4 Section 1. Short title. This Act may be cited as the Green

7 words shall have the meanings ascribed to them below, unless
8 the context otherwise requires:

10 biomass that is intended for use in diesel engines.

11 "Department" means the Department of Commerce and Economic
12 Opportunity.

13 "Ethanol" means a product produced from agricultural
14 commodities or by-products used as a fuel or to be blended with
15 other fuels for use in motor vehicles.

10 industrial lunchroom or office waste; landscape waste (other
11 than trees and tree trimmings); railroad crossties; utility

17 Act.

20 and expansion of the private sector through green energy
21 projects, the Department may receive and approve applications

14 designation if, within the Department's discretion, the
15 participating business fails to comply with the terms and
16 conditions of the designation.

17 Section 15. Project labor agreements

18 (a) Each business designated as a Green Energy Business by

22 organization employee; (ii) the benefits and other
23 compensation for each class of labor organization employee; and
24 (iii) that no strike or disputes will be engaged in by the

21 provisions of Section 201.5.

22 (c) Personal Property Tax Replacement Income Tax.
23 Beginning on July 1, 1979 and thereafter, in addition to such
24 income tax, there is also hereby imposed the Personal Property
25 Tax Replacement Income Tax measured by net income on every
26 corporation (including Subchapter S corporations), partnership

1 and trust, for each taxable year ending after June 30, 1979.
2 Such taxes are imposed on the privilege of earning or receiving
3 income in or as a resident of this State. The Personal Property
4 Tax Replacement Income Tax shall be in addition to the income
5 tax imposed by subsections (a) and (b) of this Section and in
6 addition to all other occupation or privilege taxes imposed by
7 this State or by any municipal corporation or political
8 subdivision thereof.

9 (d) Additional Personal Property Tax Replacement Income
10 Tax Rates. The personal property tax replacement income tax
11 imposed by this subsection and subsection (c) of this Section
12 in the case of a corporation, other than a Subchapter S
13 corporation and except as adjusted by subsection (d-1), shall
14 be an additional amount equal to 2.85% of such taxpayer's net
15 income for the taxable year, except that beginning on January
16 1, 1981, and thereafter, the rate of 2.85% specified in this
17 subsection shall be reduced to 2.5%, and in the case of a
18 partnership, trust or a Subchapter S corporation shall be an
19 additional amount equal to 1.5% of such taxpayer's net income
20 for the taxable year.

21 (d-1) Rate reduction for certain foreign insurers. In the
22 case of a foreign insurer, as defined by Section 35A-5 of the
23 Illinois Insurance Code, whose state or country of domicile
24 imposes on insurers domiciled in Illinois a retaliatory tax
25 (excluding any insurer whose premiums from reinsurance assumed
26 are 50% or more of its total insurance premiums as determined

1 under paragraph (2) of subsection (b) of Section 304, except
2 that for purposes of this determination premiums from
3 reinsurance do not include premiums from inter-affiliate
4 reinsurance arrangements), beginning with taxable years ending
5 on or after December 31, 1999, the sum of the rates of tax
6 imposed by subsections (b) and (d) shall be reduced (but not
7 increased) to the rate at which the total amount of tax imposed
8 under this Act, net of all credits allowed under this Act,
9 shall equal (i) the total amount of tax that would be imposed
10 on the foreign insurer's net income allocable to Illinois for
11 the taxable year by such foreign insurer's state or country of
12 domicile if that net income were subject to all income taxes
13 and taxes measured by net income imposed by such foreign
14 insurer's state or country of domicile, net of all credits
15 allowed or (ii) a rate of zero if no such tax is imposed on such
16 income by the foreign insurer's state of domicile. For the
17 purposes of this subsection (d-1), an inter-affiliate includes
18 a mutual insurer under common management.

19 (1) For the purposes of subsection (d-1), in no event
20 shall the sum of the rates of tax imposed by subsections
21 (b) and (d) be reduced below the rate at which the sum of:

22 (A) the total amount of tax imposed on such foreign
23 insurer under this Act for a taxable year, net of all
24 credits allowed under this Act, plus

25 (B) the privilege tax imposed by Section 409 of the
26 Illinois Insurance Code, the fire insurance company

1 tax imposed by Section 12 of the Fire Investigation
2 Act, and the fire department taxes imposed under
3 Section 11-10-1 of the Illinois Municipal Code,
4 equals 1.25% for taxable years ending prior to December 31,
5 2003, or 1.75% for taxable years ending on or after
6 December 31, 2003, of the net taxable premiums written for
7 the taxable year, as described by subsection (1) of Section
8 409 of the Illinois Insurance Code. This paragraph will in
9 no event increase the rates imposed under subsections (b)
10 and (d).

11 (2) Any reduction in the rates of tax imposed by this
12 subsection shall be applied first against the rates imposed
13 by subsection (b) and only after the tax imposed by
14 subsection (a) net of all credits allowed under this
15 Section other than the credit allowed under subsection (i)
16 has been reduced to zero, against the rates imposed by
17 subsection (d).

