

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be referred to as the
5 Danny Stanton Act.

6 Section 5. The Counties Code is amended by adding Section
7 3-3016.5 as follows:

8 (55 ILCS 5/3-3016.5 new)

9 Sec. 3-3016.5. Sudden, unexpected death in epilepsy
10 (SUDEP).

11 (a) All autopsies conducted in this State shall include an
12 inquiry to determine whether the death was a direct result of a
13 seizure or epilepsy. If the findings in an autopsy of a medical
14 examiner, examining physician, or coroner are consistent with
15 known or suspected sudden, unexpected death in epilepsy
16 (SUDEP), then the medical examiner, examining physician, or
17 coroner shall:

18 (1) cause to be indicated on the death certificate that
19 SUDEP is the cause or suspected cause of death; and

20 (2) forward a copy of the death certificate to the
21 North American SUDEP Registry at the Langone Medical Center
22 at New York University within 30 days.

1 (b) For the purposes of this Section, "sudden unexpected
2 death in epilepsy" refers to a death in a patient previously
3 diagnosed with epilepsy that is not due to trauma, drowning,
4 status epilepticus, or other known causes, but for which there
5 is often evidence of an associated seizure. A finding of
6 sudden, unexpected death in epilepsy is definite when clinical
7 criteria are met and autopsy reveals no alternative cause of
8 death, such as stroke, myocardial infarction, or drug
9 intoxication, although there may be evidence of a seizure.

10 Section 99. Effective date. This Act takes effect January
11 1, 2014.
