26 identified causative agent of acquired immunodeficiency

1 syndrome (AIDS).

2 (5) Establish regional and community service networks of  
3 public and private service providers or health care

4 eligible under Article V of the Illinois Public Aid Code for  
5 Medical Assistance, as provided under Title 77, Chapter 1,  
6 Subchapter (k), Part 692, Section 692.10 of the Illinois  
7 Administrative Code, effective August 1, 2000, except that the  
8 financial qualification for that program shall be that the  
9 anticipated gross monthly income shall be at or below 500% of  
10 the most recent Federal Poverty Guidelines published annually  
11 by the United States Department of Health and Human Services  
12 for the size of the household. Notwithstanding the preceding  
13 sentence, the Department of Public Health may determine the  
14 income eligibility standard for the AIDS Drug Assistance  
15 Program each year and may set the standard at more than 500% of  
16 the Federal Poverty Guidelines for the size of the household,  
17 provided that moneys appropriated to the Department for the  
18 program are sufficient to cover the increased cost of  
19 implementing the higher income eligibility standard.  
20 Rulemaking authority to implement this amendatory Act of the  
21 95th General Assembly, if any, is conditioned on the rules  
22 being adopted in accordance with all provisions of the Illinois  
23 Administrative Procedure Act and all rules and procedures of  
24 the Joint Committee on Administrative Rules; any purported rule  
25 not so adopted, for whatever reason, is unauthorized. If the  
26 Department reduces the financial qualification for new

1 applicants while allowing currently enrolled individuals to  
2 remain on the program, the Department shall maintain a waiting  
3 list of applicants who would otherwise be eligible except that  
4 they do not meet the financial qualifications. Upon  
5 determination that program finances are adequate, the  
6 Department shall permit qualified individuals who are on the  
7 waiting list to enroll in the program.

8 (14) In order to implement the provisions of Public Act  
9 95-7, the Department must expand HIV testing in health care  
10 settings where undiagnosed individuals are likely to be  
11 identified. The Department must purchase rapid HIV kits and  
12 make grants for technical assistance, staff to conduct HIV  
13 testing and counseling, and related purposes. The Department  
14 must make grants to (i) facilities serving patients that are  
15 uninsured at high rates, (ii) facilities located in areas with  
16 a high prevalence of HIV or AIDS, (iii) facilities that have a  
17 high likelihood of identifying individuals who are undiagnosed  
18 with HIV or AIDS, or (iv) any combination of items (i), (ii),

22 Section 3. The Disabled Persons Rehabilitation Act is  
23 amended by adding Section 10a as follows:

24 (20 ILCS 2405/10a new)

1       Sec. 10a. Financial Participation of Students Attending  
2 the Illinois School for the Deaf and the Illinois School for  
3 the Visually Impaired.

4       (a) General. The Illinois School for the Deaf and the  
5 Illinois School for the Visually Impaired are required to  
6 provide eligible students with disabilities with a free and  
7 appropriate education. As part of the admission process to  
8 either school, the Department shall complete a financial  
9 analysis on each student attending the Illinois School for the  
10 Deaf or the Illinois School for the Visually Impaired and shall  
11 ask parents or guardians to participate, if applicable, in the  
12 cost of identified services or activities that are not  
13 education related.

14       (b) Completion of financial analysis. Prior to admission,  
15 and annually thereafter, a financial analysis shall be  
16 completed on each student attending the Illinois School for the  
17 Deaf or the Illinois School for the Visually Impaired. If at  
18 any time there is reason to believe there is a change in the  
19 student's financial situation that will affect their financial  
20 participation, a new financial analysis shall be completed.

21       (1) In completing the student's financial analysis,  
22 the income of the student's family shall be used. Proof of  
23 income must be provided and retained for each parent or  
24 guardian.

25       (2) Any funds that have been established on behalf of  
26 the student for completion of their primary or secondary

1 education shall be considered when completing the  
2 financial analysis.

3 (3) Falsification of information used to complete the  
4 financial analysis may result in the Department taking  
5 action to recoup monies previously expended by the  
6 Department in providing services to the student.

7 (c) Financial Participation. Utilizing a sliding scale  
8 based on income standards developed by rule by the Department  
9 with input from the superintendent of each school, parents or  
10 guardians of students attending the Illinois School for the  
11 Deaf or the Illinois School for the Visually Impaired may be  
12 asked to financially participate in the following fees for  
13 services or activities provided at the schools:

14 (1) Registration.