18 This subsection (d-1) is exempt from the provisions of
19 Section 250.

20 (e) Investment credit. A taxpayer shall be allowed a credit
21 against the Personal Property Tax Replacement Income Tax for
22 investment in qualified property.

23 (1) A taxpayer shall be allowed a credit equal to .5%
24 of the basis of qualified property placed in service during
25 the taxable year, provided such property is placed in
26 service on or after July 1, 1984. There shall be allowed an

1 additional credit equal to .5% of the basis of qualified
2 property placed in service during the taxable year,
3 provided such property is placed in service on or after
4 July 1, 1986, and the taxpayer's base employment within
5 Illinois has increased by 1% or more over the preceding
6 year as determined by the taxpayer's employment records
7 filed with the Illinois Department of Employment Security.
8 Taxpayers who are new to Illinois shall be deemed to have
9 met the 1% growth in base employment for the first year in
10 which they file employment records with the Illinois
11 Department of Employment Security. The provisions added to
12 this Section by Public Act 85-1200 (and restored by Public
13 Act 87-895) shall be construed as declaratory of existing
14 law and not as a new enactment. If, in any year, the
15 increase in base employment within Illinois over the
16 preceding year is less than 1%, the additional credit shall
17 be limited to that percentage times a fraction, the
18 numerator of which is .5% and the denominator of which is
19 1%, but shall not exceed .5%. The investment credit shall
20 not be allowed to the extent that it would reduce a
21 taxpayer's liability in any tax year below zero, nor may
22 any credit for qualified property be allowed for any year
23 other than the year in which the property was placed in
24 service in Illinois. For tax years ending on or after
25 December 31, 1987, and on or before December 31, 1988, the
26 credit shall be allowed for the tax year in which the

1 property is placed in service, or, if the amount of the
2 credit exceeds the tax liability for that year, whether it
3 exceeds the original liability or the liability as later
4 amended, such excess may be carried forward and applied to
5 the tax liability of the 5 taxable years following the
6 excess credit years if the taxpayer (i) makes investments
7 which cause the creation of a minimum of 2,000 full-time
8 equivalent jobs in Illinois, (ii) is located in an
9 enterprise zone established pursuant to the Illinois
10 Enterprise Zone Act and (iii) is certified by the
11 Department of Commerce and Community Affairs (now
12 Department of Commerce and Economic Opportunity) as
13 complying with the requirements specified in clause (i) and
14 (ii) by July 1, 1986. The Department of Commerce and
15 Community Affairs (now Department of Commerce and Economic
16 Opportunity) shall notify the Department of Revenue of all
17 such certifications immediately. For tax years ending
18 after December 31, 1988, the credit shall be allowed for
19 the tax year in which the property is placed in service,
20 or, if the amount of the credit exceeds the tax liability
21 for that year, whether it exceeds the original liability or
22 the liability as later amended, such excess may be carried
23 forward and applied to the tax liability of the 5 taxable
24 years following the excess credit years. The credit shall
25 be applied to the earliest year for which there is a
26 liability. If there is credit from more than one tax year

1 that is available to offset a liability, earlier credit
2 shall be applied first.

3 (2) The term "qualified property" means property
4 which:

5 (A) is tangible, whether new or used, including
6 buildings and structural components of buildings and
7 signs that are real property, but not including land or
8 improvements to real property that are not a structural
9 component of a building such as landscaping, sewer
10 lines, local access roads, fencing, parking lots, and
11 other appurtenances;

12 (B) is depreciable pursuant to Section 167 of the
13 Internal Revenue Code, except that "3-year property"
14 as defined in Section 168(c)(2)(A) of that Code is not
15 eligible for the credit provided by this subsection
16 (e);

17 (C) is acquired by purchase as defined in Section
18 179(d) of the Internal Revenue Code;

19 (D) is used in Illinois by a taxpayer who is
20 primarily engaged in manufacturing, or in mining coal
21 or fluorite, or in retailing, or was placed in service
22 on or after July 1, 2006 in a River Edge Redevelopment
23 Zone established pursuant to the River Edge
24 Redevelopment Zone Act; and

25 (E) has not previously been used in Illinois in
26 such a manner and by such a person as would qualify for

1 the credit provided by this subsection (e) or
2 subsection (f).

3 (3) For purposes of this subsection (e),
4 "manufacturing" means the material staging and production
5 of tangible personal property by procedures commonly
6 regarded as manufacturing, processing, fabrication, or
7 assembling which changes some existing material into new
8 shapes, new qualities, or new combinations. For purposes of
9 this subsection (e) the term "mining" shall have the same
10 meaning as the term "mining" in Section 613(c) of the
11 Internal Revenue Code. For purposes of this subsection (e),
12 the term "retailing" means the sale of tangible personal
13 property for use or consumption and not for resale, or
14 services rendered in conjunction with the sale of tangible
15 personal property for use or consumption and not for
16 resale. For purposes of this subsection (e), "tangible
17 personal property" has the same meaning as when that term
18 is used in the Retailers' Occupation Tax Act, and, for
19 taxable years ending after December 31, 2008, does not
20 include the generation, transmission, or distribution of
21 electricity.

22 (4) The basis of qualified property shall be the basis
23 used to compute the depreciation deduction for federal
24 income tax purposes.

