

## 97TH GENERAL ASSEMBLY

### State of Illinois

2011 and 2012

HB1528

Introduced 2/15/2011, by Rep. Lou Lang

#### SYNOPSIS AS INTRODUCED:

720 ILCS 570/303.05

720 ILCS 570/311.5 new

720 ILCS 570/312

from Ch. 56 1/2, par. 1312

Amends the Illinois Controlled Substances Act. Makes various changes relating to mid-level practitioner registration. Provides that a prescriber who is otherwise authorized to prescribe controlled substances in Illinois may issue an electronic prescription for Schedule II, III, IV, and V controlled substances if done in accordance with federal rules for electronic prescriptions for controlled substances. Provides that physicians may issue multiple prescriptions (3 sequential 30-day supplies) for the same Schedule II controlled substances authorizing up to a 90-day supply. Makes other changes.

LRB097 08734 RLC 48863 b

1 AN ACT concerning controlled substances.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Controlled Substances Act is  
5 amended by changing Sections 303.05 and 312 and by adding  
6 Section 311.5 as follows:

7 (720 ILCS 570/303.05)

8 Sec. 303.05. Mid-level practitioner registration.

9 (a) The Department of Financial and Professional  
10 Regulation shall register licensed physician assistants and  
11 licensed advanced practice nurses to prescribe and dispense  
12 controlled substances under Section 303 and euthanasia  
13 agencies to purchase, store, or administer animal euthanasia  
14 drugs under the following circumstances:

15 (1) with respect to physician assistants,

16 (A) the physician assistant has been delegated  
17 written authority to prescribe any Schedule III  
18 through V controlled substances by a physician  
19 licensed to practice medicine in all its branches in  
20 accordance with Section 7.5 of the Physician Assistant  
21 Practice Act of 1987; and the physician assistant has  
22 completed the appropriate application forms and has  
23 paid the required fees as set by rule; or

1 (B) the physician assistant has been delegated  
2 authority by a supervising physician licensed to  
3 practice medicine in all its branches to prescribe or  
4 dispense Schedule II controlled substances through a  
5 written delegation of authority and under the  
6 following conditions:

7 (i) no more than 5 Schedule II controlled  
8 substances by oral dosage may be delegated;

9 (ii) any delegation must be of controlled  
10 substances prescribed by the supervising  
11 physician;

12 (iii) all prescriptions must be limited to no  
13 more than a 30-day oral dosage, with any  
14 continuation authorized only after prior approval  
15 of the supervising physician;

16 (iv) the physician assistant must discuss the  
17 condition of any patients for whom a controlled  
18 substance is prescribed monthly with the  
19 delegating physician; and

20 (v) the physician assistant must have  
21 completed the appropriate application forms and  
22 paid the required fees as set by rule;

23 (2) with respect to advanced practice nurses,

24 (A) the advanced practice nurse has been delegated  
25 authority to prescribe any Schedule III through V  
26 controlled substances by a physician licensed to

1 practice medicine in all its branches or a podiatrist  
2 in accordance with Sections 65-35 and Section 65-40 of  
3 the Nurse Practice Act. The advanced practice nurse has  
4 completed the appropriate application forms and has  
5 paid the required fees as set by rule; or

6 (B) the advanced practice nurse has been delegated  
7 authority by a collaborating physician licensed to  
8 practice medicine in all its branches to prescribe or  
9 dispense Schedule II controlled substances through a  
10 written delegation of authority and under the  
11 following conditions:

12 (i) no more than 5 Schedule II controlled  
13 substances by oral dosage may be delegated;

14 (ii) any delegation must be of controlled  
15 substances prescribed by the collaborating  
16 physician;

17 (iii) all prescriptions must be limited to no  
18 more than a 30-day oral dosage, with any  
19 continuation authorized only after prior approval  
20 of the collaborating physician;

21 (iv) the advanced practice nurse must discuss  
22 the condition of any patients for whom a controlled  
23 substance is prescribed monthly with the  
24 delegating physician or in the course of review as  
25 required by the Nurse Practice Act; and

26 (v) the advanced practice nurse must have

1 completed the appropriate application forms and  
2 paid the required fees as set by rule; or

3 (3) with respect to animal euthanasia agencies, the  
4 euthanasia agency has obtained a license from the  
5 Department of Financial and Professional Regulation and  
6 obtained a registration number from the Department.