15 (2) Books, labs, and supplies (fees may vary depending  
16 on the classes in which a student participates).

17 (3) Room and board for residential students.

18 (4) Meals for day students.

19 (5) Athletic or extracurricular activities (students  
20 participating in multiple activities will not be required  
21 to pay for more than 2 activities).

22 (6) Driver's education (if applicable).

23 (7) Graduation.

24 (8) Yearbook (optional).

25 (9) Activities (field trips or other leisure  
26 activities).

1           (10) Other activities or services identified by the  
2           Department.

3           Students, parents, or guardians who are receiving Medicaid  
4           or Temporary Assistance for Needy Families (TANF) shall not be  
5           required to financially participate in the fees established in  
6           this subsection (c).

7           Exceptions may be granted to parents or guardians who are  
8           unable to meet the financial participation obligations due to  
9           extenuating circumstances. Requests for exceptions must be  
10          made in writing and must be submitted to the superintendent for  
11          initial recommendation with a final determination by the  
12          Director of the Division of Rehabilitation Services.

13          Any fees collected under this subsection (c) shall be held  
14          locally by the school and used exclusively for the purpose for  
15          which the fee was assessed.

16          Section 5. The State Prompt Payment Act is amended by  
17          changing Section 3-2 as follows:

18               (30 ILCS 540/3-2)

19          Sec. 3-2. Beginning July 1, 1993, in any instance where a

10 each month or fraction thereof after the end of this 60-day  
11 ~~60-day~~ period, until final payment is made. Any bill,  
12 except a bill for pharmacy or nursing facility services or  
13 goods and except as provided under paragraph (1.05) of this  
14 Section, submitted under Article V of the Illinois Public  
15 Aid Code approved for payment under this Section must be  
16 paid or the payment issued to the payee within 60 days

5 this 60-day ~~60-day~~ period, until final payment is made.

6 (1.05) For State fiscal year 2012 and future fiscal  
7 years, any bill approved for payment under this Section

13 end of this 90-day period, until final payment is made.

14 (1.1) A State agency shall review in a timely manner  
15 each bill or invoice after its receipt. If the State agency  
16 determines that the bill or invoice contains a defect  
17 making it unable to process the payment request, the agency  
18 shall notify the vendor requesting payment as soon as  
19 possible after discovering the defect pursuant to rules  
20 promulgated under Section 3-3; provided, however, that the  
21 notice for construction related bills or invoices must be  
22 given not later than 30 days after the bill or invoice was  
23 first submitted. The notice shall identify the defect and  
24 any additional information necessary to correct the  
25 defect. If one or more items on a construction related bill  
26 or invoice are disapproved, but not the entire bill or

1 invoice, then the portion that is not disapproved shall be  
2 paid.

3 (2) Where a State official or agency is late in payment

6 are not reduced to writing as a contractual agreement, the  
7 State official or agency shall automatically pay interest  
8 penalties required by this Section amounting to \$50 or more  
9 to the appropriate vendor. Each agency shall be responsible  
10 for determining whether an interest penalty is owed and for

16 individual.

17 (3) The first month's premium must be paid if  
18 there was an unpaid premium on the date the  
19 individual's previous coverage was canceled.

20 The Department is authorized to implement the  
21 provisions of this amendatory Act of the 95th General  
22 Assembly by adopting the medical assistance rules in effect  
23 as of October 1, 2007, at 89 Ill. Admin. Code 125, and at  
24 89 Ill. Admin. Code 120.32 along with only those changes  
25 necessary to conform to federal Medicaid requirements,  
26 federal laws, and federal regulations, including but not

1 limited to Section 1931 of the Social Security Act (42  
2 U.S.C. Sec. 1396u-1), as interpreted by the U.S. Department

6 this increase except as authorized by law, to meet the

16 purposes of this paragraph 16, uninsured persons are those  
17 who do not have creditable coverage, as defined under the

20 have had, for prostate or testicular cancer diagnostic  
21 evaluation or treatment, or both diagnostic evaluation and  
22 treatment. To be eligible, a person must furnish a Social  
23 Security number. A person's assets are exempt from  
24 consideration in determining eligibility under this  
25 paragraph 16. Such persons shall be eligible for medical  
26 assistance under this paragraph 16 for so long as they need

1 treatment for the cancer. A person shall be considered to  
2 need treatment if, in the opinion of the person's treating  
3 physician, the person requires therapy directed toward  
4 cure or palliation of prostate or testicular cancer,  
5 including recurrent metastatic cancer that is a known or  
6 presumed complication of prostate or testicular cancer and  
7 complications resulting from the treatment modalities  
8 themselves. Persons who require only routine monitoring  
9 services are not considered to need treatment. "Medical  
10 assistance" under this paragraph 16 shall be identical to  
11 the benefits provided under the State's approved plan under  
12 Title XIX of the Social Security Act. Notwithstanding any  
13 other provision of law, the Department (i) does not have a

18 services under this paragraph 16.