25 (5) If the basis of the property for federal income tax
26 depreciation purposes is increased after it has been placed

1 in service in Illinois by the taxpayer, the amount of such
2 increase shall be deemed property placed in service on the
3 date of such increase in basis.

4 (6) The term "placed in service" shall have the same
5 meaning as under Section 46 of the Internal Revenue Code.

6 (7) If during any taxable year, any property ceases to
7 be qualified property in the hands of the taxpayer within
8 48 months after being placed in service, or the situs of
9 any qualified property is moved outside Illinois within 48
10 months after being placed in service, the Personal Property
11 Tax Replacement Income Tax for such taxable year shall be
12 increased. Such increase shall be determined by (i)
13 recomputing the investment credit which would have been
14 allowed for the year in which credit for such property was
15 originally allowed by eliminating such property from such
16 computation and, (ii) subtracting such recomputed credit
17 from the amount of credit previously allowed. For the
18 purposes of this paragraph (7), a reduction of the basis of
19 qualified property resulting from a redetermination of the
20 purchase price shall be deemed a disposition of qualified
21 property to the extent of such reduction.

22 (8) Unless the investment credit is extended by law,
23 the basis of qualified property shall not include costs
24 incurred after December 31, 2013, except for costs incurred
25 pursuant to a binding contract entered into on or before
26 December 31, 2013.

1 (9) Each taxable year ending before December 31, 2000,
2 a partnership may elect to pass through to its partners the
3 credits to which the partnership is entitled under this
4 subsection (e) for the taxable year. A partner may use the
5 credit allocated to him or her under this paragraph only
6 against the tax imposed in subsections (c) and (d) of this
7 Section. If the partnership makes that election, those
8 credits shall be allocated among the partners in the
9 partnership in accordance with the rules set forth in
10 Section 704(b) of the Internal Revenue Code, and the rules
11 promulgated under that Section, and the allocated amount of
12 the credits shall be allowed to the partners for that
13 taxable year. The partnership shall make this election on
14 its Personal Property Tax Replacement Income Tax return for
15 that taxable year. The election to pass through the credits
16 shall be irrevocable.

17 For taxable years ending on or after December 31, 2000,
18 a partner that qualifies its partnership for a subtraction
19 under subparagraph (I) of paragraph (2) of subsection (d)
20 of Section 203 or a shareholder that qualifies a Subchapter
21 S corporation for a subtraction under subparagraph (S) of
22 paragraph (2) of subsection (b) of Section 203 shall be
23 allowed a credit under this subsection (e) equal to its
24 share of the credit earned under this subsection (e) during
25 the taxable year by the partnership or Subchapter S
26 corporation, determined in accordance with the

1 determination of income and distributive share of income
2 under Sections 702 and 704 and Subchapter S of the Internal
3 Revenue Code. This paragraph is exempt from the provisions
4 of Section 250.

5 (f) Investment credit; Enterprise Zone; River Edge
6 Redevelopment Zone.

7 (1) A taxpayer shall be allowed a credit against the
8 tax imposed by subsections (a) and (b) of this Section for
9 investment in qualified property which is placed in service
10 in an Enterprise Zone created pursuant to the Illinois
11 Enterprise Zone Act or, for property placed in service on
12 or after July 1, 2006, a River Edge Redevelopment Zone
13 established pursuant to the River Edge Redevelopment Zone
14 Act. For partners, shareholders of Subchapter S
15 corporations, and owners of limited liability companies,
16 if the liability company is treated as a partnership for
17 purposes of federal and State income taxation, there shall
18 be allowed a credit under this subsection (f) to be
19 determined in accordance with the determination of income
20 and distributive share of income under Sections 702 and 704
21 and Subchapter S of the Internal Revenue Code. The credit
22 shall be .5% of the basis for such property. The credit
23 shall be available only in the taxable year in which the
24 property is placed in service in the Enterprise Zone or
25 River Edge Redevelopment Zone and shall not be allowed to
26 the extent that it would reduce a taxpayer's liability for

1 the tax imposed by subsections (a) and (b) of this Section
2 to below zero. For tax years ending on or after December
3 31, 1985, the credit shall be allowed for the tax year in
4 which the property is placed in service, or, if the amount
5 of the credit exceeds the tax liability for that year,
6 whether it exceeds the original liability or the liability
7 as later amended, such excess may be carried forward and
8 applied to the tax liability of the 5 taxable years
9 following the excess credit year. The credit shall be
10 applied to the earliest year for which there is a
11 liability. If there is credit from more than one tax year
12 that is available to offset a liability, the credit
13 accruing first in time shall be applied first.

14 (2) The term qualified property means property which:

15 (A) is tangible, whether new or used, including
16 buildings and structural components of buildings;

17 (B) is depreciable pursuant to Section 167 of the
18 Internal Revenue Code, except that "3-year property"
19 as defined in Section 168(c)(2)(A) of that Code is not
20 eligible for the credit provided by this subsection
21 (f);

22 (C) is acquired by purchase as defined in Section
23 179(d) of the Internal Revenue Code;

24 (D) is used in the Enterprise Zone or River Edge
25 Redevelopment Zone by the taxpayer; and

26 (E) has not been previously used in Illinois in

1 such a manner and by such a person as would qualify for
2 the credit provided by this subsection (f) or
3 subsection (e).

