- 8 Sec. 15. Exceptions. This Act does not prohibit the use of 9 a drone by a law enforcement agency:
 - (1) To counter a high risk of a terrorist attack by a specific individual or organization if the United States Secretary of Homeland Security determines that credible intelligence indicates that there is that risk.
 - (2) If a law enforcement agency first obtains a search warrant based on probable cause issued under Section 108-3 of the Code of Criminal Procedure of 1963. The warrant must be limited to a period of 45 days, renewable by the judge upon a showing of good cause for subsequent periods of 45 days.
 - (3) If a law enforcement agency possesses reasonable suspicion that, under particular circumstances, swift action is needed to prevent imminent harm to life, or to forestall the imminent escape of a suspect or the

destruction of evidence. The use of a drone under this paragraph (3) is limited to a period of 48 hours. Within 24 hours of the initiation of the use of a drone under this paragraph (3), the chief executive officer of the law enforcement agency must report in writing the use of a drone to the local State's Attorney.

- (4) If a law enforcement agency is attempting to locate a missing person, and is not also undertaking a criminal investigation.
- (5) If a law enforcement agency is using a drone solely for crime scene and traffic crash scene photography. Crime scene and traffic crash photography must be conducted in a geographically confined time-limited and manner document specific occurrences. The use of a drone under this paragraph (5) on private property requires either a search warrant based on probable cause under Section 108-3 of the Code of Criminal Procedure of 1963 or lawful consent to search. The use of a drone under this paragraph (5) on lands, highways, roadways, or areas belonging to this State or political subdivisions of this State does not require a search warrant or consent to search. Any law enforcement agency operating a drone under this paragraph (5) shall make every reasonable attempt to only photograph the crime scene or traffic crash scene and avoid other areas.
- (6) If a law enforcement agency is using a drone during a disaster or public health emergency, as defined by

1 Section 4 of the Illinois Emergency Management Agency Act. 2 The use of a drone under this paragraph (6) does not 3 require an official declaration of a disaster or public 4 health emergency prior to use. A law enforcement agency may 5 use a drone under this paragraph (6) to obtain information necessary for the determination of whether or not a 6 disaster or public health emergency should be declared, to 7 8 monitor weather or emergency conditions, to survey damage, 9 or to otherwise coordinate response and recovery efforts. 10 The use of a drone under this paragraph (6) is permissible 11 during the disaster or public health emergency and during 12 subsequent response and recovery efforts.

- 15 Sec. 40. Law enforcement use of private drones.
- 16 (a) Except as provided in Section 15, a law enforcement agency may not acquire information from or direct the 17 18 acquisition of information through the use of a drone owned by a private third party. In the event that law enforcement 19 20 acquires information from or directs the acquisition of 21 information through the use of a privately owned drone under 22 Section 15 of this Act, any information so acquired is subject 23 to Sections 20 and 25 of this Act.
 - (b) Nothing in this Act prohibits private third parties from voluntarily submitting information acquired by a

- privately owned drone to law enforcement. In the event that law 1
- 2 enforcement acquires information from the voluntary submission
- 3 of that information, whether under a request or on a private
- 4 drone owner's initiative, the information is subject to
- 5 Sections 20 and 25 of this Act.
