2 (40 ILCS 5/7-109) (from Ch. 108 1/2, par. 7-109)

3 Sec. 7-109. Employee.

4 (1) "Employee" means any person who:

5 (a) 1. Receives earnings as payment for the performance  
6 of personal services or official duties out of the  
7 general fund of a municipality, or out of any special  
8 fund or funds controlled by a municipality, or by an  
9 instrumentality thereof, or a participating  
10 instrumentality, including, in counties, the fees or  
11 earnings of any county fee office; and

12 2. Under the usual common law rules applicable in  
13 determining the employer-employee relationship, has  
14 the status of an employee with a municipality, or any  
15 instrumentality thereof, or a participating  
16 instrumentality, including aldermen, county  
17 supervisors and other persons (excepting those  
18 employed as independent contractors) who are paid  
19 compensation, fees, allowances or other emolument for  
20 official duties, and, in counties, the several county  
21 fee offices.

22 (b) Serves as a township treasurer appointed under the  
23 School Code, as heretofore or hereafter amended, and who  
24 receives for such services regular compensation as  
25 distinguished from per diem compensation, and any regular

1 employee in the office of any township treasurer whether or  
2 not his earnings are paid from the income of the permanent  
3 township fund or from funds subject to distribution to the  
4 several school districts and parts of school districts as  
5 provided in the School Code, or from both such sources; or  
6 is the chief executive officer, chief educational officer,  
7 chief fiscal officer, or other employee of a Financial  
8 Oversight Panel established pursuant to Article 1H of the  
9 School Code, other than a superintendent or certified  
10 school business official.

11 (c) Holds an elective office in a municipality,  
12 instrumentality thereof or participating instrumentality.

13 (2) "Employee" does not include persons who:

14 (a) Are eligible for inclusion under any of the  
15 following laws:

16 1. "An Act in relation to an Illinois State  
17 Teachers' Pension and Retirement Fund", approved May  
18 27, 1915, as amended;

19 2. Articles 15 and 16 of this Code.

20 However, such persons shall be included as employees to  
21 the extent of earnings that are not eligible for inclusion  
22 under the foregoing laws for services not of an  
23 instructional nature of any kind.

24 However, any member of the armed forces who is employed  
25 as a teacher of subjects in the Reserve Officers Training  
26 Corps of any school and who is not certified under the law

1 governing the certification of teachers shall be included  
2 as an employee.

3 (b) Are designated by the governing body of a  
4 municipality in which a pension fund is required by law to  
5 be established for policemen or firemen, respectively, as  
6 performing police or fire protection duties, except that  
7 when such persons are the heads of the police or fire  
8 department and are not eligible to be included within any  
9 such pension fund, they shall be included within this  
10 Article; provided, that such persons shall not be excluded  
11 to the extent of concurrent service and earnings not  
12 designated as being for police or fire protection duties.  
13 However, (i) any head of a police department who was a  
14 participant under this Article immediately before October  
15 1, 1977 and did not elect, under Section 3-109 of this Act,  
16 to participate in a police pension fund shall be an  
17 "employee", and (ii) any chief of police who elects to  
18 participate in this Fund under Section 3-109.1 of this  
19 Code, regardless of whether such person continues to be  
20 employed as chief of police or is employed in some other  
21 rank or capacity within the police department, shall be an  
22 employee under this Article for so long as such person is  
23 employed to perform police duties by a participating  
24 municipality and has not lawfully rescinded that election.

25 (3) All persons, including, without limitation, public  
26 defenders and probation officers, who receive earnings from

1 general or special funds of a county for performance of  
2 personal services or official duties within the territorial  
3 limits of the county, are employees of the county (unless  
4 excluded by subsection (2) of this Section) notwithstanding  
5 that they may be appointed by and are subject to the direction  
6 of a person or persons other than a county board or a county  
7 officer. It is hereby established that an employer-employee  
8 relationship under the usual common law rules exists between  
9 such employees and the county paying their salaries by reason  
10 of the fact that the county boards fix their rates of  
11 compensation, appropriate funds for payment of their earnings  
12 and otherwise exercise control over them. This finding and this  
13 amendatory Act shall apply to all such employees from the date  
14 of appointment whether such date is prior to or after the  
15 effective date of this amendatory Act and is intended to  
16 clarify existing law pertaining to their status as  
17 participating employees in the Fund.

19 (40 ILCS 5/7-132) (from Ch. 108 1/2, par. 7-132)

20 Sec. 7-132. Municipalities, instrumentalities and  
21 participating instrumentalities included and effective dates.

22 (A) Municipalities and their instrumentalities.

23 (a) The following described municipalities, but not  
24 including any with more than 1,000,000 inhabitants, and the

1 instrumentalities thereof, shall be included within and be  
2 subject to this Article beginning upon the effective dates  
3 specified by the Board:

4 (1) Except as to the municipalities and  
5 instrumentalities thereof specifically excluded under this  
6 Article, every county shall be subject to this Article, and  
7 all cities, villages and incorporated towns having a  
8 population in excess of 5,000 inhabitants as determined by  
9 the last preceding decennial or subsequent federal census,  
10 shall be subject to this Article following publication of  
11 the census by the Bureau of the Census. Within 90 days  
12 after publication of the census, the Board shall notify any  
13 municipality that has become subject to this Article as a  
14 result of that census, and shall provide information to the  
15 corporate authorities of the municipality explaining the  
16 duties and consequences of participation. The notification  
17 shall also include a proposed date upon which participation  
18 by the municipality will commence.

