1 AN ACT concerning local government.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

- Section 5. The Metropolitan Water Reclamation District Act
 is amended by adding Section 56 as follows:
- 6 (70 ILCS 2605/56 new)
- 7 <u>Sec. 56. Resource recovery.</u>
- 8 (a) The General Assembly finds that:
- 9 (1) technological advancements in wastewater treatment 10 have resulted in the ability to capture recovered resources 11 and produce renewable energy resources from material 12 previously discarded;
- (2) the capture and beneficial reuse of recovered 13 14 resources and the production of renewable energy resources serves a wide variety of environmental benefits including, 15 16 but not limited to, improved water quality, reduction of 17 greenhouse gases, reduction of carbon footprint, reduction of landfill usage, reduced usage of hydrocarbon-based 18 19 fuels, return of nutrients to the food cycle, and reduced 20 water consumption;
- (3) the district is a leader in the field of wastewater
 treatment and possesses the expertise and experience
 necessary to capture and beneficially reuse or prepare for

1	beneficial reuse recovered resources, including renewable
2	energy resources; and
3	(4) the district has the opportunity and ability to
4	change the approach to wastewater treatment from that of a
5	waste material to be disposed of to one of a collection of
6	resources to be recovered, reused, and sold, with the
7	opportunity to provide the district with additional
8	sources of revenue and reduce operating costs.
9	(b) As used in this Section:
10	"Recovered resources" means any material produced by or
11	extracted from the operation of district facilities,
12	including, but not limited to:
13	(1) solids, including solids from the digestion
14	process, semi-solids, or liquid materials;
15	(2) gases, including biogas, carbon dioxide, and
16	methane;
17	(3) nutrients;
18	(4) algae;
19	(5) treated effluent; and
20	(6) thermal energy or hydropower.
21	"Renewable energy facility" shall have the same meaning as
22	a facility defined under Section 5 of the Renewable Energy
23	Production District Act.
24	"Renewable energy resources" means resources as defined
25	under Section 1-10 of the Illinois Power Agency Act.
26	"Resource recovery" means the recovery of material or

HB4716 Enrolled - 3 - LRB098 18040 JLK 53169 b

<u>energy from waste as defined under Section 3.435 of the</u>
 Illinois Environmental Protection Agency Act.

3 (c) The district may sell or otherwise dispose of recovered
4 resources or renewable energy resources resulting from the
5 operation of district facilities, and may construct, maintain,
6 finance, and operate such activities, facilities, and other
7 works as are necessary for that purpose.

8 <u>(d) The district may take in materials which are used in</u> 9 <u>the generation of usable products from recovered resources, or</u> 10 <u>which increase the production of renewable energy resources,</u> 11 <u>including, but not limited to food waste, organic fraction of</u> 12 <u>solid waste, commercial or industrial organic wastes, fats,</u> 13 <u>oils, and greases, and vegetable debris.</u>

14 <u>(e) The authorizations granted to the district under this</u> 15 <u>Section shall not be construed as modifying or limiting any</u> 16 <u>other law or regulation. Any actions taken pursuant to the</u> 17 <u>authorities granted in this Section must be in compliance with</u> 18 <u>all applicable laws and regulations, including, but not limited</u> 19 <u>to, the Environmental Protection Act, and rules adopted under</u> 20 that Act.

Section 99. Effective date. This Act takes effect uponbecoming law.
