7 pertaining to the functions transferred under this  
8 subsection, including but not limited to material in

14 appropriation balances and other funds otherwise available  
15 to the Department of Human Services for use in connection  
16 with the functions transferred under this subsection shall  
17 be transferred and made available to the Department of

23 provisions. The powers, duties, rights, and  
24 responsibilities relating to the functions transferred  
25 under this subsection are vested in and shall be exercised

1 exercise of those powers, duties, rights, and  
2 responsibilities shall have the same legal effect as if  
3 done by the Department of Human Services or its divisions,  
4 officers, or employees.

5 (7) Persons subject to penalties. Every officer,

15 of Human Services in connection with any of the functions  
16 transferred under this subsection, the same shall be made,  
17 given, furnished, or served in the same manner to or upon  
18 the Department of Public Health.

3 this subsection that are in full force on the effective  
4 date of this amendatory Act of the 96th General Assembly,  
5 and that have been duly adopted by the Department of Human  
6 Services, shall become the rules of the Department of  
7 Public Health. This subsection shall not affect the  
8 legality of any such rules in the Illinois Administrative  
9 Code. Any proposed rules filed with the Secretary of State  
10 by the Department of Human Services that are pending in the

13 functions transferred, shall be deemed to have been filed  
14 by the Department of Public Health. As soon as practicable  
15 after the effective date of this amendatory Act of the 96th

17 revise and clarify the rules transferred to it under this  
18 subsection to reflect the reorganization of powers,  
19 duties, rights, and responsibilities affected by this  
20 subsection, using the procedures for recodification of  
21 rules available under the Illinois Administrative  
22 Procedure Act, except that existing title, part, and

26 propose and adopt, under the Illinois Administrative

1 Procedure Act, such other rules of the Department of Human  
2 Services that will now be administered by the Department of  
3 Public Health.

4 To the extent that, prior to the effective date of the  
5 transfer of functions under this subsection, the Secretary  
6 of Human Services had been empowered to prescribe  
7 regulations or had other authority with respect to the  
8 transferred functions, such duties shall be exercised from  
9 and after the effective date of the transfer by the  
10 Director of Public Health.

25 which the charges imposed by the Section were collected, each  
26 public utility, municipal utility, and electric cooperative

1 shall remit to the Department of Revenue all moneys received as  
2 payment of the Energy Assistance Charge on a return prescribed  
3 and furnished by the Department of Revenue showing such  
4 information as the Department of Revenue may reasonably  
5 require; provided, however, that a utility offering an  
6 Arrearage Reduction Program pursuant to Section 18 of this Act  
7 shall be entitled to net those amounts necessary to fund and  
8 recover the costs of such Program as authorized by that Section  
9 that is no more than the incremental change in such Energy  
10 Assistance Charge authorized by this amendatory Act of the 96th  
11 General Assembly. If a customer makes a partial payment, a  
12 public utility, municipal utility, or electric cooperative may  
13 elect either: (i) to apply such partial payments first to  
14 amounts owed to the utility or cooperative for its services and  
15 then to payment for the Energy Assistance Charge or (ii) to  
16 apply such partial payments on a pro-rata basis between amounts  
17 owed to the utility or cooperative for its services and to  
18 payment for the Energy Assistance Charge.

19 (g) The Department of Revenue shall deposit into the  
20 Supplemental Low-Income Energy Assistance Fund all moneys  
21 remitted to it in accordance with subsection (f) of this  
22 Section; provided, however, that the amounts remitted by each  
23 utility shall be used to provide assistance to that utility's  
24 customers. The utilities shall coordinate with the Department  
25 to establish an equitable and practical methodology for  
26 implementing this subsection (g) beginning with the 2010

1 program year.

2 (h) On or before December 31, 2002, the Department shall  
3 prepare a report for the General Assembly on the expenditure of  
4 funds appropriated from the Low-Income Energy Assistance Block  
5 Grant Fund for the program authorized under Section 4 of this  
6 Act.

7 (i) The Department of Revenue may establish such rules as  
8 it deems necessary to implement this Section.

9 (j) The Department of Commerce and Economic Opportunity may  
10 establish such rules as it deems necessary to implement this  
11 Section.

12 (k) The charges imposed by this Section shall only apply to  
13 customers of municipal electric or gas utilities and electric  
14 or gas cooperatives if the municipal electric or gas utility or  
15 electric or gas cooperative makes an affirmative decision to  
16 impose the charge. If a municipal electric or gas utility or an  
17 electric cooperative makes an affirmative decision to impose  
18 the charge provided by this Section, the municipal electric or  
19 gas utility or electric cooperative shall inform the Department  
20 of Revenue in writing of such decision when it begins to impose  
21 the charge. If a municipal electric or gas utility or electric  
22 or gas cooperative does not assess this charge, the Department  
23 may not use funds from the Supplemental Low-Income Energy  
24 Assistance Fund to provide benefits to its customers under the  
25 program authorized by Section 4 of this Act.

26 In its use of federal funds under this Act, the Department

1 may not cause a disproportionate share of those federal funds  
2 to benefit customers of systems which do not assess the charge  
3 provided by this Section.

4 This Section is repealed effective December 31, 2013 unless  
5 renewed by action of the General Assembly. The General Assembly  
6 shall consider the results of the evaluations described in  
7 Section 8 in its deliberations.
