A BILL FOR

1 AN ACT concerning wildlife.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Wildlife Code is amended by changing Section  
5 2.19 as follows:

6 (520 ILCS 5/2.19) (from Ch. 61, par. 2.19)  
7 Sec. 2.19.

8 (a) It shall be unlawful to use a floating blind for the  
9 taking of migratory waterfowl, as permitted by this Act, unless  
10 such blind is anchored in a stationary position when in use.  
11 This does not prohibit the use of a scull boat in taking  
12 migratory waterfowl except where use of a scull boat is  
13 prohibited by Administrative Rule. A scull boat is defined as a  
14 boat propelled by means of an oar fixed in a notch in the  
15 transom of a boat and worked in a turning or sculling motion.

16 A floating blind is defined as any watercraft or floating  
17 structure that is camouflaged, disguised, or altered in  
18 appearance to offer a place of concealment and is capable of  
19 carrying a person. Such floating blind may be mechanically  
20 powered as long as such power is used only for movement to and  
21 from the place of hunting and no attempt is made to hunt during  
22 such movement.

23 (b) It shall be unlawful to use a mobile blind for the

1 taking of migratory waterfowl, as permitted by this Act, unless  
2 the mobile blind is in a stationary position when in use.

3 A mobile blind means any vehicle that is camouflaged,  
4 disguised, or altered in appearance to offer a place of  
5 concealment and is capable of carrying a person. The mobile  
6 blind may be mechanically powered as long as the power is used  
7 only for movement to and from the place of hunting and no  
8 attempt is made to hunt during such movement.