7 (b) The mid-level practitioner shall only be licensed to  
8 prescribe those schedules of controlled substances for which a  
9 licensed physician or licensed podiatrist has delegated  
10 prescriptive authority, except that an animal euthanasia  
11 agency does not have any prescriptive authority. A physician  
12 assistant and an advanced practice nurse are prohibited from  
13 prescribing medications and controlled substances not set  
14 forth in the required written delegation of authority.

15 (c) Upon completion of all registration requirements,  
16 physician assistants, advanced practice nurses, and animal  
17 euthanasia agencies may ~~shall~~ be issued a mid-level  
18 practitioner controlled substances license for Illinois.

21 (720 ILCS 570/311.5 new)

22 Sec. 311.5. Electronic prescriptions for controlled  
23 substances. Notwithstanding any other Section in this Act, a  
24 prescriber who is otherwise authorized to prescribe controlled  
25 substances in Illinois may issue an electronic prescription for

1 Schedule II, III, IV, and V controlled substances if done in  
2 accordance with the federal rules for electronic prescriptions  
3 for controlled substances, as set forth in 21 C.F.R. Parts  
4 1300, 1304, 1306, and 1311.

5 (720 ILCS 570/312) (from Ch. 56 1/2, par. 1312)

6 Sec. 312. Requirements for dispensing controlled  
7 substances.

8 (a) A practitioner, in good faith, may dispense a Schedule  
9 II controlled substance, which is a narcotic drug listed in  
10 Section 206 of this Act; or which contains any quantity of  
11 amphetamine or methamphetamine, their salts, optical isomers  
12 or salts of optical isomers; phenmetrazine and its salts; or  
13 pentazocine; and Schedule III, IV, or V controlled substances  
14 to any person upon a written or electronic prescription of any  
15 prescriber, dated and signed by the person prescribing (or  
16 electronically validated in compliance with Section 311.5) on  
17 the day when issued and bearing the name and address of the  
18 patient for whom, or the owner of the animal for which the  
19 controlled substance is dispensed, and the full name, address  
20 and registry number under the laws of the United States  
21 relating to controlled substances of the prescriber, if he or  
22 she is required by those laws to be registered. If the  
23 prescription is for an animal it shall state the species of  
24 animal for which it is ordered. The practitioner filling the  
25 prescription shall, unless otherwise permitted, write the date

1 of filling and his or her own signature on the face of the  
2 written prescription or, alternatively, shall indicate such  
3 filling using a unique identifier as defined in paragraph (v)  
4 of Section 3 of the Pharmacy Practice Act. The written  
5 prescription shall be retained on file by the practitioner who  
6 filled it or pharmacy in which the prescription was filled for  
7 a period of 2 years, so as to be readily accessible for  
8 inspection or removal by any officer or employee engaged in the  
9 enforcement of this Act. Whenever the practitioner's or  
10 pharmacy's copy of any prescription is removed by an officer or  
11 employee engaged in the enforcement of this Act, for the  
12 purpose of investigation or as evidence, such officer or  
13 employee shall give to the practitioner or pharmacy a receipt  
14 in lieu thereof. If the specific prescription is machine or  
15 computer generated and printed at the prescriber's office, the  
16 date does not need to be handwritten. A prescription for a  
17 Schedule II controlled substance shall not be issued for filled  
18 more than a 30 day supply, except as provided in subsection  
19 (a-5), and shall be valid for up to 90 days after the date of  
20 issuance. A written prescription for Schedule III, IV or V  
21 controlled substances shall not be filled or refilled more than  
22 6 months after the date thereof or refilled more than 5 times  
23 unless renewed, in writing, by the prescriber.

24 (a-5) Physicians may issue multiple prescriptions (3  
25 sequential 30-day supplies) for the same Schedule II controlled  
26 substance, authorizing up to a 90-day supply. Before

1 authorizing a 90-day supply of a Schedule II controlled  
2 substance, the physician must meet both of the following  
3 conditions:

4 (1) Each separate prescription must be issued for a  
5 legitimate medical purpose by an individual physician  
6 acting in the usual course of professional practice.

7 (2) The individual physician must provide written  
8 instructions on each prescription (other than the first  
9 prescription, if the prescribing physician intends for the  
10 prescription to be filled immediately) indicating the  
11 earliest date on which a pharmacy may fill that  
12 prescription.