19 However, for any city, village or incorporated town  
20 that attains a population over 5,000 inhabitants after  
21 having provided social security coverage for its employees  
22 under the Social Security Enabling Act, participation  
23 under this Article shall not be mandatory but may be  
24 elected in accordance with subparagraph (3) or (4) of this  
25 paragraph (a), whichever is applicable.

26 (2) School districts, other than those specifically

1 excluded under this Article, shall be subject to this  
2 Article, without election, with respect to all employees  
3 thereof.

4 (3) Towns and all other bodies politic and corporate  
5 which are formed by vote of, or are subject to control by,  
6 the electors in towns and are located in towns which are  
7 not participating municipalities on the effective date of  
8 this Act, may become subject to this Article by election  
9 pursuant to Section 7-132.1.

10 (4) Any other municipality (together with its  
11 instrumentalities), other than those specifically excluded  
12 from participation and those described in paragraph (3)  
13 above, may elect to be included either by referendum under  
14 Section 7-134 or by the adoption of a resolution or  
15 ordinance by its governing body. A copy of such resolution  
16 or ordinance duly authenticated and certified by the clerk  
17 of the municipality or other appropriate official of its  
18 governing body shall constitute the required notice to the  
19 board of such action.

20 (b) A municipality that is about to begin participation  
21 shall submit to the Board an application to participate, in a  
22 form acceptable to the Board, not later than 90 days prior to  
23 the proposed effective date of participation. The Board shall  
24 act upon the application within 90 days, and if it finds that  
25 the application is in conformity with its requirements and the  
26 requirements of this Article, participation by the applicant

1 shall commence on a date acceptable to the municipality and  
2 specified by the Board, but in no event more than one year from  
3 the date of application.

4 (c) A participating municipality which succeeds to the  
5 functions of a participating municipality which is dissolved or  
6 terminates its existence shall assume and be transferred the  
7 net accumulation balance in the municipality reserve and the  
8 municipality account receivable balance of the terminated  
9 municipality.

10 (d) In the case of a Veterans Assistance Commission whose  
11 employees were being treated by the Fund on January 1, 1990 as  
12 employees of the county served by the Commission, the Fund may  
13 continue to treat the employees of the Veterans Assistance  
14 Commission as county employees for the purposes of this  
15 Article, unless the Commission becomes a participating  
16 instrumentality in accordance with subsection (B) of this  
17 Section.

18 (B) Participating instrumentalities.

19 (a) The participating instrumentalities designated in  
20 paragraph (b) of this subsection shall be included within and  
21 be subject to this Article if:

22 (1) an application to participate, in a form acceptable  
23 to the Board and adopted by a two-thirds vote of the  
24 governing body, is presented to the Board not later than 90  
25 days prior to the proposed effective date; and

1           (2) the Board finds that the application is in  
2 conformity with its requirements, that the applicant has  
3 reasonable expectation to continue as a political entity  
4 for a period of at least 10 years and has the prospective  
5 financial capacity to meet its current and future  
6 obligations to the Fund, and that the actuarial soundness  
7 of the Fund may be reasonably expected to be unimpaired by  
8 approval of participation by the applicant.

9           The Board shall notify the applicant of its findings within  
10 90 days after receiving the application, and if the Board  
11 approves the application, participation by the applicant shall  
12 commence on the effective date specified by the Board.

13           (b) The following participating instrumentalities, so long  
14 as they meet the requirements of Section 7-108 and the area

24 contributions as provided in Section 7-172. The payments shall  
25 be allocated among the several school districts in proportion  
26 to the number of students in average daily attendance for the

1 last full school year for each district in relation to the  
2 total number of students in average attendance for such period  
3 for all districts served. If such educational service centers,

16 as provided in Section 7-172. The payments shall be allocated  
17 among the several school districts in proportion to the number  
18 of students in average daily attendance for the last full  
19 school year for each district in relation to the total number  
20 of students in average attendance for such period for all  
21 districts served. If Paris Cooperative High School is

1 Article as a participating instrumentality on the effective  
2 date of this amendatory Act of the 97th General Assembly. If  
3 the Financial Oversight Panel is unable to pay the required  
4 employer contributions to the fund, then the school districts  
5 served shall make payment of required contributions as provided  
6 in Section 7-172. If the Financial Oversight Panel is  
7 dissolved, then the assets and obligations shall be distributed  
8 to the district served.

9 (d) The governing boards of special recreation joint  
10 agreements created under Section 8-10b of the Park District  
11 Code, operating without designation of an administrative  
12 district or an administrative municipality appointed to  
13 administer the program operating under the authority of such  
14 joint agreement shall be included within and be subject to this  
15 Article as participating instrumentalities when the joint  
16 agreement becomes effective. However, the governing board of  
17 any such special recreation joint agreement in effect before  
18 January 1, 1980 shall not be subject to this Article unless the  
19 joint agreement is modified, by the districts and  
20 municipalities which are parties to the agreement, to provide  
21 that the governing board is subject to this Article.

22 If the Board returns any employer and employee  
23 contributions to any employer which erroneously submitted such  
24 contributions on behalf of a special recreation joint  
25 agreement, the Board shall include interest computed from the  
26 end of each year to the date of payment, not compounded, at the

1 rate of 7% per annum.

2 (e) Each multi-township assessment district, the board of  
3 trustees of which has adopted this Article by ordinance prior  
4 to April 1, 1982, shall be a participating instrumentality  
5 included within and subject to this Article effective December  
6 1, 1981. The contributions required under Section 7-172 shall  
7 be included in the budget prepared under and allocated in  
8 accordance with Section 2-30 of the Property Tax Code.

