4 Section 5. The School Code is amended by changing Section
5 27-23.7 as follows:

6 (105 ILCS 5/27-23.7)

7 Sec. 27-23.7. Bullying prevention.

8 (a) The General Assembly finds that a safe and civil school
9 environment is necessary for students to learn and achieve and
10 that bullying causes physical, psychological, and emotional
11 harm to students and interferes with students' ability to learn
12 and participate in school activities. The General Assembly
13 further finds that bullying has been linked to other forms of
14 antisocial behavior, such as vandalism, shoplifting, skipping
15 and dropping out of school, fighting, using drugs and alcohol,
16 sexual harassment, and sexual violence. Because of the negative
17 outcomes associated with bullying in schools, the General
18 Assembly finds that school districts and non-public,
19 non-sectarian elementary and secondary schools should educate
20 students, parents, and school district or non-public,
21 non-sectarian elementary or secondary school personnel about
22 what behaviors constitute prohibited bullying.

23 Bullying on the basis of actual or perceived race, color,

1 religion, sex, national origin, ancestry, age, marital status,
2 physical or mental disability, military status, sexual
3 orientation, gender-related identity or expression,
4 unfavorable discharge from military service, association with
5 a person or group with one or more of the aforementioned actual
6 or perceived characteristics, or any other distinguishing
7 characteristic is prohibited in all school districts and
8 non-public, non-sectarian elementary and secondary schools. No
9 student shall be subjected to bullying:

10 (1) during any school-sponsored education program or
11 activity;

12 (2) while in school, on school property, on school
13 buses or other school vehicles, at designated school bus
14 stops waiting for the school bus, or at school-sponsored or
15 school-sanctioned events or activities; ~~or~~

16 (3) through the transmission of information from a
17 school computer, a school computer network, or other
18 similar electronic school equipment; or.

19 (4) through the use of data or computer software that
20 is accessed at a nonschool-related location, activity,
21 function, or program or through the use of technology or an
22 electronic device that is not owned, leased, or used by a
23 school district or school if the bullying substantially
24 interferes with or limits the victim's ability to
25 participate in or benefit from the services, activities, or
26 opportunities offered by a school or substantially

1 disrupts the educational process or orderly operation of a
2 school. This subdivision (4) does not require a school to
3 staff or monitor any nonschool-related activity, function,
4 or program.

5 (b) In this Section:

6 "Bullying" means any severe or pervasive physical or verbal
7 act or conduct, including communications made in writing or
8 electronically, directed toward a student or students that has
9 or can be reasonably predicted to have the effect of one or
10 more of the following:

11 (1) placing the student or students in reasonable fear
12 of harm to the student's or students' person or property;

13 (2) causing a substantially detrimental effect on the
14 student's or students' physical or mental health;

15 (3) substantially interfering with the student's or
16 students' academic performance; or

17 (4) substantially interfering with the student's or
18 students' ability to participate in or benefit from the
19 services, activities, or privileges provided by a school.

20 Bullying, as defined in this subsection (b), may take
21 various forms, including without limitation one or more of the
22 following: harassment, threats, intimidation, stalking,
23 physical violence, sexual harassment, sexual violence, theft,
24 public humiliation, destruction of property, or retaliation
25 for asserting or alleging an act of bullying. This list is
26 meant to be illustrative and non-exhaustive.

1 "School personnel" means persons employed by, on contract
2 with, or who volunteer in a school district or non-public,
3 non-sectarian elementary or secondary school, including
4 without limitation school and school district administrators,
5 teachers, school guidance counselors, school social workers,
6 school counselors, school psychologists, school nurses,
7 cafeteria workers, custodians, bus drivers, school resource
8 officers, and security guards.

9 (c) (Blank).

10 (d) Each school district and non-public, non-sectarian
11 elementary or secondary school shall create and maintain a
12 policy on bullying, which policy must be filed with the State
13 Board of Education. Each school district and non-public,
14 non-sectarian elementary or secondary school must communicate
15 its policy on bullying to its students and their parent or
16 guardian on an annual basis. The policy must be updated every 2
17 years and filed with the State Board of Education after being
18 updated. The State Board of Education shall monitor the
19 implementation of policies created under this subsection (d).

20 (e) This Section shall not be interpreted to prevent a
21 victim from seeking redress under any other available civil or
22 criminal law. Nothing in this Section is intended to infringe
23 upon any right to exercise free expression or the free exercise
24 of religion or religiously based views protected under the
25 First Amendment to the United States Constitution or under
26 Section 3 or 4 of Article 1 of the Illinois Constitution.
