A BILL FOR

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from disclosure
10 under this Section, but also contains information that is not
11 exempt from disclosure, the public body may elect to redact the
12 information that is exempt. The public body shall make the
13 remaining information available for inspection and copying.
14 Subject to this requirement, the following shall be exempt from
15 inspection and copying:

16 (a) Information specifically prohibited from
17 disclosure by federal or State law or rules and regulations
18 implementing federal or State law.

19 (b) Private information, unless disclosure is required
20 by another provision of this Act, a State or federal law or
21 a court order.

22 (b-5) Files, documents, and other data or databases
23 maintained by one or more law enforcement agencies and

1 specifically designed to provide information to one or more
2 law enforcement agencies regarding the physical or mental
3 status of one or more individual subjects.

4 (c) Personal information contained within public
5 records, the disclosure of which would constitute a clearly
6 unwarranted invasion of personal privacy, unless the
7 disclosure is consented to in writing by the individual
8 subjects of the information. "Unwarranted invasion of
9 personal privacy" means the disclosure of information that
10 is highly personal or objectionable to a reasonable person
11 and in which the subject's right to privacy outweighs any
12 legitimate public interest in obtaining the information.
13 The disclosure of information that bears on the public
14 duties of public employees and officials shall not be
15 considered an invasion of personal privacy.

16 (d) Records in the possession of any public body
17 created in the course of administrative enforcement
18 proceedings, and any law enforcement or correctional
19 agency for law enforcement purposes, but only to the extent
20 that disclosure would:

21 (i) interfere with pending or actually and
22 reasonably contemplated law enforcement proceedings
23 conducted by any law enforcement or correctional
24 agency that is the recipient of the request;

25 (ii) interfere with active administrative
26 enforcement proceedings conducted by the public body

1 that is the recipient of the request;

2 (iii) create a substantial likelihood that a
3 person will be deprived of a fair trial or an impartial
4 hearing;

5 (iv) unavoidably disclose the identity of a
6 confidential source, confidential information
7 furnished only by the confidential source, or persons
8 who file complaints with or provide information to
9 administrative, investigative, law enforcement, or
10 penal agencies; except that the identities of
11 witnesses to traffic accidents, traffic accident
12 reports, and rescue reports shall be provided by
13 agencies of local government, except when disclosure
14 would interfere with an active criminal investigation
15 conducted by the agency that is the recipient of the
16 request;

17 (v) disclose unique or specialized investigative
18 techniques other than those generally used and known or
19 disclose internal documents of correctional agencies
20 related to detection, observation or investigation of
21 incidents of crime or misconduct, and disclosure would
22 result in demonstrable harm to the agency or public
23 body that is the recipient of the request;

24 (vi) endanger the life or physical safety of law
25 enforcement personnel or any other person; or

26 (vii) obstruct an ongoing criminal investigation

1 by the agency that is the recipient of the request.

2 (d-5) A law enforcement record created for law
3 enforcement purposes and contained in a shared electronic
4 record management system if the law enforcement agency that
5 is the recipient of the request did not create the record,
6 did not participate in or have a role in any of the events
7 which are the subject of the record, and only has access to
8 the record through the shared electronic record management
9 system.

10 (e) Records that relate to or affect the security of
11 correctional institutions and detention facilities.

12 (e-5) Records requested by persons committed to the
13 Department of Corrections or a county jail if those
14 materials are available in the library of the correctional
15 facility or jail where the inmate is confined.

16 (e-6) Records requested by persons committed to the
17 Department of Corrections or a county jail if those
18 materials include records from staff members' personnel
19 files, staff rosters, or other staffing assignment
20 information.

21 (e-7) Records requested by persons committed to the
22 Department of Corrections if those materials are available
23 through an administrative request to the Department of
24 Corrections.

25 (f) Preliminary drafts, notes, recommendations,
26 memoranda and other records in which opinions are

1 expressed, or policies or actions are formulated, except
2 that a specific record or relevant portion of a record
3 shall not be exempt when the record is publicly cited and
4 identified by the head of the public body. The exemption
5 provided in this paragraph (f) extends to all those records
6 of officers and agencies of the General Assembly that
7 pertain to the preparation of legislative documents.

8 (g) Trade secrets and commercial or financial
9 information obtained from a person or business where the
10 trade secrets or commercial or financial information are
11 furnished under a claim that they are proprietary,
12 privileged or confidential, and that disclosure of the
13 trade secrets or commercial or financial information would
14 cause competitive harm to the person or business, and only
15 insofar as the claim directly applies to the records
16 requested.

17 The information included under this exemption includes
18 all trade secrets and commercial or financial information
19 obtained by a public body, including a public pension fund,
20 from a private equity fund or a privately held company
21 within the investment portfolio of a private equity fund as
22 a result of either investing or evaluating a potential
23 investment of public funds in a private equity fund. The
24 exemption contained in this item does not apply to the
25 aggregate financial performance information of a private
26 equity fund, nor to the identity of the fund's managers or

1 general partners. The exemption contained in this item does
2 not apply to the identity of a privately held company
3 within the investment portfolio of a private equity fund,
4 unless the disclosure of the identity of a privately held
5 company may cause competitive harm.