9 (f) The Illinois Medical District Commission created under  
10 the Illinois Medical District Act may be included within and  
11 subject to this Article as a participating instrumentality,  
12 notwithstanding that the location of the District is entirely  
13 within the City of Chicago. To become a participating  
14 instrumentality, the Commission must apply to the Board in the  
15 manner set forth in paragraph (a) of this subsection (B). If  
16 the Board approves the application, under the criteria and  
17 procedures set forth in paragraph (a) and any other applicable  
18 rules, criteria, and procedures of the Board, participation by  
19 the Commission shall commence on the effective date specified  
20 by the Board.

21 (C) Prospective participants.

22 Beginning January 1, 1992, each prospective participating  
23 municipality or participating instrumentality shall pay to the  
24 Fund the cost, as determined by the Board, of a study prepared  
25 by the Fund or its actuary, detailing the prospective costs of

1 participation in the Fund to be expected by the municipality or  
2 instrumentality.

9 follows:

10 (105 ILCS 5/1A-8) (from Ch. 122, par. 1A-8)

11 Sec. 1A-8. Powers of the Board in Assisting Districts  
12 Deemed in Financial Difficulties. To promote the financial  
13 integrity of school districts, the State Board of Education  
14 shall be provided the necessary powers to promote sound  
15 financial management and continue operation of the public  
16 schools.

17 (a) The State Superintendent of Education may require a  
18 school district, including any district subject to Article 34A  
19 of this Code, to share financial information relevant to a  
20 proper investigation of the district's financial condition and  
21 the delivery of appropriate State financial, technical, and  
22 consulting services to the district if the district (i) has  
23 been designated, through the State Board of Education's School  
24 District Financial Profile System, as on financial warning or

1 financial watch status, (ii) has failed to file an annual  
2 financial report, annual budget, deficit reduction plan, or  
3 other financial information as required by law, (iii) has been  
4 identified, through the district's annual audit or other  
5 financial and management information, as in serious financial  
6 difficulty in the current or next school year, or (iv) is  
7 determined to be likely to fail to fully meet any regularly  
8 scheduled, payroll-period obligations when due or any debt  
9 service payments when due or both. In addition to financial,  
10 technical, and consulting services provided by the State Board  
11 of Education, at the request of a school district, the State  
12 Superintendent may provide for an independent financial  
13 consultant to assist the district review its financial  
14 condition and options.

15 (b) The State Board of Education, after proper  
16 investigation of a district's financial condition, may certify  
17 that a district, including any district subject to Article 34A,  
18 is in financial difficulty when any of the following conditions  
19 occur:

20 (1) The district has issued school or teacher orders  
21 for wages as permitted in Sections 8-16, 32-7.2 and 34-76  
22 of this Code.

23 (2) The district has issued tax anticipation warrants  
24 or tax anticipation notes in anticipation of a second  
25 year's taxes when warrants or notes in anticipation of  
26 current year taxes are still outstanding, as authorized by

1 Sections 17-16, 34-23, 34-59 and 34-63 of this Code, or has  
2 issued short-term debt against 2 future revenue sources,  
3 such as, but not limited to, tax anticipation warrants and  
4 general State Aid certificates or tax anticipation  
5 warrants and revenue anticipation notes.

6 (3) The district has for 2 consecutive years shown an  
7 excess of expenditures and other financing uses over  
8 revenues and other financing sources and beginning fund  
9 balances on its annual financial report for the aggregate  
10 totals of the Educational, Operations and Maintenance,  
11 Transportation, and Working Cash Funds.

12 (4) The district refuses to provide financial  
13 information or cooperate with the State Superintendent in  
14 an investigation of the district's financial condition.

15 (5) The district is likely to fail to fully meet any  
16 regularly scheduled, payroll-period obligations when due  
17 or any debt service payments when due or both.

18 No school district shall be certified by the State Board of  
19 Education to be in financial difficulty solely by reason of any  
20 of the above circumstances arising as a result of (i) the  
21 failure of the county to make any distribution of property tax  
22 money due the district at the time such distribution is due or  
23 (ii) the failure of this State to make timely payments of  
24 general State aid or any of the mandated categoricals; or if  
25 the district clearly demonstrates to the satisfaction of the  
26 State Board of Education at the time of its determination that

1 such condition no longer exists. If the State Board of  
2 Education certifies that a district in a city with 500,000  
3 inhabitants or more is in financial difficulty, the State Board  
4 shall so notify the Governor and the Mayor of the city in which  
5 the district is located. The State Board of Education may  
6 require school districts certified in financial difficulty,  
7 except those districts subject to Article 34A, to develop,  
8 adopt and submit a financial plan within 45 days after  
9 certification of financial difficulty. The financial plan  
10 shall be developed according to guidelines presented to the  
11 district by the State Board of Education within 14 days of  
12 certification. Such guidelines shall address the specific  
13 nature of each district's financial difficulties. Any proposed  
14 budget of the district shall be consistent with the financial  
15 plan submitted to and approved by the State Board of Education.

16 A district certified to be in financial difficulty, other  
17 than a district subject to Article 34A, shall report to the  
18 State Board of Education at such times and in such manner as  
19 the State Board may direct, concerning the district's  
20 compliance with each financial plan. The State Board may review  
21 the district's operations, obtain budgetary data and financial  
22 statements, require the district to produce reports, and have  
23 access to any other information in the possession of the  
24 district that it deems relevant. The State Board may issue  
25 recommendations or directives within its powers to the district  
26 to assist in compliance with the financial plan. The district

1 shall produce such budgetary data, financial statements,  
2 reports and other information and comply with such directives.  
3 If the State Board of Education determines that a district has  
4 failed to comply with its financial plan, the State Board of  
5 Education may rescind approval of the plan and appoint a  
6 Financial Oversight Panel for the district as provided in  
7 Section 1B-4. This action shall be taken only after the  
8 district has been given notice and an opportunity to appear  
9 before the State Board of Education to discuss its failure to  
10 comply with its financial plan.

