1 AMENDMENT TO HOUSE BILL 3342

2 AMENDMENT NO. _____. Amend House Bill 3342 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from disclosure
10 under this Section, but also contains information that is not
11 exempt from disclosure, the public body may elect to redact the
12 information that is exempt. The public body shall make the
13 remaining information available for inspection and copying.
14 Subject to this requirement, the following shall be exempt from
15 inspection and copying:

16 (a) Information specifically prohibited from

1 disclosure by federal or State law or rules and regulations
2 implementing federal or State law.

3 (b) Private information, unless disclosure is required
4 by another provision of this Act, a State or federal law or
5 a court order.

6 (b-5) Files, documents, and other data or databases
7 maintained by one or more law enforcement agencies and
8 specifically designed to provide information to one or more
9 law enforcement agencies regarding the physical or mental
10 status of one or more individual subjects.

11 (c) Personal information contained within public
12 records, the disclosure of which would constitute a clearly
13 unwarranted invasion of personal privacy, unless the
14 disclosure is consented to in writing by the individual
15 subjects of the information. "Unwarranted invasion of
16 personal privacy" means the disclosure of information that
17 is highly personal or objectionable to a reasonable person
18 and in which the subject's right to privacy outweighs any
19 legitimate public interest in obtaining the information.
20 The disclosure of information that bears on the public
21 duties of public employees and officials shall not be
22 considered an invasion of personal privacy.

23 (d) Records in the possession of any public body
24 created in the course of administrative enforcement
25 proceedings, and any law enforcement or correctional
26 agency for law enforcement purposes, but only to the extent

1 that disclosure would:

2 (i) interfere with pending or actually and
3 reasonably contemplated law enforcement proceedings
4 conducted by any law enforcement or correctional
5 agency that is the recipient of the request;

6 (ii) interfere with active administrative
7 enforcement proceedings conducted by the public body
8 that is the recipient of the request;

9 (iii) create a substantial likelihood that a
10 person will be deprived of a fair trial or an impartial
11 hearing;

12 (iv) unavoidably disclose the identity of a
13 confidential source, confidential information
14 furnished only by the confidential source, or persons
15 who file complaints with or provide information to
16 administrative, investigative, law enforcement, or
17 penal agencies; except that the identities of
18 witnesses to traffic accidents, traffic accident
19 reports, and rescue reports shall be provided by
20 agencies of local government, except when disclosure
21 would interfere with an active criminal investigation
22 conducted by the agency that is the recipient of the
23 request;

24 (v) disclose unique or specialized investigative
25 techniques other than those generally used and known or
26 disclose internal documents of correctional agencies

1 related to detection, observation or investigation of
2 incidents of crime or misconduct, and disclosure would
3 result in demonstrable harm to the agency or public
4 body that is the recipient of the request;

5 (vi) endanger the life or physical safety of law
6 enforcement personnel or any other person; or

7 (vii) obstruct an ongoing criminal investigation
8 by the agency that is the recipient of the request.

9 (e) Records that relate to or affect the security of
10 correctional institutions and detention facilities.

11 (f) Preliminary drafts, notes, recommendations,
12 memoranda and other records in which opinions are
13 expressed, or policies or actions are formulated, except
14 that a specific record or relevant portion of a record
15 shall not be exempt when the record is publicly cited and
16 identified by the head of the public body. The exemption
17 provided in this paragraph (f) extends to all those records
18 of officers and agencies of the General Assembly that
19 pertain to the preparation of legislative documents.

20 (g) Trade secrets and commercial or financial
21 information obtained from a person or business where the
22 trade secrets or commercial or financial information are
23 furnished under a claim that they are proprietary,
24 privileged or confidential, and that disclosure of the
25 trade secrets or commercial or financial information would
26 cause competitive harm to the person or business, and only

1 insofar as the claim directly applies to the records
2 requested.

3 The information included under this exemption includes
4 all trade secrets and commercial or financial information
5 obtained by a public body, including a public pension fund,
6 from a private equity fund or a privately held company
7 within the investment portfolio of a private equity fund as
8 a result of either investing or evaluating a potential
9 investment of public funds in a private equity fund. The
10 exemption contained in this item does not apply to the
11 aggregate financial performance information of a private
12 equity fund, nor to the identity of the fund's managers or
13 general partners. The exemption contained in this item does
14 not apply to the identity of a privately held company
15 within the investment portfolio of a private equity fund,
16 unless the disclosure of the identity of a privately held
17 company may cause competitive harm.

18 Nothing contained in this paragraph (g) shall be
19 construed to prevent a person or business from consenting
20 to disclosure.

21 (h) Proposals and bids for any contract, grant, or
22 agreement, including information which if it were
23 disclosed would frustrate procurement or give an advantage
24 to any person proposing to enter into a contractor
25 agreement with the body, until an award or final selection
26 is made. Information prepared by or for the body in

1 preparation of a bid solicitation shall be exempt until an
2 award or final selection is made.