19 In implementing the provisions of Public Act 96-20, the  
20 Department is authorized to adopt only those rules necessary,  
21 including emergency rules. Nothing in Public Act 96-20 permits  
22 the Department to adopt rules or issue a decision that expands  
23 eligibility for the FamilyCare Program to a person whose income  
24 exceeds 185% of the Federal Poverty Level as determined from  
25 time to time by the U.S. Department of Health and Human  
26 Services, unless the Department is provided with express

1 statutory authority.

2 The Illinois Department and the Governor shall provide a  
3 plan for coverage of the persons eligible under paragraph 7 as  
4 soon as possible after July 1, 1984.

5 The eligibility of any such person for medical assistance  
6 under this Article is not affected by the payment of any grant  
7 under the Senior Citizens and Disabled Persons Property Tax  
8 Relief and Pharmaceutical Assistance Act or any distributions  
9 or items of income described under subparagraph (X) of  
10 paragraph (2) of subsection (a) of Section 203 of the Illinois  
11 Income Tax Act. The Department shall by rule establish the  
12 amounts of assets to be disregarded in determining eligibility  
13 for medical assistance, which shall at a minimum equal the  
14 amounts to be disregarded under the Federal Supplemental  
15 Security Income Program. The amount of assets of a single  
16 person to be disregarded shall not be less than \$2,000, and the  
17 amount of assets of a married couple to be disregarded shall  
18 not be less than \$3,000.

19 To the extent permitted under federal law, any person found  
20 guilty of a second violation of Article VIIIA shall be  
21 ineligible for medical assistance under this Article, as  
22 provided in Section 8A-8.

23 The eligibility of any person for medical assistance under  
24 this Article shall not be affected by the receipt by the person  
25 of donations or benefits from fundraisers held for the person  
26 in cases of serious illness, as long as neither the person nor

1 members of the person's family have actual control over the  
2 donations or benefits or the disbursement of the donations or  
3 benefits.

9 Sec. 5-4.1. Co-payments. The Department may by rule provide  
10 that recipients under any Article of this Code shall pay a fee  
11 as a co-payment for services. Co-payments shall be maximized to  
12 the extent permitted by federal law. Provided, however, that  
13 any such rule must provide that no co-payment requirement can  
14 exist for renal dialysis, radiation therapy, cancer  
15 chemotherapy, or insulin, and other products necessary on a  
16 recurring basis, the absence of which would be life  
17 threatening, or where co-payment expenditures for required  
18 services and/or medications for chronic diseases that the  
19 Illinois Department shall by rule designate shall cause an  
20 extensive financial burden on the recipient, and provided no  
21 co-payment shall exist for emergency room encounters which are  
22 for medical emergencies. The Department shall seek approval of  
23 a State plan amendment that allows pharmacies to refuse to  
24 dispense drugs in circumstances where the recipient does not  
25 pay the required co-payment. In the event the State plan

1 amendment is rejected, co-payments may not exceed \$3 for brand  
2 name drugs, \$1 for other pharmacy services other than for  
3 generic drugs, and \$2 for physician services, dental services,  
4 optical services and supplies, chiropractic services, podiatry  
5 services, and encounter rate clinic services. There shall be no  
6 co-payment for generic drugs. Co-payments may not exceed \$10  
7 for emergency room use for a non-emergency situation as defined  
8 by the Department by rule and subject to federal approval.  
9 ~~Co payments may not exceed \$3 for hospital outpatient and~~  
10 ~~clinic services.~~

12 (305 ILCS 5/5-5.12) (from Ch. 23, par. 5-5.12)

13 Sec. 5-5.12. Pharmacy payments.

14 (a) Every request submitted by a pharmacy for reimbursement  
15 under this Article for prescription drugs provided to a  
16 recipient of aid under this Article shall include the name of  
17 the prescriber or an acceptable identification number as  
18 established by the Department.

