1 AMENDMENT TO HOUSE BILL 3986

2 AMENDMENT NO. _____. Amend House Bill 3986 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Private Detective, Private Alarm, Private
5 Security, Fingerprint Vendor, and Locksmith Act of 2004 is
6 amended by changing Section 35-35 as follows:

7 (225 ILCS 447/35-35)

8 (Section scheduled to be repealed on January 1, 2024)

9 Sec. 35-35. Requirement of a firearm control card.

10 (a) No person shall perform duties that include the use,
11 carrying, or possession of a firearm in the performance of
12 those duties without complying with the provisions of this
13 Section and having been issued a valid firearm control card by
14 the Department.

15 (b) No employer shall employ any person to perform the
16 duties for which licensure or employee registration is required

1 and allow that person to carry a firearm unless that person has
2 complied with all the firearm training requirements of this
3 Section and has been issued a firearm control card. This Act
4 permits only the following to carry firearms while actually
5 engaged in the performance of their duties or while commuting
6 directly to or from their places of employment: persons
7 licensed as private detectives and their registered employees;
8 persons licensed as private security contractors and their
9 registered employees; persons licensed as private alarm
10 contractors and their registered employees; and employees of a
11 registered armed proprietary security force.

12 (c) Possession of a valid firearm control card allows a
13 licensee or employee to carry a firearm not otherwise
14 prohibited by law while the licensee or employee is engaged in
15 the performance of his or her duties or while the licensee or
16 employee is commuting directly to or from the licensee's or
17 employee's place or places of employment.

18 (d) The Department shall issue a firearm control card to a
19 person who has passed an approved firearm training course, who
20 is currently licensed or employed by an agency licensed by this
21 Act and has met all the requirements of this Act, and who
22 possesses a valid firearm owner identification card.
23 Application for the firearm control card shall be made by the
24 employer to the Department on forms provided by the Department.
25 The Department shall forward the card to the employer who shall
26 be responsible for its issuance to the licensee or employee.

1 The firearm control card shall be issued by the Department and
2 shall identify the person holding it and the name of the course
3 where the licensee or employee received firearm instruction and
4 shall specify the type of weapon or weapons the person is
5 authorized by the Department to carry and for which the person
6 has been trained. A firearm control card shall contain a recent
7 photograph of the licensee or employee printed on the card.

8 (e) Expiration and requirements for renewal of firearm
9 control cards shall be determined by rule.

10 (f) The Department may, in addition to any other
11 disciplinary action permitted by this Act, refuse to issue,
12 suspend, or revoke a firearm control card if the applicant or
13 holder has been convicted of any felony or crime involving the
14 illegal use, carrying, or possession of a deadly weapon or for
15 a violation of this Act or rules promulgated under this Act.
16 The Department shall refuse to issue or shall revoke a firearm
17 control card if the applicant or holder fails to possess a
18 valid firearm owners identification card without hearing. The
19 Secretary shall summarily suspend a firearm control card if the
20 Secretary finds that its continued use would constitute an
21 imminent danger to the public. A hearing shall be held before
22 the Board within 30 days if the Secretary summarily suspends a
23 firearm control card.

24 (g) Notwithstanding any other provision of this Act to the
25 contrary, all requirements relating to firearms control cards
26 do not apply to a peace officer.

1 (h) The Department may issue a temporary firearm control
2 card pending issuance of a new firearm control card upon an
3 agency's acquiring of an established armed account. An agency
4 that has acquired armed employees as a result of acquiring an
5 established armed account may, on forms supplied by the
6 Department, request the issuance of a temporary firearm control
7 card for each acquired employee who held a valid firearm
8 control card under his or her employment with the newly
9 acquired established armed account immediately preceding the
10 acquiring of the account and who continues to meet all of the
11 qualifications for issuance of a firearm control card set forth
12 in this Act and any rules adopted under this Act. The
13 Department shall, by rule, set the fee for issuance of a
14 temporary firearm control card.

15 (i) The Department shall not issue a firearm control card
16 to a licensed fingerprint vendor or a licensed locksmith or
17 employees of a licensed fingerprint vendor agency or a licensed
18 locksmith agency.