4 (3) The basis of qualified property shall be the basis
5 used to compute the depreciation deduction for federal
6 income tax purposes.

7 (4) If the basis of the property for federal income tax
8 depreciation purposes is increased after it has been placed
9 in service in the Enterprise Zone or River Edge
10 Redevelopment Zone by the taxpayer, the amount of such
11 increase shall be deemed property placed in service on the
12 date of such increase in basis.

13 (5) The term "placed in service" shall have the same
14 meaning as under Section 46 of the Internal Revenue Code.

15 (6) If during any taxable year, any property ceases to
16 be qualified property in the hands of the taxpayer within
17 48 months after being placed in service, or the situs of
18 any qualified property is moved outside the Enterprise Zone
19 or River Edge Redevelopment Zone within 48 months after
20 being placed in service, the tax imposed under subsections
21 (a) and (b) of this Section for such taxable year shall be
22 increased. Such increase shall be determined by (i)
23 recomputing the investment credit which would have been
24 allowed for the year in which credit for such property was
25 originally allowed by eliminating such property from such
26 computation, and (ii) subtracting such recomputed credit

1 from the amount of credit previously allowed. For the
2 purposes of this paragraph (6), a reduction of the basis of
3 qualified property resulting from a redetermination of the
4 purchase price shall be deemed a disposition of qualified
5 property to the extent of such reduction.

6 (7) There shall be allowed an additional credit equal
7 to 0.5% of the basis of qualified property placed in
8 service during the taxable year in a River Edge
9 Redevelopment Zone, provided such property is placed in
10 service on or after July 1, 2006, and the taxpayer's base
11 employment within Illinois has increased by 1% or more over
12 the preceding year as determined by the taxpayer's
13 employment records filed with the Illinois Department of
14 Employment Security. Taxpayers who are new to Illinois
15 shall be deemed to have met the 1% growth in base
16 employment for the first year in which they file employment
17 records with the Illinois Department of Employment
18 Security. If, in any year, the increase in base employment
19 within Illinois over the preceding year is less than 1%,
20 the additional credit shall be limited to that percentage
21 times a fraction, the numerator of which is 0.5% and the
22 denominator of which is 1%, but shall not exceed 0.5%.

23 (g) Jobs Tax Credit; Enterprise Zone, River Edge
24 Redevelopment Zone, and Foreign Trade Zone or Sub-Zone.

25 (1) A taxpayer conducting a trade or business in an
26 enterprise zone or a High Impact Business designated by the

1 Department of Commerce and Economic Opportunity or for
2 taxable years ending on or after December 31, 2006, in a
3 River Edge Redevelopment Zone conducting a trade or
4 business in a federally designated Foreign Trade Zone or
5 Sub-Zone shall be allowed a credit against the tax imposed
6 by subsections (a) and (b) of this Section in the amount of
7 \$500 per eligible employee hired to work in the zone during
8 the taxable year.

9 (2) To qualify for the credit:

10 (A) the taxpayer must hire 5 or more eligible
11 employees to work in an enterprise zone, River Edge
12 Redevelopment Zone, or federally designated Foreign
13 Trade Zone or Sub-Zone during the taxable year;

14 (B) the taxpayer's total employment within the
15 enterprise zone, River Edge Redevelopment Zone, or
16 federally designated Foreign Trade Zone or Sub-Zone
17 must increase by 5 or more full-time employees beyond
18 the total employed in that zone at the end of the
19 previous tax year for which a jobs tax credit under
20 this Section was taken, or beyond the total employed by
21 the taxpayer as of December 31, 1985, whichever is
22 later; and

23 (C) the eligible employees must be employed 180
24 consecutive days in order to be deemed hired for
25 purposes of this subsection.

26 (3) An "eligible employee" means an employee who is:

1 (A) Certified by the Department of Commerce and
2 Economic Opportunity as "eligible for services"
3 pursuant to regulations promulgated in accordance with
4 Title II of the Job Training Partnership Act, Training
5 Services for the Disadvantaged or Title III of the Job
6 Training Partnership Act, Employment and Training
7 Assistance for Dislocated Workers Program.

8 (B) Hired after the enterprise zone, River Edge
9 Redevelopment Zone, or federally designated Foreign
10 Trade Zone or Sub-Zone was designated or the trade or
11 business was located in that zone, whichever is later.

12 (C) Employed in the enterprise zone, River Edge
13 Redevelopment Zone, or Foreign Trade Zone or Sub-Zone.
14 An employee is employed in an enterprise zone or
15 federally designated Foreign Trade Zone or Sub-Zone if
16 his services are rendered there or it is the base of
17 operations for the services performed.

18 (D) A full-time employee working 30 or more hours
19 per week.