19 (b) Pharmacies providing prescription drugs under this  
20 Article shall be reimbursed at a rate which shall include a  
21 professional dispensing fee as determined by the Illinois  
22 Department, plus the current acquisition cost of the  
23 prescription drug dispensed. The Illinois Department shall  
24 update its information on the acquisition costs of all  
25 prescription drugs no less frequently than every 30 days.

1       However, the Illinois Department may set the rate of  
2       reimbursement for the acquisition cost, by rule, at a  
3       percentage of the current average wholesale acquisition cost.

4       (c) (Blank).

5       (d) The Department shall not impose requirements for prior  
6       approval based on a preferred drug list for anti-retroviral,  
7       anti-hemophilic factor concentrates, or any atypical  
8       antipsychotics, conventional antipsychotics, or  
9       anticonvulsants used for the treatment of serious mental  
10      illnesses until 30 days after it has conducted a study of the  
11      impact of such requirements on patient care and submitted a  
12      report to the Speaker of the House of Representatives and the  
13      President of the Senate. The Department shall review  
14      utilization of narcotic medications in the medical assistance  
15      program and impose utilization controls that protect against  
16      abuse.

17      (e) When making determinations as to which drugs shall be  
18      on a prior approval list, the Department shall include as part  
19      of the analysis for this determination, the degree to which a  
20      drug may affect individuals in different ways based on factors  
21      including the gender of the person taking the medication.

22      (f) The Department shall cooperate with the Department of  
23      Public Health and the Department of Human Services Division of  
24      Mental Health in identifying psychotropic medications that,  
25      when given in a particular form, manner, duration, or frequency  
26      (including "as needed") in a dosage, or in conjunction with

1 other psychotropic medications to a nursing home resident, may  
2 constitute a chemical restraint or an "unnecessary drug" as  
3 defined by the Nursing Home Care Act or Titles XVIII and XIX of  
4 the Social Security Act and the implementing rules and  
5 regulations. The Department shall require prior approval for  
6 any such medication prescribed for a nursing home resident that  
7 appears to be a chemical restraint or an unnecessary drug. The  
8 Department shall consult with the Department of Human Services  
9 Division of Mental Health in developing a protocol and criteria  
10 for deciding whether to grant such prior approval.

11 (g) The Department may by rule provide for reimbursement of  
12 the dispensing of a 90-day supply of a generic, non-narcotic  
13 maintenance medication in circumstances where it is cost  
14 effective.

15 (h) Effective July 1, 2011, the Department shall  
16 discontinue coverage of select over-the-counter drugs,  
17 including analgesics and cough and cold and allergy  
18 medications.

19 (i) The Department shall seek any necessary waiver from the  
20 federal government in order to establish a program limiting the  
21 pharmacies eligible to dispense specialty drugs and shall issue  
22 a Request for Proposals in order to maximize savings on these  
23 drugs. The Department shall by rule establish the drugs  
24 required to be dispensed in this program.

14 annually to reflect any increase in the number of  
15 recipients, or the annual appropriation for State fiscal  
16 years 2009, 2010, 2011, 2013, and 2014 ~~through 2014~~, from

21 adjusted annually to reflect any change in the number of  
22 recipients, excluding State fiscal year 2009 supplemental  
23 appropriations made necessary by the enactment of the  
24 American Recovery and Reinvestment Act of 2009; or

25 (2) For State fiscal years prior to State fiscal year

1           2009, the Department of Healthcare and Family Services  
2           (formerly Department of Public Aid) makes changes in its  
3           rules that reduce the hospital inpatient or outpatient  
4           payment rates, including adjustment payment rates, in  
5           effect on October 1, 2004, except for hospitals described  
6           in subsection (b) of Section 5A-3 and except for changes in  
7           the methodology for calculating outlier payments to  
8           hospitals for exceptionally costly stays, so long as those  
9           changes do not reduce aggregate expenditures below the  
10          amount expended in State fiscal year 2005 for such  
11          services; or

12           (2.1) For State fiscal years 2009 through 2014, the  
13          Department of Healthcare and Family Services adopts any  
14          administrative rule change to reduce payment rates or  
15          alters any payment methodology that reduces any payment  
16          rates made to operating hospitals under the approved Title  
17          XIX or Title XXI State plan in effect January 1, 2008  
18          except for:

21                   (B) any rates for payments made under this Article  
22                   V-A; or

23                   (C) any changes proposed in State plan amendment  
24                   transmittal numbers 08-01, 08-02, 08-04, 08-06, and  
25                   08-07; or

26                   (D) in relation to any admissions on or after

1           January 1, 2011, a modification in the methodology for  
2           calculating outlier payments to hospitals for  
3           exceptionally costly stays, for hospitals reimbursed  
4           under the diagnosis-related grouping methodology;  
5           provided that the Department shall be limited to one  
6           such modification during the 36-month period after the  
7           effective date of this amendatory Act of the 96th  
8           General Assembly; or

9           (3) The payments to hospitals required under Section  
10          5A-12 or Section 5A-12.2 are changed or are not eligible  
11          for federal matching funds under Title XIX or XXI of the  
12          Social Security Act.