13 (b) In lieu of a written prescription required by this  
14 Section, a pharmacist, in good faith, may dispense Schedule  
15 III, IV, or V substances to any person either upon receiving a  
16 facsimile of a written, signed prescription transmitted by the  
17 prescriber or the prescriber's agent or upon a lawful oral  
18 prescription of a prescriber which oral prescription shall be  
19 reduced promptly to writing by the pharmacist and such written  
20 memorandum thereof shall be dated on the day when such oral  
21 prescription is received by the pharmacist and shall bear the  
22 full name and address of the ultimate user for whom, or of the  
23 owner of the animal for which the controlled substance is  
24 dispensed, and the full name, address, and registry number  
25 under the law of the United States relating to controlled  
26 substances of the prescriber prescribing if he or she is

1 required by those laws to be so registered, and the pharmacist  
2 filling such oral prescription shall write the date of filling  
3 and his or her own signature on the face of such written  
4 memorandum thereof. The facsimile copy of the prescription or  
5 written memorandum of the oral prescription shall be retained  
6 on file by the proprietor of the pharmacy in which it is filled  
7 for a period of not less than two years, so as to be readily  
8 accessible for inspection by any officer or employee engaged in  
9 the enforcement of this Act in the same manner as a written  
10 prescription. The facsimile copy of the prescription or oral  
11 prescription and the written memorandum thereof shall not be  
12 filled or refilled more than 6 months after the date thereof or  
13 be refilled more than 5 times, unless renewed, in writing, by  
14 the prescriber.

15 (c) Except for any non-prescription targeted  
16 methamphetamine precursor regulated by the Methamphetamine  
17 Precursor Control Act, a controlled substance included in  
18 Schedule V shall not be distributed or dispensed other than for  
19 a medical purpose and not for the purpose of evading this Act,  
20 and then:

21 (1) only personally by a person registered to dispense  
22 a Schedule V controlled substance and then only to his or  
23 her patients, or

24 (2) only personally by a pharmacist, and then only to a  
25 person over 21 years of age who has identified himself or  
26 herself to the pharmacist by means of 2 positive documents

1 of identification.

2 (3) the dispenser shall record the name and address of  
3 the purchaser, the name and quantity of the product, the  
4 date and time of the sale, and the dispenser's signature.

5 (4) no person shall purchase or be dispensed more than  
6 120 milliliters or more than 120 grams of any Schedule V  
7 substance which contains codeine, dihydrocodeine, or any  
8 salts thereof, or ethylmorphine, or any salts thereof, in  
9 any 96 hour period. The purchaser shall sign a form,  
10 approved by the Department of Financial and Professional  
11 Regulation, attesting that he or she has not purchased any  
12 Schedule V controlled substances within the immediately  
13 preceding 96 hours.

14 (5) (Blank). ~~a copy of the records of sale, including~~  
15 ~~all information required by paragraph (3), shall be~~  
16 ~~forwarded to the Department of Professional Regulation at~~  
17 ~~its principal office by the 15th day of the following~~  
18 ~~month.~~

19 (6) all records of purchases and sales shall be  
20 maintained for not less than 2 years.

21 (7) no person shall obtain or attempt to obtain within  
22 any consecutive 96 hour period any Schedule V substances of  
23 more than 120 milliliters or more than 120 grams containing  
24 codeine, dihydrocodeine or any of its salts, or  
25 ethylmorphine or any of its salts. Any person obtaining any  
26 such preparations or combination of preparations in excess

1 of this limitation shall be in unlawful possession of such  
2 controlled substance.

3 (8) a person qualified to dispense controlled  
4 substances under this Act and registered thereunder shall  
5 at no time maintain or keep in stock a quantity of Schedule  
6 V controlled substances ~~defined and listed in Section 212~~  
7 ~~(b) (1), (2) or (3)~~ in excess of 4.5 liters for each  
8 substance; a pharmacy shall at no time maintain or keep in  
9 stock a quantity of Schedule V controlled substances as  
10 defined in excess of 4.5 liters for each substance, plus  
11 the additional quantity of controlled substances necessary  
12 to fill the largest number of prescription orders filled by  
13 that pharmacy for such controlled substances in any one  
14 week in the previous year. These limitations shall not  
15 apply to Schedule V controlled substances which Federal law  
16 prohibits from being dispensed without a prescription.

17 (9) no person shall distribute or dispense butyl  
18 nitrite for inhalation or other introduction into the human  
19 body for euphoric or physical effect.