11 No bonds, notes, teachers orders, tax anticipation  
12 warrants or other evidences of indebtedness shall be issued or  
13 sold by a school district or be legally binding upon or  
14 enforceable against a local board of education of a district  
15 certified to be in financial difficulty unless and until the  
16 financial plan required under this Section has been approved by  
17 the State Board of Education.

18 Any financial profile compiled and distributed by the State  
19 Board of Education in Fiscal Year 2009 or any fiscal year  
20 thereafter shall incorporate such adjustments as may be needed  
21 in the profile scores to reflect the financial effects of the  
22 inability or refusal of the State of Illinois to make timely  
23 disbursements of any general State aid or mandated categorical  
24 aid payments due school districts or to fully reimburse school  
25 districts for mandated categorical programs pursuant to  
26 reimbursement formulas provided in this School Code.

2 (105 ILCS 5/1B-8) (from Ch. 122, par. 1B-8)

3 Sec. 1B-8. There is created in the State Treasury a special  
4 fund to be known as the School District Emergency Financial  
5 Assistance Fund (the "Fund"). The School District Emergency  
6 Financial Assistance Fund shall consist of appropriations,  
7 loan repayments, grants from the federal government, and  
8 donations from any public or private source. Moneys in the Fund  
9 may be appropriated only to the Illinois Finance Authority and  
10 the State Board for those purposes authorized under this  
11 Article and Articles Article 1F and 1H of this Code. The  
12 appropriation may be allocated and expended by the State Board  
13 for contractual services ~~as grants~~ to provide technical  
14 assistance or consultation ~~and consulting services~~ to school  
15 districts to assess their financial condition and to Financial  
16 Oversight Panels that petition for emergency financial  
17 assistance grants. ~~The and by the~~ Illinois Finance Authority  
18 may provide ~~as~~ loans to school districts which are the subject  
19 of an approved petition for emergency financial assistance  
20 under Section 1B-4, ~~or~~ 1F-62, or 1H-65 of this Code. Neither  
21 the State Board of Education nor the Illinois Finance Authority  
22 may collect any fees for providing these services.

23 From the amount allocated to each such school district  
24 under this Article the State Board shall identify a sum  
25 sufficient to cover all approved costs of the Financial

1 Oversight Panel established for the respective school  
2 district. If the State Board and State Superintendent of  
3 Education have not approved emergency financial assistance in  
4 conjunction with the appointment of a Financial Oversight  
5 Panel, the Panel's approved costs shall be paid from deductions  
6 from the district's general State aid.

7 The Financial Oversight Panel may prepare and file with the  
8 State Superintendent a proposal for emergency financial  
9 assistance for the school district and for its operations  
10 budget. No expenditures from the Fund shall be authorized by  
11 the State Superintendent until he or she has approved the  
12 request ~~proposal~~ of the Panel, either as submitted or in such  
13 lesser amount determined by the State Superintendent.

14 The maximum amount of an emergency financial assistance  
15 loan which may be allocated to any school district under this  
16 Article, including moneys necessary for the operations of the  
17 Panel, shall not exceed \$4,000 times the number of pupils  
18 enrolled in the school district during the school year ending  
19 June 30 prior to the date of approval by the State Board of the  
20 petition for emergency financial assistance, as certified to  
21 the local board and the Panel by the State Superintendent. An  
22 emergency financial assistance grant shall not exceed \$1,000  
23 times the number of such pupils. A district may receive both a  
24 loan and a grant.

25 The payment of an emergency State financial assistance  
26 grant or loan shall be subject to appropriation by the General

1 Assembly. Payment of the emergency State financial assistance  
2 loan is subject to the applicable provisions of the Illinois  
3 Finance Authority Act. Emergency State financial assistance  
4 allocated and paid to a school district under this Article may  
5 be applied to any fund or funds from which the local board of  
6 education of that district is authorized to make expenditures  
7 by law.

8 Any emergency financial assistance grant proposed by the  
9 Financial Oversight Panel and approved by the State  
10 Superintendent may be paid in its entirety during the initial  
11 year of the Panel's existence or spread in equal or declining  
12 amounts over a period of years not to exceed the period of the  
13 Panel's existence. An emergency financial assistance loan  
14 proposed by the Financial Oversight Panel and approved by the  
15 Illinois Finance Authority may be paid in its entirety during  
16 the initial year of the Panel's existence or spread in equal or  
17 declining amounts over a period of years not to exceed the  
18 period of the Panel's existence. All loans ~~loan payments~~ made  
19 ~~by the Illinois Finance Authority from the School District~~  
20 ~~Emergency Financial Assistance Fund~~ for a school district shall  
21 be required to be repaid, with simple interest over the term of  
22 the loan at a rate equal to 50% of the one-year Constant  
23 Maturity Treasury (CMT) yield as last published by the Board of  
24 Governors of the Federal Reserve System before the date on  
25 which the district's loan is approved by the Illinois Finance  
26 Authority ~~State Board of Education~~, not later than the date the

1 Financial Oversight Panel ceases to exist. The Panel shall  
2 establish and the Illinois Finance Authority shall approve the  
3 terms and conditions, including the schedule, of repayments.  
4 The schedule shall provide for repayments commencing July 1 of  
5 each year or upon each fiscal year's receipt of moneys from a  
6 tax levy for emergency financial assistance. Repayment shall be  
7 incorporated into the annual budget of the school district and  
8 may be made from any fund or funds of the district in which  
9 there are moneys available. An emergency financial assistance  
10 loan to the Panel or district shall not be considered part of  
11 the calculation of a district's debt for purposes of the  
12 limitation specified in Section 19-1 of this Code. Default on  
13 repayment is subject to the Illinois Grant Funds Recovery Act.  
14 When moneys are repaid as provided herein they shall not be  
15 made available to the local board for further use as emergency  
16 financial assistance under this Article at any time thereafter.  
17 All repayments required to be made by a school district shall  
18 be received by the State Board and deposited in the School  
19 District Emergency Financial Assistance Fund.

