1 AMENDMENT TO HOUSE BILL 1484

2 AMENDMENT NO. _____. Amend House Bill 1484 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Identification Card Act is amended
5 by changing Sections 4 and 5 as follows:

6 (15 ILCS 335/4) (from Ch. 124, par. 24)

7 Sec. 4. Identification Card.

8 (a) The Secretary of State shall issue a standard Illinois
9 Identification Card to any natural person who is a resident of
10 the State of Illinois who applies for such card, or renewal
11 thereof, or who applies for a standard Illinois Identification
12 Card upon release as a committed person on parole, mandatory
13 supervised release, final discharge, or pardon from the
14 Department of Corrections by submitting an identification card
15 issued by the Department of Corrections under Section 3-14-1 of
16 the Unified Code of Corrections, together with the prescribed

1 fees. No identification card shall be issued to any person who
2 holds a valid foreign state identification card, license, or
3 permit unless the person first surrenders to the Secretary of
4 State the valid foreign state identification card, license, or
5 permit. The card shall be prepared and supplied by the
6 Secretary of State and shall include a photograph and signature
7 or mark of the applicant. However, the Secretary of State may
8 provide by rule for the issuance of Illinois Identification
9 Cards without photographs if the applicant has a bona fide
10 religious objection to being photographed or to the display of
11 his or her photograph. The Illinois Identification Card may be
12 used for identification purposes in any lawful situation only
13 by the person to whom it was issued. As used in this Act,
14 "photograph" means any color photograph or digitally produced
15 and captured image of an applicant for an identification card.
16 As used in this Act, "signature" means the name of a person as
17 written by that person and captured in a manner acceptable to
18 the Secretary of State.

19 (a-5) If an applicant for an identification card has a
20 current driver's license or instruction permit issued by the
21 Secretary of State, the Secretary may require the applicant to
22 utilize the same residence address and name on the
23 identification card, driver's license, and instruction permit
24 records maintained by the Secretary. The Secretary may
25 promulgate rules to implement this provision.

26 (b) The Secretary of State shall issue a special Illinois

1 Identification Card, which shall be known as an Illinois
2 Disabled Person Identification Card, to any natural person who
3 is a resident of the State of Illinois, who is a disabled
4 person as defined in Section 4A of this Act, who applies for
5 such card, or renewal thereof. No Disabled Person
6 Identification Card shall be issued to any person who holds a
7 valid foreign state identification card, license, or permit
8 unless the person first surrenders to the Secretary of State
9 the valid foreign state identification card, license, or
10 permit. The Secretary of State shall charge no fee to issue
11 such card. The card shall be prepared and supplied by the
12 Secretary of State, and shall include a photograph and
13 signature or mark of the applicant, a designation indicating
14 that the card is an Illinois Disabled Person Identification
15 Card, and shall include a comprehensible designation of the
16 type and classification of the applicant's disability as set
17 out in Section 4A of this Act. However, the Secretary of State
18 may provide by rule for the issuance of Illinois Disabled
19 Person Identification Cards without photographs if the
20 applicant has a bona fide religious objection to being
21 photographed or to the display of his or her photograph. If the
22 applicant so requests, the card shall include a description of
23 the applicant's disability and any information about the
24 applicant's disability or medical history which the Secretary
25 determines would be helpful to the applicant in securing
26 emergency medical care. If a mark is used in lieu of a

1 signature, such mark shall be affixed to the card in the
2 presence of two witnesses who attest to the authenticity of the
3 mark. The Illinois Disabled Person Identification Card may be
4 used for identification purposes in any lawful situation by the
5 person to whom it was issued.