20 (4) For tax years ending on or after December 31, 1985
21 and prior to December 31, 1988, the credit shall be allowed
22 for the tax year in which the eligible employees are hired.
23 For tax years ending on or after December 31, 1988, the
24 credit shall be allowed for the tax year immediately
25 following the tax year in which the eligible employees are
26 hired. If the amount of the credit exceeds the tax

1 liability for that year, whether it exceeds the original
2 liability or the liability as later amended, such excess
3 may be carried forward and applied to the tax liability of
4 the 5 taxable years following the excess credit year. The
5 credit shall be applied to the earliest year for which
6 there is a liability. If there is credit from more than one
7 tax year that is available to offset a liability, earlier
8 credit shall be applied first.

9 (5) The Department of Revenue shall promulgate such
10 rules and regulations as may be deemed necessary to carry
11 out the purposes of this subsection (g).

12 (6) The credit shall be available for eligible
13 employees hired on or after January 1, 1986.

14 (h) Investment credit; High Impact Business; Green Energy
15 Business.

16 (1) Subject to subsection (a) of Section 10 of the
17 Green Energy Business Act, or subsections (b) and (b-5) of
18 Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer
19 shall be allowed a credit against the tax imposed by
20 subsections (a) and (b) of this Section for investment in
21 qualified property which is placed in service by a
22 Department of Commerce and Economic Opportunity designated
23 Green Energy Business or High Impact Business. The credit
24 shall be .5% of the basis for such property. The credit
25 shall not be available (i) until the minimum investments in
26 qualified property set forth in subdivision (a)(3)(A) of

1 Section 5.5 of the Illinois Enterprise Zone Act have been
2 satisfied or (ii) until the Department of Commerce and
3 Economic Opportunity designates the business as a Green
4 Energy Business under the Green Energy Business Act, or
5 until the time authorized in subsection (b-5) of the
6 Illinois Enterprise Zone Act for entities designated as
7 High Impact Businesses under subdivisions (a)(3)(B),
8 (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois
9 Enterprise Zone Act, and shall not be allowed to the extent
10 that it would reduce a taxpayer's liability for the tax
11 imposed by subsections (a) and (b) of this Section to below
12 zero. The credit applicable to such investments shall be
13 taken in the taxable year in which such investments have
14 been completed. The credit for additional investments
15 beyond the minimum investment by a designated high impact
16 business authorized under subdivision (a)(3)(A) of Section
17 5.5 of the Illinois Enterprise Zone Act shall be available
18 only in the taxable year in which the property is placed in
19 service and shall not be allowed to the extent that it
20 would reduce a taxpayer's liability for the tax imposed by
21 subsections (a) and (b) of this Section to below zero. For
22 tax years ending on or after December 31, 1987, the credit
23 shall be allowed for the tax year in which the property is
24 placed in service, or, if the amount of the credit exceeds
25 the tax liability for that year, whether it exceeds the
26 original liability or the liability as later amended, such

1 excess may be carried forward and applied to the tax
2 liability of the 5 taxable years following the excess
3 credit year. The credit shall be applied to the earliest
4 year for which there is a liability. If there is credit
5 from more than one tax year that is available to offset a
6 liability, the credit accruing first in time shall be
7 applied first.

8 Changes made in this subdivision (h) (1) by Public Act
9 88-670 restore changes made by Public Act 85-1182 and
10 reflect existing law.

11 (2) The term qualified property means property which:

12 (A) is tangible, whether new or used, including
13 buildings and structural components of buildings;

14 (B) is depreciable pursuant to Section 167 of the
15 Internal Revenue Code, except that "3-year property"
16 as defined in Section 168(c) (2) (A) of that Code is not
17 eligible for the credit provided by this subsection
18 (h);

19 (C) is acquired by purchase as defined in Section
20 179(d) of the Internal Revenue Code; and

21 (D) is not eligible for the Enterprise Zone
22 Investment Credit provided by subsection (f) of this
23 Section.

24 (3) The basis of qualified property shall be the basis
25 used to compute the depreciation deduction for federal
26 income tax purposes.

1 (4) If the basis of the property for federal income tax
2 depreciation purposes is increased after it has been placed
3 in service in a federally designated Foreign Trade Zone or
4 Sub-Zone located in Illinois by the taxpayer, the amount of
5 such increase shall be deemed property placed in service on
6 the date of such increase in basis.

7 (5) The term "placed in service" shall have the same
8 meaning as under Section 46 of the Internal Revenue Code.

9 (6) If during any taxable year ending on or before
10 December 31, 1996, any property ceases to be qualified
11 property in the hands of the taxpayer within 48 months
12 after being placed in service, or the situs of any
13 qualified property is moved outside Illinois within 48
14 months after being placed in service, the tax imposed under
15 subsections (a) and (b) of this Section for such taxable
16 year shall be increased. Such increase shall be determined
17 by (i) recomputing the investment credit which would have
18 been allowed for the year in which credit for such property
19 was originally allowed by eliminating such property from
20 such computation, and (ii) subtracting such recomputed
21 credit from the amount of credit previously allowed. For
22 the purposes of this paragraph (6), a reduction of the
23 basis of qualified property resulting from a
24 redetermination of the purchase price shall be deemed a
25 disposition of qualified property to the extent of such
26 reduction.