20 (d) Every practitioner shall keep a record or log of  
21 controlled substances received by him or her and a record of  
22 all such controlled substances administered, dispensed or  
23 professionally used by him or her otherwise than by  
24 prescription. It shall, however, be sufficient compliance with  
25 this paragraph if any practitioner utilizing controlled  
26 substances listed in Schedules III, IV and V shall keep a

1 record of all those substances dispensed and distributed by him  
2 or her other than those controlled substances which are  
3 administered by the direct application of a controlled  
4 substance, whether by injection, inhalation, ingestion, or any  
5 other means to the body of a patient or research subject. A  
6 practitioner who dispenses, other than by administering, a  
7 controlled substance in Schedule II, which is a narcotic drug  
8 listed in Section 206 of this Act, or which contains any  
9 quantity of amphetamine or methamphetamine, their salts,  
10 optical isomers or salts of optical isomers, pentazocine, or  
11 methaqualone shall do so only upon the issuance of a written  
12 prescription blank or electronic prescription issued by a  
13 prescriber.

14 (e) Whenever a manufacturer distributes a controlled  
15 substance in a package prepared by him or her, and whenever a  
16 wholesale distributor distributes a controlled substance in a  
17 package prepared by him or her or the manufacturer, he or she  
18 shall securely affix to each package in which that substance is  
19 contained a label showing in legible English the name and  
20 address of the manufacturer, the distributor and the quantity,  
21 kind and form of controlled substance contained therein. No  
22 person except a pharmacist and only for the purposes of filling  
23 a prescription under this Act, shall alter, deface or remove  
24 any label so affixed.

25 (f) Whenever a practitioner dispenses any controlled  
26 substance except a non-prescription Schedule V product or a

1 non-prescription targeted methamphetamine precursor regulated  
2 by the Methamphetamine Precursor Control Act, he or she shall  
3 affix to the container in which such substance is sold or  
4 dispensed, a label indicating the date of initial filling, the  
5 practitioner's name and address, the name of the patient, the  
6 name of the prescriber, the directions for use and cautionary  
7 statements, if any, contained in any prescription or required  
8 by law, the proprietary name or names or the established name  
9 of the controlled substance, and the dosage and quantity,  
10 except as otherwise authorized by regulation by the Department  
11 of Financial and Professional Regulation. No person shall  
12 alter, deface or remove any label so affixed as long as the  
13 specific medication remains in the container.

14 (g) A person to whom or for whose use any controlled  
15 substance has been prescribed or dispensed by a practitioner,  
16 or other persons authorized under this Act, and the owner of  
17 any animal for which such substance has been prescribed or  
18 dispensed by a veterinarian, may lawfully possess such  
19 substance only in the container in which it was delivered to  
20 him or her by the person dispensing such substance.

21 (h) The responsibility for the proper prescribing or  
22 dispensing of controlled substances that are under the  
23 prescriber's direct control is upon the prescriber. The ~~and the~~  
24 responsibility for the proper filling of a prescription for  
25 controlled substance drugs rests with the pharmacist. An order  
26 purporting to be a prescription issued to any individual, which

1 is not in the regular course of professional treatment nor part  
2 of an authorized methadone maintenance program, nor in  
3 legitimate and authorized research instituted by any  
4 accredited hospital, educational institution, charitable  
5 foundation, or federal, state or local governmental agency, and  
6 which is intended to provide that individual with controlled  
7 substances sufficient to maintain that individual's or any  
8 other individual's physical or psychological addiction,  
9 habitual or customary use, dependence, or diversion of that  
10 controlled substance is not a prescription within the meaning  
11 and intent of this Act; and the person issuing it, shall be  
12 subject to the penalties provided for violations of the law  
13 relating to controlled substances.

14 (i) A prescriber shall not preprint or cause to be  
15 preprinted a prescription for any controlled substance; nor  
16 shall any practitioner issue, fill or cause to be issued or  
17 filled, a preprinted prescription for any controlled  
18 substance.

19 (i-5) A prescriber may use a machine or electronic device  
20 to individually generate a printed prescription, but the  
21 prescriber is still required to affix his or her manual  
22 signature.

23 (j) No person shall manufacture, dispense, deliver,  
24 possess with intent to deliver, prescribe, or administer or  
25 cause to be administered under his or her direction any  
26 anabolic steroid, for any use in humans other than the

1 treatment of disease in accordance with the order of a  
2 physician licensed to practice medicine in all its branches for  
3 a valid medical purpose in the course of professional practice.  
4 The use of anabolic steroids for the purpose of hormonal  
5 manipulation that is intended to increase muscle mass, strength  
6 or weight without a medical necessity to do so, or for the  
7 intended purpose of improving physical appearance or  
8 performance in any form of exercise, sport, or game, is not a  
9 valid medical purpose or in the course of professional  
10 practice.
