FISCAL NOTE ACT MAY APPLY

1 AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 5. The Board of Higher Education Act is amended by changing Section 8 as follows:
- 6 (110 ILCS 205/8) (from Ch. 144, par. 188)
- 7 Sec. 8. The Board of Trustees of the University of 8 Illinois, the Board of Trustees of Southern Illinois 9 University, the Board of Trustees of Chicago State University, the Board of Trustees of Eastern Illinois University, the Board 10 of Trustees of Governors State University, the Board of 11 Trustees of Illinois State University, the Board of Trustees of 12 13 Northeastern Illinois University, the Board of Trustees of 14 Northern Illinois University, the Board of Trustees of Western Illinois University, and the Illinois Community College Board 15 16 shall submit to the Board not later than the 15th day of 17 November of each year its budget proposals for the operation and capital needs of the institutions under its governance or 18 19 supervision for the ensuing fiscal year. Each budget proposal 20 shall conform to the procedures developed by the Board in the 21 design of an information system for State universities and 22 colleges.
- In order to maintain a cohesive system of higher education,

the Board and its staff shall communicate on a regular basis
with all public university presidents. They shall meet at least
semiannually to achieve economies of scale where possible and
provide the most innovative and efficient programs and
services.

The Board, in the analysis of formulating the annual budget request, shall consider rates of tuition and fees and undergraduate tuition and fee waiver programs at the state universities and colleges. The Board shall also consider the current and projected utilization of the total physical plant of each campus of a university or college in approving the capital budget for any new building or facility.

The Board of Higher Education shall submit to the Governor, to the General Assembly, and to the appropriate budget agencies of the Governor and General Assembly its analysis and recommendations on such budget proposals.

The Board is directed to form a broad-based group of individuals representing the Office of the Governor, the General Assembly, public institutions of higher education, State agencies, business and industry, Statewide organizations representing faculty and staff, and others as the Board shall deem appropriate to devise a system for allocating State resources to public institutions of higher education based upon performance in achieving State goals related to student success and certificate and degree completion.

Beginning in Fiscal Year 2013, the Board of Higher

- Education budget recommendations to the Governor and the General Assembly shall include allocations to public institutions of higher education based upon performance metrics designed to promote and measure student success in degree and certificate completion. These metrics must be adopted by the Board by rule and must be developed and promulgated in accordance with the following principles:
 - (1) The metrics must be developed in consultation with public institutions of higher education, as well as other State educational agencies and other higher education organizations, associations, interests, and stakeholders as deemed appropriate by the Board.
 - (2) metrics shall include The provisions recognizing the demands on and rewarding the performance of institutions in advancing the success of students who are academically or financially at risk, including students, low-income first-generation students, traditionally underrepresented students in education, as specified in Section 9.16 of this Act.
 - (3) The metrics shall recognize and account for the differentiated missions of institutions and sectors of higher education.
 - (4) The metrics shall focus on the fundamental goal of increasing completion of college courses, certificates, and degrees. Performance metrics shall recognize the unique and broad mission of public community colleges

through consideration of additional factors including, but not limited to, enrollment, progress through key academic milestones, transfer to a baccalaureate institution, and degree completion.

(5) The metrics must be designed to maintain the quality of degrees, certificates, courses, and programs.

In devising performance metrics, the Board may be guided by the report of the Higher Education Finance Study Commission. The funding for the allocations to public institutions of higher education based upon performance metrics for Fiscal Year 2015 must be at least 0.5% above Fiscal Year 2014's funding and, for each of Fiscal Years 2016 through 2019, must be at least 1% above the previous fiscal year's funding.

Each state supported institution within the application of this Act must submit its plan for capital improvements of non-instructional facilities to the Board for approval before final commitments are made if the total cost of the project as approved by the institution's board of control is in excess of \$2 million. Non-instructional uses shall include but not be limited to dormitories, union buildings, field houses, stadium, other recreational facilities and parking lots. The Board shall determine whether or not any project submitted for approval is consistent with the master plan for higher education and with instructional buildings that are provided for therein. If the project is found by a majority of the Board not to be consistent, such capital improvement shall not be