1 (7) Beginning with tax years ending after December 31,
2 1996, if a taxpayer qualifies for the credit under this
3 subsection (h) and thereby is granted a tax abatement and
4 the taxpayer relocates its entire facility in violation of
5 the explicit terms and length of the contract under Section
6 18-183 of the Property Tax Code, the tax imposed under
7 subsections (a) and (b) of this Section shall be increased
8 for the taxable year in which the taxpayer relocated its
9 facility by an amount equal to the amount of credit
10 received by the taxpayer under this subsection (h).

11 (i) Credit for Personal Property Tax Replacement Income
12 Tax. For tax years ending prior to December 31, 2003, a credit
13 shall be allowed against the tax imposed by subsections (a) and
14 (b) of this Section for the tax imposed by subsections (c) and
15 (d) of this Section. This credit shall be computed by
16 multiplying the tax imposed by subsections (c) and (d) of this
17 Section by a fraction, the numerator of which is base income
18 allocable to Illinois and the denominator of which is Illinois
19 base income, and further multiplying the product by the tax
20 rate imposed by subsections (a) and (b) of this Section.

21 Any credit earned on or after December 31, 1986 under this
22 subsection which is unused in the year the credit is computed
23 because it exceeds the tax liability imposed by subsections (a)
24 and (b) for that year (whether it exceeds the original
25 liability or the liability as later amended) may be carried
26 forward and applied to the tax liability imposed by subsections

1 (a) and (b) of the 5 taxable years following the excess credit
2 year, provided that no credit may be carried forward to any
3 year ending on or after December 31, 2003. This credit shall be
4 applied first to the earliest year for which there is a
5 liability. If there is a credit under this subsection from more
6 than one tax year that is available to offset a liability the
7 earliest credit arising under this subsection shall be applied
8 first.

9 If, during any taxable year ending on or after December 31,
10 1986, the tax imposed by subsections (c) and (d) of this
11 Section for which a taxpayer has claimed a credit under this
12 subsection (i) is reduced, the amount of credit for such tax
13 shall also be reduced. Such reduction shall be determined by
14 recomputing the credit to take into account the reduced tax
15 imposed by subsections (c) and (d). If any portion of the
16 reduced amount of credit has been carried to a different
17 taxable year, an amended return shall be filed for such taxable
18 year to reduce the amount of credit claimed.

19 (j) Training expense credit. Beginning with tax years
20 ending on or after December 31, 1986 and prior to December 31,
21 2003, a taxpayer shall be allowed a credit against the tax
22 imposed by subsections (a) and (b) under this Section for all
23 amounts paid or accrued, on behalf of all persons employed by
24 the taxpayer in Illinois or Illinois residents employed outside
25 of Illinois by a taxpayer, for educational or vocational
26 training in semi-technical or technical fields or semi-skilled

1 or skilled fields, which were deducted from gross income in the
2 computation of taxable income. The credit against the tax
3 imposed by subsections (a) and (b) shall be 1.6% of such
4 training expenses. For partners, shareholders of subchapter S
5 corporations, and owners of limited liability companies, if the
6 liability company is treated as a partnership for purposes of
7 federal and State income taxation, there shall be allowed a
8 credit under this subsection (j) to be determined in accordance
9 with the determination of income and distributive share of
10 income under Sections 702 and 704 and subchapter S of the
11 Internal Revenue Code.

12 Any credit allowed under this subsection which is unused in
13 the year the credit is earned may be carried forward to each of
14 the 5 taxable years following the year for which the credit is
15 first computed until it is used. This credit shall be applied
16 first to the earliest year for which there is a liability. If
17 there is a credit under this subsection from more than one tax
18 year that is available to offset a liability the earliest
19 credit arising under this subsection shall be applied first. No
20 carryforward credit may be claimed in any tax year ending on or
21 after December 31, 2003.

22 (k) Research and development credit.

23 For tax years ending after July 1, 1990 and prior to
24 December 31, 2003, and beginning again for tax years ending on
25 or after December 31, 2004, and ending prior to January 1,
26 2011, a taxpayer shall be allowed a credit against the tax

1 imposed by subsections (a) and (b) of this Section for
2 increasing research activities in this State. The credit
3 allowed against the tax imposed by subsections (a) and (b)
4 shall be equal to 6 1/2% of the qualifying expenditures for
5 increasing research activities in this State. For partners,
6 shareholders of subchapter S corporations, and owners of
7 limited liability companies, if the liability company is
8 treated as a partnership for purposes of federal and State
9 income taxation, there shall be allowed a credit under this
10 subsection to be determined in accordance with the
11 determination of income and distributive share of income under
12 Sections 702 and 704 and subchapter S of the Internal Revenue
13 Code.

14 For purposes of this subsection, "qualifying expenditures"
15 means the qualifying expenditures as defined for the federal
16 credit for increasing research activities which would be
17 allowable under Section 41 of the Internal Revenue Code and
18 which are conducted in this State, "qualifying expenditures for
19 increasing research activities in this State" means the excess
20 of qualifying expenditures for the taxable year in which
21 incurred over qualifying expenditures for the base period,
22 "qualifying expenditures for the base period" means the average
23 of the qualifying expenditures for each year in the base
24 period, and "base period" means the 3 taxable years immediately
25 preceding the taxable year for which the determination is being
26 made.