20 In establishing the terms and conditions for the repayment  
21 obligation of the school district the Panel shall annually  
22 determine whether a separate local property tax levy is  
23 required. The board of any school district with a tax rate for  
24 educational purposes for the prior year of less than 120% of  
25 the maximum rate for educational purposes authorized by Section  
26 17-2 shall provide for a separate tax levy for emergency

1 financial assistance repayment purposes. Such tax levy shall  
2 not be subject to referendum approval. The amount of the levy  
3 shall be equal to the amount necessary to meet the annual  
4 repayment obligations of the district as established by the  
5 Panel, or 20% of the amount levied for educational purposes for  
6 the prior year, whichever is less. However, no district shall  
7 be required to levy the tax if the district's operating tax  
8 rate as determined under Section 18-8 or 18-8.05 exceeds 200%  
9 of the district's tax rate for educational purposes for the  
10 prior year.

4       Sec. 1H-5. Findings; purpose; intent.

5       (a) The General Assembly finds all of the following:

6           (1) A fundamental goal of the people of this State, as  
7 expressed in Section 1 of Article X of the Illinois  
8 Constitution, is the educational development of all  
9 persons to the limits of their capacities. When a board of  
10 education faces financial difficulties, continued  
11 operation of the public school system is threatened.

12           (2) A sound financial structure is essential to the  
13 continued operation of any school system. It is vital to  
14 commercial, educational, and cultural interests that  
15 public schools remain in operation. To achieve that goal,  
16 public school systems must have effective access to the  
17 private market to borrow short and long term funds.

18           (3) To promote the financial integrity of districts, as  
19 defined in this Article, it is necessary to provide for the  
20 creation of financial oversight panels with the powers  
21 necessary to promote sound financial management and to  
22 ensure the continued operation of the public schools.

23       (b) It is the purpose of this Article to provide a secure  
24 financial basis for the continued operation of public schools.  
25 The intention of the General Assembly, in creating this

1 Article, is to establish procedures, provide powers, and impose  
2 restrictions to ensure the financial and educational integrity  
3 of public school districts, while leaving principal  
4 responsibility for the educational policies of public schools  
5 to their boards of education, consistent with the requirements  
6 for satisfying the public policy and purpose set forth in this  
7 Article.

4       Sec. 1H-15. Establishment of Financial Oversight Panels;  
5 duties of district.

6       (a) A school district may petition the State Board for the  
7 establishment of a Financial Oversight Panel for the district  
8 or the State Board may establish a Panel without a petition  
9 from the district. The petition shall cite the reasons why the  
10 creation of a Financial Oversight Panel for the district is  
11 necessary. In determining whether or not to place a district  
12 under a Panel, the State Board shall consider all of the  
13 following:

14           (1) If a Panel is in the best educational and financial  
15 interests of the district.

16           (2) If a Panel is in the best interest of other schools  
17 in the area and the educational welfare of all the pupils  
18 therein.

19           (3) Whether the board of education has complied with  
20 the requirements of Section 1A-8 of this Code.

21       (b) Upon establishment of a Financial Oversight Panel, all  
22 of the following shall occur:

23           (1) There is established a body both corporate and  
24 politic to be known as the "(Name of School District)  
25 Financial Oversight Panel", which in this name shall

1 exercise all authority vested in a Panel by this Article.

2 (2) The powers and duties of a Financial Oversight  
3 Panel established pursuant to this Article shall include  
4 the duties and obligations of financial oversight panels  
5 established under Article 1B of this Code, in addition to  
6 any duties and obligations established under this Article.  
7 However, if there is any conflict between the provisions of  
8 this Article and the provisions of Article 1B of this Code,  
9 the provisions of this Article control.

10 (3) The Financial Oversight Panel, the school board,  
11 and the district superintendent or chief executive officer  
12 shall develop goals and objectives to assist the district  
13 in obtaining financial stability. The goals and objectives  
14 must be developed as part of the financial plan that the  
15 school board is required to develop, adopt, and submit to  
16 the Panel in accordance with Section 1B-12 of this Code.  
17 The goals and objectives must be formally reviewed at  
18 agreed to intervals, but at least one time per year. Review  
19 shall include progress made and recommendations and  
20 modifications needed to achieve abolition of financial  
21 oversight provided for under Section 1H-115 of this Code.

22 (c) Any school district having a Financial Oversight Panel  
23 established under Article 1B of this Code or any Financial  
24 Oversight Panel established under Article 1B may petition the  
25 State Board for the establishment of a Financial Oversight  
26 Panel under this Article and concurrent dissolution of the

1 Article 1B Panel. All records, papers, books, funds, or other  
2 assets or liabilities belonging to the dissolving Financial  
3 Oversight Panel shall be transferred to the newly established  
4 Financial Oversight Panel.

