21 conviction based on actual innocence, or of the granting of a
22 pardon pursuant to Section 12 of Article V of the Illinois
23 Constitution, if that pardon document specifically states that
24 the reason for the pardon is the actual innocence of an
25 individual whose DNA record has been stored in the State or
26 national DNA identification index in accordance with this

1 Section by the Illinois Department of State Police, the DNA
2 record shall be expunged from the DNA identification index, and
3 the Department shall by rule prescribe procedures to ensure
4 that the record and any samples, analyses, or other documents
5 relating to such record, whether in the possession of the
6 Department or any law enforcement or police agency, or any
7 forensic DNA laboratory, including any duplicates or copies
8 thereof, are destroyed and a letter is sent to the court
9 verifying the expungement is completed.

10 (f-5) Any person who intentionally uses genetic marker
11 grouping analysis information, or any other information
12 derived from a DNA sample, beyond the authorized uses as
13 provided under this Section, or any other Illinois law, is

21 Section insofar as applicable, as the Illinois Department of
22 State Police, and to any additional restrictions imposed by the
23 Illinois Department of State Police.

24 (g) For the purposes of this Section, "qualifying offense"
25 means any of the following:

26 (1) any violation or inchoate violation of Section

1 11-6, 11-9.1, 11-11, 11-18.1, 12-15, or 12-16 of the
2 Criminal Code of 1961;

11 12-7.3, or 12-7.4 of the Criminal Code of 1961; or

12 (5) any violation or inchoate violation of Article 29D
13 of the Criminal Code of 1961.

14 (g-5) (Blank).

15 (h) The Illinois Department of State Police shall be the
16 State central repository for all genetic marker grouping
17 analysis information obtained pursuant to this Act. The
18 Illinois Department of State Police may promulgate rules for
19 the form and manner of the collection of blood, saliva, or
20 tissue samples and other procedures for the operation of this
21 Act. The provisions of the Administrative Review Law shall
22 apply to all actions taken under the rules so promulgated.

23 (i) (1) A person required to provide a blood, saliva, or
24 tissue specimen shall cooperate with the collection of the
25 specimen and any deliberate act by that person intended to
26 impede, delay or stop the collection of the blood, saliva,

1 or tissue specimen is a Class A misdemeanor.

2 (2) In the event that a person's DNA sample is not
3 adequate for any reason, the person shall provide another
4 DNA sample for analysis. Duly authorized law enforcement
5 and corrections personnel may employ reasonable force in
6 cases in which an individual refuses to provide a DNA
7 sample required under this Act.

8 (j) Any person required by subsection (a) to submit
9 specimens of blood, saliva, or tissue to the Illinois
10 Department of State Police for analysis and categorization into
11 genetic marker grouping, in addition to any other disposition,
12 penalty, or fine imposed, shall pay an analysis fee of \$200. If
13 the analysis fee is not paid at the time of sentencing, the
14 court shall establish a fee schedule by which the entire amount
15 of the analysis fee shall be paid in full, such schedule not to
16 exceed 24 months from the time of conviction. The inability to
17 pay this analysis fee shall not be the sole ground to
18 incarcerate the person.

19 (k) All analysis and categorization fees provided for by
20 subsection (j) shall be regulated as follows:

21 (1) The State Offender DNA Identification System Fund
22 is hereby created as a special fund in the State Treasury.

23 (2) All fees shall be collected by the clerk of the
24 court and forwarded to the State Offender DNA
25 Identification System Fund for deposit. The clerk of the
26 circuit court may retain the amount of \$10 from each

1 collected analysis fee to offset administrative costs
2 incurred in carrying out the clerk's responsibilities
3 under this Section.

4 (3) Fees deposited into the State Offender DNA
5 Identification System Fund shall be used by Illinois State
6 Police crime laboratories as designated by the Director of
7 State Police. These funds shall be in addition to any
8 allocations made pursuant to existing laws and shall be
9 designated for the exclusive use of State crime
10 laboratories. These uses may include, but are not limited
11 to, the following:

12 (A) Costs incurred in providing analysis and
13 genetic marker categorization as required by
14 subsection (d).

16 groupings as required by subsection (e).

17 (C) Costs incurred in the purchase and maintenance
18 of equipment for use in performing analyses.

20 development of new techniques for analysis and genetic
21 marker categorization.

22 (E) Costs incurred in continuing education,
23 training, and professional development of forensic
24 scientists regularly employed by these laboratories.

25 (1) The failure of a person to provide a specimen, or of
26 any person or agency to collect a specimen, within the 45 day

1 period shall in no way alter the obligation of the person to
2 submit such specimen, or the authority of the Illinois
3 Department of State Police or persons designated by the
4 Department to collect the specimen, or the authority of the
5 Illinois Department of State Police to accept, analyze and
6 maintain the specimen or to maintain or upload results of
7 genetic marker grouping analysis information into a State or
8 national database.

9 (m) If any provision of this amendatory Act of the 93rd
10 General Assembly is held unconstitutional or otherwise
11 invalid, the remainder of this amendatory Act of the 93rd
12 General Assembly is not affected.