1 Any credit in excess of the tax liability for the taxable
2 year may be carried forward. A taxpayer may elect to have the
3 unused credit shown on its final completed return carried over
4 as a credit against the tax liability for the following 5
5 taxable years or until it has been fully used, whichever occurs
6 first; provided that no credit earned in a tax year ending
7 prior to December 31, 2003 may be carried forward to any year
8 ending on or after December 31, 2003, and no credit may be
9 carried forward to any taxable year ending on or after January
10 1, 2011.

11 If an unused credit is carried forward to a given year from
12 2 or more earlier years, that credit arising in the earliest
13 year will be applied first against the tax liability for the
14 given year. If a tax liability for the given year still
15 remains, the credit from the next earliest year will then be
16 applied, and so on, until all credits have been used or no tax
17 liability for the given year remains. Any remaining unused
18 credit or credits then will be carried forward to the next
19 following year in which a tax liability is incurred, except
20 that no credit can be carried forward to a year which is more
21 than 5 years after the year in which the expense for which the
22 credit is given was incurred.

23 No inference shall be drawn from this amendatory Act of the
24 91st General Assembly in construing this Section for taxable
25 years beginning before January 1, 1999.

26 (1) Environmental Remediation Tax Credit.

1 (i) For tax years ending after December 31, 1997 and on
2 or before December 31, 2001, a taxpayer shall be allowed a
3 credit against the tax imposed by subsections (a) and (b)
4 of this Section for certain amounts paid for unreimbursed
5 eligible remediation costs, as specified in this
6 subsection. For purposes of this Section, "unreimbursed
7 eligible remediation costs" means costs approved by the
8 Illinois Environmental Protection Agency ("Agency") under
9 Section 58.14 of the Environmental Protection Act that were
10 paid in performing environmental remediation at a site for
11 which a No Further Remediation Letter was issued by the
12 Agency and recorded under Section 58.10 of the
13 Environmental Protection Act. The credit must be claimed
14 for the taxable year in which Agency approval of the
15 eligible remediation costs is granted. The credit is not
16 available to any taxpayer if the taxpayer or any related
17 party caused or contributed to, in any material respect, a
18 release of regulated substances on, in, or under the site
19 that was identified and addressed by the remedial action
20 pursuant to the Site Remediation Program of the
21 Environmental Protection Act. After the Pollution Control
22 Board rules are adopted pursuant to the Illinois
23 Administrative Procedure Act for the administration and
24 enforcement of Section 58.9 of the Environmental
25 Protection Act, determinations as to credit availability
26 for purposes of this Section shall be made consistent with

1 those rules. For purposes of this Section, "taxpayer"
2 includes a person whose tax attributes the taxpayer has
3 succeeded to under Section 381 of the Internal Revenue Code
4 and "related party" includes the persons disallowed a
5 deduction for losses by paragraphs (b), (c), and (f)(1) of
6 Section 267 of the Internal Revenue Code by virtue of being
7 a related taxpayer, as well as any of its partners. The
8 credit allowed against the tax imposed by subsections (a)
9 and (b) shall be equal to 25% of the unreimbursed eligible
10 remediation costs in excess of \$100,000 per site, except
11 that the \$100,000 threshold shall not apply to any site
12 contained in an enterprise zone as determined by the
13 Department of Commerce and Community Affairs (now
14 Department of Commerce and Economic Opportunity). The
15 total credit allowed shall not exceed \$40,000 per year with
16 a maximum total of \$150,000 per site. For partners and
17 shareholders of subchapter S corporations, there shall be
18 allowed a credit under this subsection to be determined in
19 accordance with the determination of income and
20 distributive share of income under Sections 702 and 704 and
21 subchapter S of the Internal Revenue Code.

22 (ii) A credit allowed under this subsection that is
23 unused in the year the credit is earned may be carried
24 forward to each of the 5 taxable years following the year
25 for which the credit is first earned until it is used. The
26 term "unused credit" does not include any amounts of

1 unreimbursed eligible remediation costs in excess of the
2 maximum credit per site authorized under paragraph (i).
3 This credit shall be applied first to the earliest year for
4 which there is a liability. If there is a credit under this
5 subsection from more than one tax year that is available to
6 offset a liability, the earliest credit arising under this
7 subsection shall be applied first. A credit allowed under
8 this subsection may be sold to a buyer as part of a sale of
9 all or part of the remediation site for which the credit
10 was granted. The purchaser of a remediation site and the
11 tax credit shall succeed to the unused credit and remaining
12 carry-forward period of the seller. To perfect the
13 transfer, the assignor shall record the transfer in the
14 chain of title for the site and provide written notice to
15 the Director of the Illinois Department of Revenue of the
16 assignor's intent to sell the remediation site and the
17 amount of the tax credit to be transferred as a portion of
18 the sale. In no event may a credit be transferred to any
19 taxpayer if the taxpayer or a related party would not be
20 eligible under the provisions of subsection (i).