5 (105 ILCS 5/1H-20 new)

6 Sec. 1H-20. Members of Panel; meetings.

7 (a) Upon establishment of a Financial Oversight Panel under  
8 Section 1H-15 of this Code, the State Superintendent shall  
9 within 15 working days thereafter appoint 5 members to serve on  
10 a Financial Oversight Panel for the district. Members appointed  
11 to the Panel shall serve at the pleasure of the State  
12 Superintendent. The State Superintendent shall designate one  
13 of the members of the Panel to serve as its Chairperson. In the  
14 event of vacancy or resignation, the State Superintendent  
15 shall, within 10 days after receiving notice, appoint a  
16 successor to serve out that member's term.

17 (b) Members of the Panel shall be selected primarily on the  
18 basis of their experience and education in financial  
19 management, with consideration given to persons knowledgeable  
20 in education finance. Two members of the Panel shall be  
21 residents of the school district that the Panel serves. A  
22 member of the Panel may not be a member of the district's  
23 school board or an employee of the district nor may a member  
24 have a direct financial interest in the district.

25 (c) Panel members may be reimbursed by the State Board for

1 travel and other necessary expenses incurred in the performance  
2 of their official duties. The amount reimbursed members for  
3 their expenses shall be charged to the school district as part  
4 of any emergency financial assistance and incorporated as a  
5 part of the terms and conditions for repayment of the  
6 assistance or shall be deducted from the district's general  
7 State aid as provided in Section 1H-65 of this Code.

8 (d) With the exception of the chairperson, who shall be  
9 designated as provided in subsection (a) of this Section, the  
10 Panel may elect such officers as it deems appropriate.

11 (e) The first meeting of the Panel shall be held at the  
12 call of the Chairperson. The Panel shall prescribe the times  
13 and places for its meetings and the manner in which regular and  
14 special meetings may be called and shall comply with the Open  
15 Meetings Act. The Panel shall also comply with the Freedom of  
16 Information Act.

17 (f) Three members of the Panel shall constitute a quorum. A  
18 majority of members present is required to pass a measure.

19 (105 ILCS 5/1H-25 new)

20 Sec. 1H-25. General powers.

21 (a) The purposes of the Panel shall be to exercise  
22 financial control over the district and to furnish financial  
23 assistance so that the district can provide public education  
24 within the district's jurisdiction while permitting the  
25 district to meet its obligations to its creditors and the

1 holders of its debt. Except as expressly limited by this  
2 Article, the Panel shall have all powers granted to a voluntary  
3 or involuntary Financial Oversight Panel and to a Financial  
4 Administrator under Article 1B of this Code and all other  
5 powers necessary to meet its responsibilities and to carry out  
6 its purposes and the purposes of this Article, including  
7 without limitation all of the following powers, provided that  
8 the Panel shall have no power to terminate an employee without  
9 following the statutory procedures for such terminations set  
10 forth in this Code:

13       the district, either for transportation, educational, or  
14       all operations and maintenance purposes or for payments to  
15       the Illinois Municipal Retirement Fund, as the case may be,  
16       to the extent of 75% of the total amount of the tax so

10 this Code, an approved financial plan, and a statement of the  
11 major steps necessary to accomplish the objectives of the  
12 financial plan. This report must be submitted annually by March  
13 1 of each year and must detail information from the previous

17 the Panel.

18 (105 ILCS 5/1H-95 new)

6 Panel. Any State agency, unit of local government, or school  
7 district may, within its lawful powers and duties, render such  
8 services to the Panel as may be requested by the Panel. Upon  
9 request of the Panel, any State agency, unit of local

20 (a) No member, officer, employee, or agent of the district  
21 may commit the district to any contract or other obligation or  
22 incur any liability on behalf of the district for any purpose  
23 if the amount of the contract, obligation, or liability is in

1 under the financial plan and budget then in effect.

2 (b) No member, officer, employee, or agent of the district  
3 may commit the district to any contract or other obligation on

13 upon learning that any such information is false or misleading,  
14 may fail promptly to advise the Panel or its agents.

15 (d) In addition to any penalty or liability under any other  
16 law, any member, officer, employee, or agent of the district  
17 who violates subsection (a), (b), or (c) of this Section is  
18 subject to appropriate administrative discipline as may be  
19 imposed by the Panel, including, if warranted, suspension from  
20 duty without pay, removal from office, or termination of  
21 employment.

22 (105 ILCS 5/1H-115 new)

23 Sec. 1H-115. Abolition of Panel.

24 (a) Except as provided in subsections (b), (c), and (d) of  
25 this Section, the Panel shall be abolished 10 years after its

1 creation.

2 (b) The State Board, upon recommendation of the Panel or  
3 petition of the school board, may abolish the Panel at any time  
4 after the Panel has been in existence for 3 years if no  
5 obligations of the Panel are outstanding or remain undefeased  
6 and upon investigation and finding the following:

7 (1) none of the factors specified in Section 1A-8 of  
8 this Code remain applicable to the district; and

9 (2) substantial achievement of the goals and  
10 objectives established pursuant to the financial plan and  
11 required under Section 1H-15 of this Code.

12 (c) The Panel of a district that otherwise meets all of the  
13 requirements for abolition of a Panel under subsection (b) of  
14 this Section, except for the fact that there are outstanding  
15 financial obligations of the Panel, may petition the State  
16 Board for reinstatement of all of the school boards powers and  
17 duties assumed by the Panel; and if approved by the State  
18 Board, then the following shall occur:

19 (1) the Panel shall continue in operation, but its  
20 powers and duties shall be limited to those necessary to  
21 manage and administer its outstanding obligations;

22 (2) the school board shall once again begin exercising  
23 all of the powers and duties otherwise allowed by statute;  
24 and

25 (3) the Panel shall be abolished as provided in

1       (d) If the Panel of a district that otherwise meets all of  
2 the requirements for abolition of a Panel under subsection (b)  
3 of this Section, except for outstanding obligations of the  
4 Panel, then the district may petition the State Board for  
5 abolition of the Panel if the district does the following:

6           (1) establishes an irrevocable trust fund, the purpose  
7 of which is to provide moneys to defease the outstanding  
8 obligations of the Panel; and

9           (2) issues funding bonds pursuant to the provisions of  
10 Section 19-8 and 19-9 of this Code.