13          (b) The assessment imposed by Section 5A-2 shall not take  
14          effect or shall cease to be imposed if the assessment is  
15          determined to be an impermissible tax under Title XIX of the  
16          Social Security Act. Moneys in the Hospital Provider Fund  
17          derived from assessments imposed prior thereto shall be  
18          disbursed in accordance with Section 5A-8 to the extent federal  
19          financial participation is not reduced due to the  
20          impermissibility of the assessments, and any remaining moneys  
21          shall be refunded to hospital providers in proportion to the  
22          amounts paid by them.

25          Section 20. The Senior Citizens and Disabled Persons

1 Property Tax Relief and Pharmaceutical Assistance Act is  
2 amended by changing Section 4 as follows:

3 (320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

4 Sec. 4. Amount of Grant.

5 (a) In general. Any individual 65 years or older or any  
6 individual who will become 65 years old during the calendar  
7 year in which a claim is filed, and any surviving spouse of  
8 such a claimant, who at the time of death received or was  
9 entitled to receive a grant pursuant to this Section, which  
10 surviving spouse will become 65 years of age within the 24  
11 months immediately following the death of such claimant and  
12 which surviving spouse but for his or her age is otherwise  
13 qualified to receive a grant pursuant to this Section, and any  
14 disabled person whose annual household income is less than the  
15 income eligibility limitation, as defined in subsection (a-5)  
16 and whose household is liable for payment of property taxes  
17 accrued or has paid rent constituting property taxes accrued  
18 and is domiciled in this State at the time he or she files his  
19 or her claim is entitled to claim a grant under this Act. With  
20 respect to claims filed by individuals who will become 65 years  
21 old during the calendar year in which a claim is filed, the  
22 amount of any grant to which that household is entitled shall  
23 be an amount equal to 1/12 of the amount to which the claimant  
24 would otherwise be entitled as provided in this Section,  
25 multiplied by the number of months in which the claimant was 65

1 in the calendar year in which the claim is filed.

2 (a-5) Income eligibility limitation. For purposes of this  
3 Section, "income eligibility limitation" means an amount for  
4 grant years 2008 and thereafter:

5 (1) less than \$22,218 for a household containing one  
6 person;

7 (2) less than \$29,480 for a household containing 2  
8 persons; or

9 (3) less than \$36,740 for a household containing 3 or  
10 more persons.

11 For 2009 claim year applications submitted during calendar  
12 year 2010, a household must have annual household income of  
13 less than \$27,610 for a household containing one person; less  
14 than \$36,635 for a household containing 2 persons; or less than  
15 \$45,657 for a household containing 3 or more persons.

16 The Department on Aging may adopt rules such that on  
17 January 1, 2011, and thereafter, the foregoing household income  
18 eligibility limits may be changed to reflect the annual cost of  
19 living adjustment in Social Security and Supplemental Security  
20 Income benefits that are applicable to the year for which those  
21 benefits are being reported as income on an application.

22 If a person files as a surviving spouse, then only his or  
23 her income shall be counted in determining his or her household  
24 income.

25 (b) Limitation. Except as otherwise provided in  
26 subsections (a) and (f) of this Section, the maximum amount of

1 grant which a claimant is entitled to claim is the amount by  
2 which the property taxes accrued which were paid or payable  
3 during the last preceding tax year or rent constituting  
4 property taxes accrued upon the claimant's residence for the  
5 last preceding taxable year exceeds 3 1/2% of the claimant's  
6 household income for that year but in no event is the grant to  
7 exceed (i) \$700 less 4.5% of household income for that year for  
8 those with a household income of \$14,000 or less or (ii) \$70 if  
9 household income for that year is more than \$14,000.

