1 AMENDMENT TO HOUSE BILL 2889

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 2889 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by adding Sections  
5 10-20.53 and 34-18.45 as follows:

6 (105 ILCS 5/10-20.53 new)

7 Sec. 10-20.53. Internet use policy.

8 (a) No State funds made available under this Code to a  
9 school district may be used to purchase computers used to  
10 access the Internet or to pay for direct costs associated with  
11 accessing the Internet, unless the school board has in place a  
12 policy of Internet safety for minors that includes the  
13 operation of a technology protection measure, with respect to  
14 any of the district's computers with Internet access, that  
15 protects against access through those computers to visual  
16 depictions that are (i) obscene, (ii) child pornography, or

1 (iii) harmful to minors. The policy must enforce the operation  
2 of the technology protection measures during any use of the  
3 computers by minors. Beginning with the 2011-2012 school year,  
4 each school board must make available a copy of the policy at  
5 its office and must post the policy on the district's Internet  
6 website, if any.

7 (b) An administrator, supervisor, or person authorized by  
8 the responsible authority may temporarily disable the  
9 technology protection measure to enable access for bona fide  
10 research or other lawful purposes. Once the research session is  
11 complete, the technology protection measure must be  
12 reactivated.

13 (c) If a school district stops receiving federal technology  
14 funds that require the use of a technology protection measure,  
15 then the school board must certify its Internet safety policy  
16 to the State Board of Education.

17 (d) This Section does not apply to schools created under  
18 the Illinois Mathematics and Science Academy Law and laboratory  
19 schools, as defined in Section 18-8.05 of this Code.

20 (105 ILCS 5/34-18.45 new)

21 Sec. 34-18.45. Internet use policy.

22 (a) No State funds made available under this Code to the  
23 school district may be used to purchase computers used to  
24 access the Internet or to pay for direct costs associated with  
25 accessing the Internet, unless the board has in place a policy

1 of Internet safety for minors that includes the operation of a  
2 technology protection measure, with respect to any of the  
3 district's computers with Internet access, that protects  
4 against access through those computers to visual depictions  
5 that are (i) obscene, (ii) child pornography, or (iii) harmful  
6 to minors. The policy must enforce the operation of the  
7 technology protection measures during any use of the computers  
8 by minors. Beginning with the 2011-2012 school year, the board  
9 must make available a copy of the policy at its office and must  
10 post the policy on the district's Internet website, if any.

11 (b) An administrator, supervisor, or person authorized by  
12 the responsible authority may temporarily disable the  
13 technology protection measure to enable access for bona fide  
14 research or other lawful purposes. Once the research session is  
15 complete, the technology protection measure must be  
16 reactivated.

17 (c) If the school district stops receiving federal  
18 technology funds that require the use of a technology  
19 protection measure, then the board must certify its Internet  
20 safety policy to the State Board of Education.

21 Section 99. Effective date. This Act takes effect upon  
22 becoming law."
