A BILL FOR

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by  
5 changing Section 11-23-4 as follows:

6 (65 ILCS 5/11-23-4) (from Ch. 24, par. 11-23-4)

7 Sec. 11-23-4. When such a city council has decided to  
8 establish and maintain, or to purchase and maintain, a public  
9 hospital under this Division 23, the mayor, with the approval  
10 of the city council, shall appoint a board of 3 directors for  
11 the hospital. Any director appointed by the city council must  
12 reside within the area served by the hospital throughout his or  
13 her term.

14 One of the directors shall hold office for one year, one  
15 for 2 years, and one for 3 years, from the first day of July  
16 following their appointments. At their first regular meeting  
17 the directors shall cast lots for the respective terms. Before  
18 the first day of July each year thereafter, the mayor, with the  
19 approval of the city council, shall appoint one director to  
20 take the place of the retiring director, who shall hold office  
21 for 3 years, and until his successor is appointed.

22 The city council may, by resolution, increase the  
23 membership of the board to 5 directors. Such resolution shall

1 not affect the terms of the incumbent directors. Before the  
2 first day of July following the adoption of such resolution the  
3 mayor with the approval of the city council, shall appoint 3  
4 directors, one to succeed the incumbent whose term expires and  
5 the 2 additional provided for in the resolution, for terms of  
6 3, 4 and 5 years from July 1 of the year of the appointment.  
7 Thereafter, upon the expiration of the term of any director his  
8 successor shall be appointed for a term of 5 years and until  
9 his successor is appointed for a like term.

10 If the city council has, by previous resolution, increased  
11 the membership of the board to 5 directors, the city council  
12 may by new resolution increase the membership of the board by 2  
13 new members in any one year up to a maximum of 11 directors.  
14 Such new resolution shall not affect the terms of incumbent  
15 directors. Before the first day of July following the adoption  
16 of the new resolution the mayor with the approval of the city  
17 council shall appoint a sufficient number of directors so that  
18 there will be a successor for the full term of each incumbent  
19 whose term expires, and the 2 additional provided for in the  
20 resolution for terms of 4 and 5 years from July 1 of the year of  
21 appointment. Thereafter, upon the expiration of the term of any  
22 director, his successor shall be appointed for a term of 5  
23 years and until his successor is appointed and qualified for a  
24 like term.

25 The mayor, with the consent of the city council, may remove  
26 any director for misconduct or neglect of duty. Vacancies in

1 the board of directors, however occasioned, shall be filled for  
2 the unexpired term in like manner as original appointments. No  
3 director shall receive compensation for serving as a director.  
4 No director shall be interested, either directly or indirectly,  
5 in the purchase or sale of any supplies for the hospital.
