HOUSE RESOLUTION

2           WHEREAS, The future of our nation's productivity and  
3 competitiveness in the global marketplace depends on the  
4 success of all men and women; and

5           WHEREAS, Women have been discriminated against in  
6 education, the workplace, and society as a whole; and

7           WHEREAS, Women continue to earn no more than 78 cents on  
8 the dollar compared to men; and

9           WHEREAS, The pay gap has been shown to start as soon as one  
10 year after college; this inequality affects not only women, but  
11 their families and society as a whole; and

12           WHEREAS, The pay gap between women and men has long-term  
13 effects on women's economic security; such a gap affects  
14 women's Social Security earnings, their ability to save for  
15 retirement, and their children's education; and

16           WHEREAS, Pay equity is closely linked to the eradication of  
17 poverty and is essential to having a highly-motivated  
18 workforce; and

19           WHEREAS, Equal Pay Day was originated by the National

1 Committee on Pay Equity in 1996 as a public awareness event to  
2 illustrate the gap between men's and women's wages; the day,  
3 observed in April, symbolizes how far into the year a woman  
4 must work, on average, to earn as much as a man earned the  
5 previous year, with Tuesday being the day in which women's  
6 wages catch up to men's wages from the previous week; because  
7 women earn less on average than men, they must work longer for  
8 the same amount of pay; this wage gap is even greater for most  
9 women of color; and

10 WHEREAS, Equal pay is a priority for all women and for our  
11 society at large; therefore, be it

16 inequity.
