4 Section 5. The Capital Development Board Act is amended by
5 adding Section 18 as follows:

6 (20 ILCS 3105/18 new)

7 Sec. 18. Study; building energy labels.

8 (a) On and after the effective date of this amendatory Act
9 of the 96th General Assembly, the Board, in consultation with
10 the Department of Commerce and Economic Opportunity, shall
11 initiate a study of building energy performance measures for
12 the purposes of identifying a simple and easily understood
13 label for a building or facility that indicates its energy use.

14 (b) The Board shall identify no less than 10 buildings to
15 serve as case studies for measuring, reporting, and comparing
16 the energy consumption using widely recognized and accepted
17 indicators such as British Thermal Units per square foot.
18 Consideration shall be given for a variety of representative
19 building types in different geographic regions of the State to
20 provide additional information and data.

21 (c) The Board shall report its findings and recommendations
22 to the General Assembly following the completion of the case
23 study projects.

1 Section 99. Effective date. This Act takes effect upon
2 becoming law.