21 (iii) For purposes of this Section, the term "site"
22 shall have the same meaning as under Section 58.2 of the
23 Environmental Protection Act.

24 (m) Education expense credit. Beginning with tax years
25 ending after December 31, 1999, a taxpayer who is the custodian
26 of one or more qualifying pupils shall be allowed a credit

1 against the tax imposed by subsections (a) and (b) of this
2 Section for qualified education expenses incurred on behalf of
3 the qualifying pupils. The credit shall be equal to 25% of
4 qualified education expenses, but in no event may the total
5 credit under this subsection claimed by a family that is the
6 custodian of qualifying pupils exceed \$500. In no event shall a
7 credit under this subsection reduce the taxpayer's liability
8 under this Act to less than zero. This subsection is exempt
9 from the provisions of Section 250 of this Act.

10 For purposes of this subsection:

11 "Qualifying pupils" means individuals who (i) are
12 residents of the State of Illinois, (ii) are under the age of
13 21 at the close of the school year for which a credit is
14 sought, and (iii) during the school year for which a credit is
15 sought were full-time pupils enrolled in a kindergarten through
16 twelfth grade education program at any school, as defined in
17 this subsection.

18 "Qualified education expense" means the amount incurred on
19 behalf of a qualifying pupil in excess of \$250 for tuition,
20 book fees, and lab fees at the school in which the pupil is
21 enrolled during the regular school year.

22 "School" means any public or nonpublic elementary or
23 secondary school in Illinois that is in compliance with Title
24 VI of the Civil Rights Act of 1964 and attendance at which
25 satisfies the requirements of Section 26-1 of the School Code,
26 except that nothing shall be construed to require a child to

1 attend any particular public or nonpublic school to qualify for
2 the credit under this Section.

3 "Custodian" means, with respect to qualifying pupils, an
4 Illinois resident who is a parent, the parents, a legal
5 guardian, or the legal guardians of the qualifying pupils.

6 (n) River Edge Redevelopment Zone site remediation tax
7 credit.

8 (i) For tax years ending on or after December 31, 2006,
9 a taxpayer shall be allowed a credit against the tax
10 imposed by subsections (a) and (b) of this Section for
11 certain amounts paid for unreimbursed eligible remediation
12 costs, as specified in this subsection. For purposes of
13 this Section, "unreimbursed eligible remediation costs"
14 means costs approved by the Illinois Environmental
15 Protection Agency ("Agency") under Section 58.14a of the
16 Environmental Protection Act that were paid in performing
17 environmental remediation at a site within a River Edge
18 Redevelopment Zone for which a No Further Remediation
19 Letter was issued by the Agency and recorded under Section
20 58.10 of the Environmental Protection Act. The credit must
21 be claimed for the taxable year in which Agency approval of
22 the eligible remediation costs is granted. The credit is
23 not available to any taxpayer if the taxpayer or any
24 related party caused or contributed to, in any material
25 respect, a release of regulated substances on, in, or under
26 the site that was identified and addressed by the remedial

1 action pursuant to the Site Remediation Program of the
2 Environmental Protection Act. Determinations as to credit
3 availability for purposes of this Section shall be made
4 consistent with rules adopted by the Pollution Control
5 Board pursuant to the Illinois Administrative Procedure
6 Act for the administration and enforcement of Section 58.9
7 of the Environmental Protection Act. For purposes of this
8 Section, "taxpayer" includes a person whose tax attributes
9 the taxpayer has succeeded to under Section 381 of the
10 Internal Revenue Code and "related party" includes the
11 persons disallowed a deduction for losses by paragraphs
12 (b), (c), and (f) (1) of Section 267 of the Internal Revenue
13 Code by virtue of being a related taxpayer, as well as any
14 of its partners. The credit allowed against the tax imposed
15 by subsections (a) and (b) shall be equal to 25% of the
16 unreimbursed eligible remediation costs in excess of
17 \$100,000 per site.

18 (ii) A credit allowed under this subsection that is
19 unused in the year the credit is earned may be carried
20 forward to each of the 5 taxable years following the year
21 for which the credit is first earned until it is used. This
22 credit shall be applied first to the earliest year for
23 which there is a liability. If there is a credit under this
24 subsection from more than one tax year that is available to
25 offset a liability, the earliest credit arising under this
26 subsection shall be applied first. A credit allowed under

1 this subsection may be sold to a buyer as part of a sale of
2 all or part of the remediation site for which the credit
3 was granted. The purchaser of a remediation site and the
4 tax credit shall succeed to the unused credit and remaining
5 carry-forward period of the seller. To perfect the
6 transfer, the assignor shall record the transfer in the
7 chain of title for the site and provide written notice to
8 the Director of the Illinois Department of Revenue of the
9 assignor's intent to sell the remediation site and the
10 amount of the tax credit to be transferred as a portion of
11 the sale. In no event may a credit be transferred to any
12 taxpayer if the taxpayer or a related party would not be
13 eligible under the provisions of subsection (i).

14 (iii) For purposes of this Section, the term "site"
15 shall have the same meaning as under Section 58.2 of the
16 Environmental Protection Act.

17 (iv) This subsection is exempt from the provisions of
18 Section 250.
