1 AN ACT concerning State government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- 4 Section 5. The Mental Health and Developmental
- 5 Disabilities Administrative Act is amended by changing Section
- 6 14 as follows:
- 7 (20 ILCS 1705/14) (from Ch. 91 1/2, par. 100-14)
- 8 Sec. 14. Chester Mental Health Center. To maintain and
- 9 operate a facility for the care, custody, and treatment of
- 10 persons with mental illness or habilitation of persons with
- 11 developmental disabilities hereinafter designated, to be known
- 12 as the Chester Mental Health Center.
- 13 Within the Chester Mental Health Center there shall be
- 14 confined the following classes of persons, whose history, in
- 15 the opinion of the Department, discloses dangerous or violent
- 16 tendencies and who, upon examination under the direction of the
- Department, have been found a fit subject for confinement in
- 18 that facility:
- 19 (a) Any male person who is charged with the commission
- of a crime but has been acquitted by reason of insanity as
- 21 provided in Section 5-2-4 of the Unified Code of
- 22 Corrections.
- 23 (b) Any male person who is charged with the commission

of a crime but has been found unfit under Article 104 of the Code of Criminal Procedure of 1963.

(c) Any male person with mental illness or developmental disabilities or person in need of mental treatment now confined under the supervision of the Department or hereafter admitted to any facility thereof or committed thereto by any court of competent jurisdiction.

If and when it shall appear to the facility director of the Chester Mental Health Center that it is necessary to confine persons in order to maintain security or provide for the protection and safety of recipients and staff, the Chester Mental Health Center may confine all persons on a unit to their rooms. This period of confinement shall not exceed 10 hours in a 24 hour period, including the recipient's scheduled hours of sleep, unless approved by the Secretary of the Department. During the period of confinement, the persons confined shall be observed at least every 15 minutes. A record shall be kept of the observations. This confinement shall not be considered seclusion as defined in the Mental Health and Developmental Disabilities Code.

The facility director of the Chester Mental Health Center may authorize the temporary use of handcuffs on a recipient for a period not to exceed 10 minutes when necessary in the course of transport of the recipient within the facility to maintain custody or security. Use of handcuffs is subject to the provisions of Section 2-108 of the Mental Health and

Developmental Disabilities Code. The facility shall keep a monthly record listing each instance in which handcuffs are used, circumstances indicating the need for use of handcuffs, and time of application of handcuffs and time of release therefrom. The facility director shall allow the Illinois Guardianship and Advocacy Commission, the agency designated by the Governor under Section 1 of the Protection and Advocacy for Developmentally Disabled Persons Act, and the Department to examine and copy such record upon request.

If and when it shall appear to the satisfaction of the Department that any person confined in the Chester Mental Health Center is not or has ceased to be such a source of danger to the public as to require his subjection to the regimen of the center, the Department is hereby authorized to transfer such person to any State facility for treatment of persons with mental illness or habilitation of persons with developmental disabilities, as the nature of the individual case may require.

Subject to the provisions of this Section, the Department, except where otherwise provided by law, shall, with respect to the management, conduct and control of the Chester Mental Health Center and the discipline, custody and treatment of the persons confined therein, have and exercise the same rights and powers as are vested by law in the Department with respect to any and all of the State facilities for treatment of persons with mental illness or habilitation of persons with

- developmental disabilities, and the recipients thereof, and 1
- 2 shall be subject to the same duties as are imposed by law upon
- 3 the Department with respect to such facilities and the
- recipients thereof. 4
- 5 The Department may elect to place persons who have been
- 6 ordered by the court to be detained under the Sexually Violent
- 7 Persons Commitment Act in a distinct portion of the Chester
- 8 Mental Health Center. The persons so placed shall be separated
- 9 and shall not comingle with the recipients of the Chester
- Mental Health Center. The portion of Chester Mental Health 10
- 11 Center that is used for the persons detained under the Sexually
- 12 Violent Persons Commitment Act shall not be a part of the
- mental health facility for the enforcement and implementation 13
- 14 of the Mental Health and Developmental Disabilities Code nor
- 15 shall their care and treatment be subject to the provisions of
- 16 the Mental Health and Developmental Disabilities Code. The
- 17 changes added to this Section by this amendatory Act of the
- 98th General Assembly are inoperative on and after June 30, 18
- 19 2015.

(a) Upon the filing of a petition under Section 15 of this Act, the court shall review the petition to determine whether to issue an order for detention of the person who is the subject of the petition. The person shall be detained only if there is cause to believe that the person is eligible for commitment under subsection (f) of Section 35 of this Act. A person detained under this Section shall be held in a facility approved by the Department. The Department may elect to place persons who have been ordered by the court to be detained in a State-operated mental health facility or a portion of that facility. Persons placed in a State-operated mental health facility under this Act shall be separated and shall not comingle with the recipients of the mental health facility. The portion of a State-operated mental health facility that is used for the persons detained under this Act shall not be a part of the mental health facility for the enforcement and implementation of the Mental Health and Developmental Disabilities Code nor shall their care and treatment be subject to the provisions of the Mental Health and Developmental Disabilities Code. If the person named in the petition is in custody, the court shall hold the probable cause hearing within 72 hours after the petition is filed, excluding Saturdays, Sundays and legal holidays. The court may grant a continuance of the probable cause hearing for no more than 7 additional days upon the motion of the respondent, for good cause. If the person named in the petition has been released, is on parole, is on mandatory supervised release, or otherwise is not in custody, the court shall hold the probable cause hearing within a reasonable time after the filing of the petition. At the probable cause hearing, the court shall admit and consider all relevant hearsay evidence.
- (c) If the court determines after a hearing that there is probable cause to believe that the person named in the petition is a sexually violent person, the court shall order that the person be taken into custody if he or she is not in custody and shall order the person to be transferred within a reasonable