10 (c) Public aid recipients. If household income in one or  
11 more months during a year includes cash assistance in excess of  
12 \$55 per month from the Department of Healthcare and Family  
13 Services or the Department of Human Services (acting as  
14 successor to the Department of Public Aid under the Department  
15 of Human Services Act) which was determined under regulations  
16 of that Department on a measure of need that included an  
17 allowance for actual rent or property taxes paid by the  
18 recipient of that assistance, the amount of grant to which that  
19 household is entitled, except as otherwise provided in  
20 subsection (a), shall be the product of (1) the maximum amount  
21 computed as specified in subsection (b) of this Section and (2)  
22 the ratio of the number of months in which household income did  
23 not include such cash assistance over \$55 to the number twelve.  
24 If household income did not include such cash assistance over  
25 \$55 for any months during the year, the amount of the grant to  
26 which the household is entitled shall be the maximum amount

1 computed as specified in subsection (b) of this Section. For  
2 purposes of this paragraph (c), "cash assistance" does not  
3 include any amount received under the federal Supplemental  
4 Security Income (SSI) program.

5 (d) Joint ownership. If title to the residence is held  
6 jointly by the claimant with a person who is not a member of  
7 his or her household, the amount of property taxes accrued used  
8 in computing the amount of grant to which he or she is entitled  
9 shall be the same percentage of property taxes accrued as is  
10 the percentage of ownership held by the claimant in the  
11 residence.

12 (e) More than one residence. If a claimant has occupied  
13 more than one residence in the taxable year, he or she may  
14 claim only one residence for any part of a month. In the case  
15 of property taxes accrued, he or she shall prorate 1/12 of the  
16 total property taxes accrued on his or her residence to each  
17 month that he or she owned and occupied that residence; and, in  
18 the case of rent constituting property taxes accrued, shall  
19 prorate each month's rent payments to the residence actually  
20 occupied during that month.

21 (f) (Blank).

22 (g) Effective January 1, 2006, there is hereby established  
23 a program of pharmaceutical assistance to the aged and  
24 disabled, entitled the Illinois Seniors and Disabled Drug  
25 Coverage Program, which shall be administered by the Department  
26 of Healthcare and Family Services and the Department on Aging

1 in accordance with this subsection, to consist of coverage of  
2 specified prescription drugs on behalf of beneficiaries of the  
3 program as set forth in this subsection.

4 To become a beneficiary under the program established under  
5 this subsection, a person must:

6 (1) be (i) 65 years of age or older or (ii) disabled;  
7 and

8 (2) be domiciled in this State; and

9 (3) enroll with a qualified Medicare Part D  
10 Prescription Drug Plan if eligible and apply for all  
11 available subsidies under Medicare Part D; and

12 (4) for the 2006 and 2007 claim years, have a maximum  
13 household income of (i) less than \$21,218 for a household  
14 containing one person, (ii) less than \$28,480 for a  
15 household containing 2 persons, or (iii) less than \$35,740  
16 for a household containing 3 or more persons; and

17 (5) for the 2008 claim year, have a maximum household  
18 income of (i) less than \$22,218 for a household containing  
19 one person, (ii) \$29,480 for a household containing 2  
20 persons, or (iii) \$36,740 for a household containing 3 or  
21 more persons; and

22 (6) for 2009 claim year applications submitted during  
23 calendar year 2010, have annual household income of less  
24 than (i) \$27,610 for a household containing one person;  
25 (ii) less than \$36,635 for a household containing 2  
26 persons; or (iii) less than \$45,657 for a household

1 containing 3 or more persons; and-

2 (7) as of September 1, 2011, have a maximum household  
3 income at or below 200% of the federal poverty level.

4 ~~The Department of Healthcare and Family Services may adopt~~  
5 ~~rules such that on January 1, 2011, and thereafter, the~~  
6 ~~foregoing household income eligibility limits may be changed to~~  
7 ~~reflect the annual cost of living adjustment in Social Security~~  
8 ~~and Supplemental Security Income benefits that are applicable~~  
9 ~~to the year for which those benefits are being reported as~~  
10 ~~income on an application.~~

11 All individuals enrolled as of December 31, 2005, in the  
12 pharmaceutical assistance program operated pursuant to  
13 subsection (f) of this Section and all individuals enrolled as  
14 of December 31, 2005, in the SeniorCare Medicaid waiver program  
15 operated pursuant to Section 5-5.12a of the Illinois Public Aid  
16 Code shall be automatically enrolled in the program established  
17 by this subsection for the first year of operation without the  
18 need for further application, except that they must apply for  
19 Medicare Part D and the Low Income Subsidy under Medicare Part  
20 D. A person enrolled in the pharmaceutical assistance program  
21 operated pursuant to subsection (f) of this Section as of  
22 December 31, 2005, shall not lose eligibility in future years  
23 due only to the fact that they have not reached the age of 65.