3 (i) Valuable formulae, computer geographic systems,
4 designs, drawings and research data obtained or produced by
5 any public body when disclosure could reasonably be
6 expected to produce private gain or public loss. The
7 exemption for "computer geographic systems" provided in
8 this paragraph (i) does not extend to requests made by news
9 media as defined in Section 2 of this Act when the
10 requested information is not otherwise exempt and the only
11 purpose of the request is to access and disseminate
12 information regarding the health, safety, welfare, or
13 legal rights of the general public.

14 (j) The following information pertaining to
15 educational matters:

16 (i) test questions, scoring keys and other
17 examination data used to administer an academic
18 examination;

19 (ii) information received by a primary or
20 secondary school, college, or university under its
21 procedures for the evaluation of faculty members by
22 their academic peers;

23 (iii) information concerning a school or
24 university's adjudication of student disciplinary
25 cases, but only to the extent that disclosure would
26 unavoidably reveal the identity of the student; and

1 (iv) course materials or research materials used
2 by faculty members.

3 (k) Architects' plans, engineers' technical
4 submissions, and other construction related technical
5 documents for projects not constructed or developed in
6 whole or in part with public funds and the same for
7 projects constructed or developed with public funds,
8 including but not limited to power generating and
9 distribution stations and other transmission and
10 distribution facilities, water treatment facilities,
11 airport facilities, sport stadiums, convention centers,
12 and all government owned, operated, or occupied buildings,
13 but only to the extent that disclosure would compromise
14 security.

15 (l) Minutes of meetings of public bodies closed to the
16 public as provided in the Open Meetings Act until the
17 public body makes the minutes available to the public under
18 Section 2.06 of the Open Meetings Act.

19 (m) Communications between a public body and an
20 attorney or auditor representing the public body that would
21 not be subject to discovery in litigation, and materials
22 prepared or compiled by or for a public body in
23 anticipation of a criminal, civil or administrative
24 proceeding upon the request of an attorney advising the
25 public body, and materials prepared or compiled with
26 respect to internal audits of public bodies.

1 (n) Records relating to a public body's adjudication of
2 employee grievances or disciplinary cases; however, this
3 exemption shall not extend to the final outcome of cases in
4 which discipline is imposed.

5 (o) Administrative or technical information associated
6 with automated data processing operations, including but
7 not limited to software, operating protocols, computer
8 program abstracts, file layouts, source listings, object
9 modules, load modules, user guides, documentation
10 pertaining to all logical and physical design of
11 computerized systems, employee manuals, and any other
12 information that, if disclosed, would jeopardize the
13 security of the system or its data or the security of
14 materials exempt under this Section.

15 (p) Records relating to collective negotiating matters
16 between public bodies and their employees or
17 representatives, except that any final contract or
18 agreement shall be subject to inspection and copying.

19 (q) Test questions, scoring keys, and other
20 examination data used to determine the qualifications of an
21 applicant for a license or employment.

22 (r) The records, documents, and information relating
23 to real estate purchase negotiations until those
24 negotiations have been completed or otherwise terminated.
25 With regard to a parcel involved in a pending or actually

2 information relating to that parcel shall be exempt except
3 as may be allowed under discovery rules adopted by the
4 Illinois Supreme Court. The records, documents and

6 until a sale is consummated.

13 insurance pool) claims, loss or risk management
14 information, records, data, advice or communications.

15 (t) Information contained in or related to
16 examination, operating, or condition reports prepared by,
17 on behalf of, or for the use of a public body responsible
18 for the regulation or supervision of financial
19 institutions or insurance companies, unless disclosure is
20 otherwise required by State law.

21 (u) Information that would disclose or might lead to
22 the disclosure of secret or confidential information,
23 codes, algorithms, programs, or private keys intended to be
24 used to create electronic or digital signatures under the
25 Electronic Commerce Security Act.

26 (v) Vulnerability assessments, security measures, and

1 response policies or plans that are designed to identify,
2 prevent, or respond to potential attacks upon a community's
3 population or systems, facilities, or installations, the
4 destruction or contamination of which would constitute a
5 clear and present danger to the health or safety of the
6 community, but only to the extent that disclosure could
7 reasonably be expected to jeopardize the effectiveness of
8 the measures or the safety of the personnel who implement
9 them or the public. Information exempt under this item may
10 include such things as details pertaining to the

21 the operation of its electronic toll collection system.

22 (b) The Authority may, within practical business and cost

24 electronic toll collection system user only if the information

1 is required to perform account functions such as billing,
2 account settlement, or toll violation enforcement activities.

3 (c) By no later than December 31, 2011, the Authority shall
4 establish a privacy policy regarding the collection and use of
5 personally identifiable information. Upon its adoption, the