6 Nothing contained in this paragraph (g) shall be
7 construed to prevent a person or business from consenting
8 to disclosure.

9 (h) Proposals and bids for any contract, grant, or
10 agreement, including information which if it were
11 disclosed would frustrate procurement or give an advantage
12 to any person proposing to enter into a contractor
13 agreement with the body, until an award or final selection
14 is made. Information prepared by or for the body in
15 preparation of a bid solicitation shall be exempt until an
16 award or final selection is made.

17 (i) Valuable formulae, computer geographic systems,
18 designs, drawings and research data obtained or produced by
19 any public body when disclosure could reasonably be
20 expected to produce private gain or public loss. The
21 exemption for "computer geographic systems" provided in
22 this paragraph (i) does not extend to requests made by news
23 media as defined in Section 2 of this Act when the
24 requested information is not otherwise exempt and the only
25 purpose of the request is to access and disseminate
26 information regarding the health, safety, welfare, or

1 legal rights of the general public.

2 (j) The following information pertaining to
3 educational matters:

4 (i) test questions, scoring keys and other
5 examination data used to administer an academic
6 examination;

8 secondary school, college, or university under its
9 procedures for the evaluation of faculty members by
10 their academic peers;

11 (iii) information concerning a school or
12 university's adjudication of student disciplinary
13 cases, but only to the extent that disclosure would
14 unavoidably reveal the identity of the student; and

15 (iv) course materials or research materials used
16 by faculty members.

17 (k) Architects' plans, engineers' technical
18 submissions, and other construction related technical
19 documents for projects not constructed or developed in
20 whole or in part with public funds and the same for
21 projects constructed or developed with public funds,
22 including but not limited to power generating and
23 distribution stations and other transmission and
24 distribution facilities, water treatment facilities,
25 airport facilities, sport stadiums, convention centers,
26 and all government owned, operated, or occupied buildings,

1 but only to the extent that disclosure would compromise
2 security.

3 (l) Minutes of meetings of public bodies closed to the
4 public as provided in the Open Meetings Act until the
5 public body makes the minutes available to the public under
6 Section 2.06 of the Open Meetings Act.

7 (m) Communications between a public body and an
8 attorney or auditor representing the public body that would
9 not be subject to discovery in litigation, and materials
10 prepared or compiled by or for a public body in
11 anticipation of a criminal, civil or administrative
12 proceeding upon the request of an attorney advising the
13 public body, and materials prepared or compiled with
14 respect to internal audits of public bodies.

15 (n) Records relating to a public body's adjudication of
16 employee grievances or disciplinary cases; however, this
17 exemption shall not extend to the final outcome of cases in

20 with automated data processing operations, including but
21 not limited to software, operating protocols, computer
22 program abstracts, file layouts, source listings, object
23 modules, load modules, user guides, documentation
24 pertaining to all logical and physical design of
25 computerized systems, employee manuals, and any other
26 information that, if disclosed, would jeopardize the

1 security of the system or its data or the security of
2 materials exempt under this Section.

3 (p) Records relating to collective negotiating matters
4 between public bodies and their employees or
5 representatives, except that any final contract or
6 agreement shall be subject to inspection and copying.

7 (q) Test questions, scoring keys, and other
8 examination data used to determine the qualifications of an
9 applicant for a license or employment.

10 (r) The records, documents, and information relating
11 to real estate purchase negotiations until those
12 negotiations have been completed or otherwise terminated.
13 With regard to a parcel involved in a pending or actually
14 and reasonably contemplated eminent domain proceeding
15 under the Eminent Domain Act, records, documents and
16 information relating to that parcel shall be exempt except
17 as may be allowed under discovery rules adopted by the
18 Illinois Supreme Court. The records, documents and
19 information relating to a real estate sale shall be exempt
20 until a sale is consummated.

21 (s) Any and all proprietary information and records
22 related to the operation of an intergovernmental risk
23 management association or self-insurance pool or jointly
24 self-administered health and accident cooperative or pool.

26 intergovernmental risk management association or self

1 insurance pool) claims, loss or risk management
2 information, records, data, advice or communications.

3 (t) Information contained in or related to
4 examination, operating, or condition reports prepared by,
5 on behalf of, or for the use of a public body responsible
6 for the regulation or supervision of financial
7 institutions or insurance companies, unless disclosure is

11 codes, algorithms, programs, or private keys intended to be
12 used to create electronic or digital signatures under the
13 Electronic Commerce Security Act.

14 (v) Vulnerability assessments, security measures, and
15 response policies or plans that are designed to identify,
16 prevent, or respond to potential attacks upon a community's
17 population or systems, facilities, or installations, the
18 destruction or contamination of which would constitute a
19 clear and present danger to the health or safety of the
20 community, but only to the extent that disclosure could
21 reasonably be expected to jeopardize the effectiveness of
22 the measures or the safety of the personnel who implement
23 them or the public. Information exempt under this item may