24 To the extent permitted by federal law, the Department may  
25 act as an authorized representative of a beneficiary in order  
26 to enroll the beneficiary in a Medicare Part D Prescription

1 Drug Plan if the beneficiary has failed to choose a plan and,  
2 where possible, to enroll beneficiaries in the low-income  
3 subsidy program under Medicare Part D or assist them in  
4 enrolling in that program.

5 Beneficiaries under the program established under this  
6 subsection shall be divided into the following 4 eligibility  
7 groups:

8 (A) Eligibility Group 1 shall consist of beneficiaries  
9 who are not eligible for Medicare Part D coverage and who  
10 are:

11 (i) disabled and under age 65; or

12 (ii) age 65 or older, with incomes over 200% of the  
13 Federal Poverty Level; or

14 (iii) age 65 or older, with incomes at or below  
15 200% of the Federal Poverty Level and not eligible for  
16 federally funded means-tested benefits due to  
17 immigration status.

18 (B) Eligibility Group 2 shall consist of beneficiaries  
19 who are eligible for Medicare Part D coverage.

20 (C) Eligibility Group 3 shall consist of beneficiaries  
21 age 65 or older, with incomes at or below 200% of the  
22 Federal Poverty Level, who are not barred from receiving  
23 federally funded means-tested benefits due to immigration  
24 status and are not eligible for Medicare Part D coverage.

25 If the State applies and receives federal approval for  
26 a waiver under Title XIX of the Social Security Act,

1 persons in Eligibility Group 3 shall continue to receive  
2 benefits through the approved waiver, and Eligibility  
3 Group 3 may be expanded to include disabled persons under  
4 age 65 with incomes under 200% of the Federal Poverty Level  
5 who are not eligible for Medicare and who are not barred  
6 from receiving federally funded means-tested benefits due  
7 to immigration status.

8 (D) Eligibility Group 4 shall consist of beneficiaries  
9 who are otherwise described in Eligibility Group 2 who have  
10 a diagnosis of HIV or AIDS.

11 The program established under this subsection shall cover  
12 the cost of covered prescription drugs in excess of the  
13 beneficiary cost-sharing amounts set forth in this paragraph  
14 that are not covered by Medicare. The Department of Healthcare  
15 and Family Services may establish by emergency rule changes in  
16 cost-sharing necessary to conform the cost of the program to  
17 the amounts appropriated for State fiscal year 2012 and future  
18 fiscal years except that the 24-month limitation on the  
19 adoption of emergency rules and the provisions of Sections  
20 5-115 and 5-125 of the Illinois Administrative Procedure Act  
21 shall not apply to rules adopted under this subsection (g). The  
22 adoption of emergency rules authorized by this subsection (g)  
23 shall be deemed to be necessary for the public interest,  
24 safety, and welfare. ~~In 2006, beneficiaries shall pay a~~  
25 ~~co-payment of \$2 for each prescription of a generic drug and \$5~~  
26 ~~for each prescription of a brand name drug. In future years,~~

1 ~~beneficiaries shall pay co-payments equal to the co-payments~~  
2 ~~required under Medicare Part D for "other low-income subsidy~~  
3 ~~eligible individuals" pursuant to 42 CFR 423.782(b). For~~  
4 ~~individuals in Eligibility Groups 1, 2, and 3, once the program~~  
5 ~~established under this subsection and Medicare combined have~~  
6 ~~paid \$1,750 in a year for covered prescription drugs, the~~  
7 ~~beneficiary shall pay 20% of the cost of each prescription in~~  
8 ~~addition to the co-payments set forth in this paragraph. For~~  
9 ~~individuals in Eligibility Group 4, once the program~~  
10 ~~established under this subsection and Medicare combined have~~  
11 ~~paid \$1,750 in a year for covered prescription drugs, the~~  
12 ~~beneficiary shall pay 20% of the cost of each prescription in~~  
13 ~~addition to the co-payments set forth in this paragraph unless~~  
14 ~~the drug is included in the formulary of the Illinois AIDS Drug~~  
15 ~~Assistance Program operated by the Illinois Department of~~  
16 ~~Public Health and covered by the Medicare Part D Prescription~~  
17 ~~Drug Plan in which the beneficiary is enrolled. If the drug is~~  
18 ~~included in the formulary of the Illinois AIDS Drug Assistance~~  
19 ~~Program and covered by the Medicare Part D Prescription Drug~~  
20 ~~Plan in which the beneficiary is enrolled, individuals in~~  
21 ~~Eligibility Group 4 shall continue to pay the co-payments set~~  
22 ~~forth in this paragraph after the program established under~~  
23 ~~this subsection and Medicare combined have paid \$1,750 in a~~  
24 ~~year for covered prescription drugs.~~