11       A district with a Panel that falls under these provisions  
12 shall be abolished as provided in subsection (a) of this  
13 Section.

14       (105 ILCS 5/1H-120 new)

15       Sec. 1H-120. Indemnification; legal representation;  
16 limitations of actions after abolition.

17       (a) The Panel may indemnify any member, officer, employee,  
18 or agent who was or is a party or is threatened to be made a  
19 party to any threatened, pending, or completed action, suit, or  
20 proceeding, whether civil, criminal, administrative, or  
21 investigative, by reason of the fact that he or she was a  
22 member, officer, employee, or agent of the Panel, against  
23 expenses (including attorney's fees, judgments, fines, and  
24 amounts paid in settlement actually and reasonably incurred by  
25 him or her in connection with the action, suit, or proceeding)

1 if he or she acted in good faith and in a manner that he or she  
2 reasonably believed to be in or not opposed to the best  
3 interests of the Panel and, with respect to any criminal action  
4 or proceeding, had no reasonable cause to believe his or her  
5 conduct was unlawful. The termination of any action, suit, or  
6 proceeding by judgment, order, settlement, or conviction or  
7 upon a plea of nolo contendere or its equivalent, shall not, of  
8 itself, create a presumption that the person did not act in  
9 good faith in a manner that he or she reasonably believed to be  
10 in or not opposed to the best interests of the Panel and, with  
11 respect to any criminal action or proceeding, had reasonable  
12 cause to believe that his or her conduct was unlawful.

13 To the extent that a member, officer, employee, or agent of  
14 the Panel has been successful, on the merits or otherwise, in  
15 the defense of any such action, suit, or proceeding referred to  
16 in this subsection (b) or in defense of any claim, issue, or  
17 matter therein, he or she shall be indemnified against  
18 expenses, including attorney's fees, actually and reasonably  
19 incurred by him or her in connection therewith. Any such  
20 indemnification shall be made by the Panel only as authorized  
21 in the specific case, upon a determination that indemnification  
22 of the member, officer, employee, or agent is proper in the  
23 circumstances because he or she has met the applicable standard  
24 of conduct. The determination shall be made (i) by the Panel by  
25 a majority vote of a quorum consisting of members who are not  
26 parties to the action, suit, or proceeding or (ii) if such a

1 quorum is not obtainable or, even if obtainable, a quorum of  
2 disinterested members so directs, by independent legal counsel  
3 in a written opinion.

4 Reasonable expenses incurred in defending an action, suit,  
5 or proceeding shall be paid by the Panel in advance of the  
6 final disposition of the action, suit, or proceeding, as  
7 authorized by the Panel in the specific case, upon receipt of  
8 an undertaking by or on behalf of the member, officer,  
9 employee, or agent to repay the amount, unless it is ultimately  
10 determined that he or she is entitled to be indemnified by the  
11 Panel as authorized in this Section.

12 Any member, officer, employee, or agent against whom any  
13 action, suit, or proceeding is brought may employ his or her  
14 own attorney to appear on his or her behalf.

15 The right to indemnification accorded by this Section shall  
16 not limit any other right to indemnification to which the

19 (105 ILCS 5/10-16.11 new)

20 Sec. 10-16.11. Payment of outstanding obligations of a  
21 Financial Oversight Panel. The school board of a district  
22 subject to a Financial Oversight Panel pursuant to Article 1H  
23 of this Code that, except for the existence of outstanding

1 be able to seek abolition of the Panel pursuant to Section  
2 1H-115 of this Code may: (1) spend surplus district funds in an  
3 amount sufficient to liquidate the outstanding obligations of  
4 the Financial Oversight Panel or (2) issue funding bonds for  
5 such purpose as authorized by Sections 19-8 and 19-9 of this  
6 Code.

7 (105 ILCS 5/17-1) (from Ch. 122, par. 17-1)

8 Sec. 17-1. Annual Budget. The board of education of each  
9 school district under 500,000 inhabitants shall, within or  
10 before the first quarter of each fiscal year, adopt and file  
11 with the State Board of Education an annual balanced budget  
12 which it deems necessary to defray all necessary expenses and  
13 liabilities of the district, and in such annual budget shall  
14 specify the objects and purposes of each item and amount needed  
15 for each object or purpose.

16 The budget shall be entered upon a School District Budget  
17 form prepared and provided by the State Board of Education and  
18 therein shall contain a statement of the cash on hand at the  
19 beginning of the fiscal year, an estimate of the cash expected  
20 to be received during such fiscal year from all sources, an  
21 estimate of the expenditures contemplated for such fiscal year,  
22 and a statement of the estimated cash expected to be on hand at  
23 the end of such year. The estimate of taxes to be received may  
24 be based upon the amount of actual cash receipts that may  
25 reasonably be expected by the district during such fiscal year,

1 estimated from the experience of the district in prior years  
2 and with due regard for other circumstances that may  
3 substantially affect such receipts. Nothing in this Section  
4 shall be construed as requiring any district to change or  
5 preventing any district from changing from a cash basis of  
6 financing to a surplus or deficit basis of financing; or as  
7 requiring any district to change or preventing any district  
8 from changing its system of accounting.

