4 Section 5. The Counties Code is amended by adding Section
5 5-1005.2 as follows:

6 (55 ILCS 5/5-1005.2 new)

7 Sec. 5-1005.2. Appointed county position; database.

8 (a) For the purposes of this Section, "appointed county
9 position" means a position on a board or commission authorized
10 or created by State law or county ordinance or resolution to
11 which the county board, one or more members of the county
12 board, the county board chairperson, or any combination of
13 those persons or entities, has the authority to make the
14 appointment.

15 (b) A county board must create a uniform application
16 process for all appointed county positions. A person seeking
17 appointment or reappointment to an appointed county position
18 must submit to the county the uniform application created by
19 the county board pursuant to this subsection (b).

20 (c) Within 90 days after the effective date of this
21 amendatory Act of the 96th General Assembly, a county that
22 maintains an Internet website must create and maintain on that
23 website a centralized, searchable database, freely accessible

1 to the public, of information concerning appointed county
2 positions. The database must be easily accessible from the
3 county's home page and searchable.

4 The database must include, at a minimum:

5 (1) The qualifications for, and the powers, duties, and
6 responsibilities of, each appointed county position.

7 (2) The name and term of each current member serving in
8 an appointed county position and previous terms served by
9 that person in that or any other appointed county position.

10 (3) Each current vacancy in an appointed county
11 position.

12 (4) Information as to how a person may apply for an
13 appointed county position including without limitation a
14 downloadable version of the application form.

15 (d) If a county does not maintain an Internet website, then
16 the county must, within 90 days after the effective date of
17 this amendatory Act of the 96th General Assembly, and at least
18 once every year thereafter, publish the information required in
19 subsection (c) in a newspaper of general circulation within the
20 county. The county must also make available to the public a
21 copy of the information at the county clerk's office.

22 (e) Nothing in this Section shall impair the ability of a
23 person serving in an appointed county position on the effective
24 date of this amendatory Act of the 96th General Assembly to
25 complete his or her current term of office.

26 (f) If a county fails to comply with this Section, then any

1 citizen who is a resident of the county may file suit in the
2 circuit court in which the county is located. The citizen may
3 bring a mandamus or injunction action to compel the county to
4 comply with the requirements set forth in this Section. The
5 court may impose any penalty or other sanction as it deems
6 appropriate. The court, in its discretion, may also award to
7 the citizen bringing the action reasonable attorneys' fees and
8 costs.

9 (g) No unit of local government may adopt application
10 procedures or posting or publication requirements that are
11 inconsistent with this Section. This Section is a limitation
12 under subsection (i) of Section 6 of Article VII of the
13 Illinois Constitution on the concurrent exercise by home rule
14 units of powers and functions exercised by the State.

15 Section 90. The State Mandates Act is amended by adding
16 Section 8.35 as follows:

17 (30 ILCS 805/8.35 new)

18 Sec. 8.35. Exempt mandate. Notwithstanding Sections 6 and 8
19 of this Act, no reimbursement by the State is required for the
20 implementation of any mandate created by this amendatory Act of
21 the 96th General Assembly.

22 Section 99. Effective date. This Act takes effect upon
23 becoming law.