25 ~~For beneficiaries eligible for Medicare Part D coverage,~~  
26 ~~the program established under this subsection shall pay 100% of~~

1 ~~the premiums charged by a qualified Medicare Part D~~  
2 ~~Prescription Drug Plan for Medicare Part D basic prescription~~  
3 ~~drug coverage, not including any late enrollment penalties.~~  
4 ~~Qualified Medicare Part D Prescription Drug Plans may be~~  
5 ~~limited by the Department of Healthcare and Family Services to~~  
6 ~~those plans that sign a coordination agreement with the~~  
7 ~~Department.~~

8 For ~~Notwithstanding Section 3.15, for~~ purposes of the  
9 program established under this subsection, the term "covered  
10 prescription drug" has the following meanings:

11 For Eligibility Group 1, "covered prescription drug"  
12 means: (1) any cardiovascular agent or drug; (2) any  
13 insulin or other prescription drug used in the treatment of  
14 diabetes, including syringe and needles used to administer  
15 the insulin; (3) any prescription drug used in the  
16 treatment of arthritis; (4) any prescription drug used in  
17 the treatment of cancer; (5) any prescription drug used in  
18 the treatment of Alzheimer's disease; (6) any prescription  
19 drug used in the treatment of Parkinson's disease; (7) any  
20 prescription drug used in the treatment of glaucoma; (8)  
21 any prescription drug used in the treatment of lung disease  
22 and smoking-related illnesses; (9) any prescription drug  
23 used in the treatment of osteoporosis; and (10) any  
24 prescription drug used in the treatment of multiple  
25 sclerosis. The Department may add additional therapeutic  
26 classes by rule. The Department may adopt a preferred drug

1 list within any of the classes of drugs described in items  
2 (1) through (10) of this paragraph. The specific drugs or  
3 therapeutic classes of covered prescription drugs shall be  
4 indicated by rule.

5 For Eligibility Group 2, "covered prescription drug"  
6 means those drugs covered by the Medicare Part D  
7 Prescription Drug Plan in which the beneficiary is  
8 enrolled.

9 For Eligibility Group 3, "covered prescription drug"  
10 means those drugs covered by the Medical Assistance Program  
11 under Article V of the Illinois Public Aid Code.

12 For Eligibility Group 4, "covered prescription drug"  
13 means those drugs covered by the Medicare Part D  
14 Prescription Drug Plan in which the beneficiary is  
15 enrolled.

16 ~~An individual in Eligibility Group 1, 2, 3, or 4 may opt to~~  
17 ~~receive a \$25 monthly payment in lieu of the direct coverage~~  
18 ~~described in this subsection.~~

19 Any person otherwise eligible for pharmaceutical  
20 assistance under this subsection whose covered drugs are  
21 covered by any public program is ineligible for assistance  
22 under this subsection to the extent that the cost of those  
23 drugs is covered by the other program.

24 The Department of Healthcare and Family Services shall  
25 establish by rule the methods by which it will provide for the  
26 coverage called for in this subsection. Those methods may

1 include direct reimbursement to pharmacies or the payment of a  
2 capitated amount to Medicare Part D Prescription Drug Plans.

3 For a pharmacy to be reimbursed under the program  
4 established under this subsection, it must comply with rules  
5 adopted by the Department of Healthcare and Family Services  
6 regarding coordination of benefits with Medicare Part D  
7 Prescription Drug Plans. A pharmacy may not charge a  
8 Medicare-enrolled beneficiary of the program established under  
9 this subsection more for a covered prescription drug than the  
10 appropriate Medicare cost-sharing less any payment from or on  
11 behalf of the Department of Healthcare and Family Services.

12 The Department of Healthcare and Family Services or the  
13 Department on Aging, as appropriate, may adopt rules regarding  
14 applications, counting of income, proof of Medicare status,  
15 mandatory generic policies, and pharmacy reimbursement rates  
16 and any other rules necessary for the cost-efficient operation  
17 of the program established under this subsection.

18 (h) A qualified individual is not entitled to duplicate  
19 benefits in a coverage period as a result of the changes made  
20 by this amendatory Act of the 96th General Assembly.