9 To the extent that a school district's budget is not  
10 balanced, the district shall also adopt and file with the State  
11 Board of Education a deficit reduction plan to balance the  
12 district's budget within 3 years. The deficit reduction plan  
13 must be filed at the same time as the budget, but the State  
14 Superintendent of Education may extend this deadline if the  
15 situation warrants.

16 If, as the result of an audit performed in compliance with  
17 Section 3-7 of this Code, the resulting Annual Financial Report  
18 required to be submitted pursuant to Section 3-15.1 of this  
19 Code reflects a deficit as defined for purposes of the  
20 preceding paragraph; then the district shall, within 30 days  
21 after acceptance of such audit report, submit a deficit  
22 reduction plan.

23 The board of education of each district shall fix a fiscal  
24 year therefor. If the beginning of the fiscal year of a  
25 district is subsequent to the time that the tax levy due to be  
26 made in such fiscal year shall be made, then such annual budget

1 shall be adopted prior to the time such tax levy shall be made.  
2 The failure by a board of education of any district to adopt an  
3 annual budget, or to comply in any respect with the provisions  
4 of this Section, shall not affect the validity of any tax levy  
5 of the district otherwise in conformity with the law. With  
6 respect to taxes levied either before, on, or after the  
7 effective date of this amendatory Act of the 91st General  
8 Assembly, (i) a tax levy is made for the fiscal year in which  
9 the levy is due to be made regardless of which fiscal year the  
10 proceeds of the levy are expended or are intended to be  
11 expended, and (ii) except as otherwise provided by law, a board  
12 of education's adoption of an annual budget in conformity with  
13 this Section is not a prerequisite to the adoption of a valid  
14 tax levy and is not a limit on the amount of the levy.

15 Such budget shall be prepared in tentative form by some  
16 person or persons designated by the board, and in such  
17 tentative form shall be made conveniently available to public  
18 inspection for at least 30 days prior to final action thereon.  
19 At least 1 public hearing shall be held as to such budget prior  
20 to final action thereon. Notice of availability for public  
21 inspection and of such public hearing shall be given by  
22 publication in a newspaper published in such district, at least  
23 30 days prior to the time of such hearing. If there is no  
24 newspaper published in such district, notice of such public  
25 hearing shall be given by posting notices thereof in 5 of the  
26 most public places in such district. It shall be the duty of

1 the secretary of such board to make such tentative budget  
2 available to public inspection, and to arrange for such public  
3 hearing. The board may from time to time make transfers between  
4 the various items in any fund not exceeding in the aggregate  
5 10% of the total of such fund as set forth in the budget. The  
6 board may from time to time amend such budget by the same  
7 procedure as is herein provided for its original adoption.

8 Beginning July 1, 1976, the board of education, or regional  
9 superintendent, or governing board responsible for the  
10 administration of a joint agreement shall, by September 1 of  
11 each fiscal year thereafter, adopt an annual budget for the  
12 joint agreement in the same manner and subject to the same  
13 requirements as are provided in this Section.

14 The State Board of Education shall exercise powers and  
15 duties relating to budgets as provided in Section 2-3.27 of  
16 this Code and shall require school districts to submit their  
17 annual budgets, deficit reduction plans, and other financial  
18 information, including revenue and expenditure reports and  
19 borrowing and interfund transfer plans, in such form and within  
20 the timelines designated by the State Board of Education.

21 By fiscal year 1982 all school districts shall use the  
22 Program Budget Accounting System.

23 In the case of a school district receiving emergency State  
24 financial assistance under Article 1B, the school board shall  
25 also be subject to the requirements established under Article  
26 1B with respect to the annual budget.

3 Sec. 17-11. Certificate of tax levy.

4 (a) The school board of each district, other than a school  
5 district subject to the authority of a Financial Oversight  
6 Panel pursuant to Article 1H of this Code, shall ascertain, as  
7 near as practicable, annually, how much money must be raised by  
8 special tax for transportation purposes if any and for  
9 educational and for operations and maintenance purposes for the  
10 next ensuing year. In school districts with a population of  
11 less than 500,000, these amounts shall be certified and  
12 returned to each county clerk on or before the last Tuesday in  
13 December, annually. The certificate shall be signed by the  
14 president and clerk or secretary, and may be in the following  
15 form:

18 dollars, to be levied as a special tax for transportation  
19 purposes and the sum of ..... dollars to be levied as a  
20 special tax for educational purposes, and the sum .....  
21 dollars to be levied as a special tax for operations and  
22 maintenance purposes, and the sum of ..... to be levied as a  
23 special tax for a working cash fund, on the equalized assessed  
24 value of the taxable property of our district, for the year  
25 (insert year).

1 Signed on (insert date).  
 2 A ..... B ....., President  
 3 C ..... D....., Clerk (Secretary)  
 4 Dist. No. ...., ..... County

5 (b) A failure by the school board to file the certificate  
 6 with the county clerk in the time required shall not vitiate  
 7 the assessment.

8 (c) A school district subject to the authority of a  
 9 Financial Oversight Panel pursuant to Article 1H of this Code  
 10 shall file a certificate of tax levy as otherwise provided by  
 11 this Section, except that such certificate shall be certified  
 12 and returned to each county clerk on or before the first  
 13 Tuesday in November annually. If, for whatever reason, the  
 14 district fails to certify and return the certificate of tax  
 15 levy to each county clerk on or before the first Tuesday in  
 16 November annually, then the Financial Oversight Panel for such  
 17 school district shall proceed to adopt, certify, and return a  
 18 certificate of tax levy for such school district to each county  
 19 clerk on or before the last Tuesday in December annually.
