, and (iii) geographical proximity of the
7 mentor to the new superintendent. The new superintendent, in
8 collaboration with the mentor, shall identify areas for
9 improvement of the new superintendent's professional growth,
10 including, but not limited to, each of the following:

11 (1) Analyzing data and applying it to practice.

12 (2) Aligning professional development and
13 instructional programs.

14 (3) Building a professional learning community.

15 (4) Effective school board relations.

16 (5) Facilitating effective meetings.

17 (6) Developing distributive leadership practices.

18 (7) Facilitating organizational change.

19 The mentor must not be required to provide an evaluation of
20 the new superintendent on the basis of the mentoring
21 relationship.

22 (d) From January 1, 2010 until May 15, 2010 and from
23 January 1 until May 15 each year thereafter, each mentor and
24 each new superintendent shall complete a survey of progress of
25 the new superintendent on a form developed by the school
26 district. On or before September 1, 2010 and on or before

1 September 1 of each year thereafter, the provider selected by
2 the State Board of Education shall submit a detailed annual
3 report to the State Board of how the appropriation for the new
4 superintendent mentoring program was spent, details on each
5 mentor-mentee relationship, and a qualitative evaluation of
6 the outcomes. The provider shall develop a verification form
7 that each new superintendent and his or her mentor must
8 complete and submit to the provider to certify completion of
9 each year of the new superintendent mentoring program by July
10 15 immediately following the school year just completed.

11 (e) The requirements of this Section do not apply to any
12 individual who has previously served as an assistant
13 superintendent in a school district in this State acting under
14 an administrative certificate for 5 or more years and who, on
15 or after July 1, 2009, begins serving as a superintendent in
16 the school district where he or she had served as an assistant
17 superintendent immediately prior to being named
18 superintendent, although such an individual may choose to
19 participate in the new superintendent mentoring program or may
20 be required to participate by the school district. The
21 requirements of this Section do not apply to any superintendent
22 or chief executive officer of a school district organized under
23 Article 34 of this Code.

24 (f) The State Board may adopt any rules that are necessary
25 for the implementation of this Section.