6 The Illinois Disabled Person Identification Card may be
7 used as adequate documentation of disability in lieu of a
8 physician's determination of disability, a determination of
9 disability from a physician assistant who has been delegated
10 the authority to make this determination by his or her
11 supervising physician, a determination of disability from an
12 advanced practice nurse who has a written collaborative
13 agreement with a collaborating physician that authorizes the
14 advanced practice nurse to make this determination, or any
15 other documentation of disability whenever any State law
16 requires that a disabled person provide such documentation of
17 disability, however an Illinois Disabled Person Identification
18 Card shall not qualify the cardholder to participate in any
19 program or to receive any benefit which is not available to all
20 persons with like disabilities. Notwithstanding any other
21 provisions of law, an Illinois Disabled Person Identification
22 Card, or evidence that the Secretary of State has issued an
23 Illinois Disabled Person Identification Card, shall not be used
24 by any person other than the person named on such card to prove
25 that the person named on such card is a disabled person or for
26 any other purpose unless the card is used for the benefit of

1 the person named on such card, and the person named on such
2 card consents to such use at the time the card is so used.

3 An optometrist's determination of a visual disability
4 under Section 4A of this Act is acceptable as documentation for
5 the purpose of issuing an Illinois Disabled Person
6 Identification Card.

7 When medical information is contained on an Illinois
8 Disabled Person Identification Card, the Office of the
9 Secretary of State shall not be liable for any actions taken
10 based upon that medical information.

11 (c) Beginning January 1, 1986, the Secretary of State shall
12 provide that each original or renewal Illinois Identification
13 Card or Illinois Disabled Person Identification Card issued to
14 a person under the age of 21, shall be of a distinct nature
15 from those Illinois Identification Cards or Illinois Disabled
16 Person Identification Cards issued to individuals 21 years of
17 age or older. The color designated for Illinois Identification
18 Cards or Illinois Disabled Person Identification Cards for
19 persons under the age of 21 shall be at the discretion of the
20 Secretary of State.

21 (c-1) Beginning January 1, 2003, each original or renewal
22 Illinois Identification Card or Illinois Disabled Person
23 Identification Card issued to a person under the age of 21
24 shall display the date upon which the person becomes 18 years
25 of age and the date upon which the person becomes 21 years of
26 age.

1 (d) The Secretary of State may issue a Senior Citizen
2 discount card, to any natural person who is a resident of the
3 State of Illinois who is 60 years of age or older and who
4 applies for such a card or renewal thereof. The Secretary of
5 State shall charge no fee to issue such card. The card shall be
6 issued in every county and applications shall be made available
7 at, but not limited to, nutrition sites, senior citizen centers
8 and Area Agencies on Aging. The applicant, upon receipt of such
9 card and prior to its use for any purpose, shall have affixed
10 thereon in the space provided therefor his signature or mark.

11 (e) The Secretary of State, in his or her discretion, may
12 designate on each Illinois Identification Card or Illinois
13 Disabled Person Identification Card a space where the card
14 holder may place a sticker or decal, issued by the Secretary of
15 State, of uniform size as the Secretary may specify, that shall
16 indicate in appropriate language that the card holder has
17 renewed his or her Illinois Identification Card or Illinois
18 Disabled Person Identification Card.

22 Sec. 5. Applications. Any natural person who is a resident
23 of the State of Illinois, may file an application for an
24 identification card or for the renewal thereof, in a manner
25 prescribed by the Secretary. Each original application shall be

1 completed by the applicant in full and shall set forth the
2 legal name, residence address and zip code, social security
3 number, birth date, sex and a brief description of the
4 applicant. The applicant shall be photographed, unless the
5 Secretary of State has provided by rule for the issuance of
6 identification cards without photographs and the applicant is
7 deemed eligible for an identification card without a photograph
8 under the terms and conditions imposed by the Secretary of
9 State, and he or she shall also submit any other information as
10 the Secretary may deem necessary or such documentation as the
11 Secretary may require to determine the identity of the
12 applicant. In addition to the residence address, the Secretary
13 may allow the applicant to provide a mailing address. An
14 applicant for a disabled persons card must also submit with
15 each original or renewal application, on forms prescribed by
16 the Secretary, such documentation as the Secretary may require,
17 establishing that the applicant is a "disabled person" as
18 defined in Section 4A of this Act, and setting forth the
19 applicant's type and class of disability as set forth in
