SB3229

Introduced 2/11/2014, by Sen. Don Harmon

SYNOPSIS AS INTRODUCED:

New Act

Creates the Handgun Dealer Licensing Act. Provides for the regulation of handgun dealers through licensure by the Department of Financial and Professional Regulation. Provides that no person may sell or otherwise transfer, expose for sale or transfer, or have in his or her possession with the intent to sell or transfer any concealable firearm without being licensed under the Act. Provides, however, that the prohibition does not apply to a person who makes occasional sales, exchanges, or purchases of concealable firearms for the enhancement of a personal collection or as a hobby, or who sells all or part of his or her personal collection of firearms. Sets forth provisions concerning application, fees, duration of licensure, license retention requirements, submissions to the Department, penalties, revocation, and suspension. Grants rulemaking authority to the Department and provides that for the purpose of determining compliance with the Act, the Act may be enforced by any municipality in which a licensee is located or, if a licensee is not located in a municipality, by the county in which a licensee is located.

1 AN ACT concerning handgun regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the
5 Handgun Dealer Licensing Act.

6 Section 5. Definitions. In this Act:

7 "Department" means the Department of Financial and
8 Professional Regulation.

9 "Handgun dealer" means any person who is:

10 (1) engaged in the business of selling concealable
11 firearms at wholesale or retail;

12 (2) engaged in the business of repairing concealable
13 firearms or making or fitting special barrels, stocks, or
14 trigger mechanisms to concealable firearms; or

15 (3) a pawnbroker whose business or occupation includes
16 the taking or receiving, by way of pledge or pawn, of any
17 concealable firearm as security for the payment or
18 repayment of money.

19 "Licensed dealer" means any firearms dealer who is
20 licensed under both this Act and Section 923 of the federal Gun
21 Control Act of 1968 (18 U.S.C. 923).

22 "Person" means an individual, firm, association, society,
23 partnership, limited liability company, corporation, or other

1 entity.

2 "Engaged in the business" means the devotion of time,
3 attention, and labor to engaging in the activity as a regular
4 course of trade or business with the principal objective of
5 livelihood and profit. "Engaged in the business" does not
6 include the making of occasional repairs of concealable
7 firearms, or the occasional fitting of special barrels, stocks,
8 or trigger mechanisms to concealable firearms.

9 "Firearm" has the meaning given to that term in the Firearm
10 Owners Identification Card Act.

11 "Transfer" means the actual or attempted transfer of a
12 concealable firearm or concealable firearm ammunition, with or
13 without consideration. "Transfer" does not include the lease of
14 a concealable firearm, or the provision of ammunition
15 specifically for that firearm, if the firearm and the
16 ammunition are to be used on the lessor's premises, and does
17 not include any transfer of possession when the transferor
18 maintains supervision and control over the concealable firearm
19 or ammunition.

20 "With the principal objective of livelihood and profit"
21 means that the intent underlying the sale or disposition is
22 predominantly one of obtaining livelihood and pecuniary gain,
23 as opposed to other intents, such as improving or liquidating a
24 personal firearms collection; however, proof of profit shall
25 not be required as to a person who engages in the regular and
26 repetitive purchase and disposition of firearms for criminal

1 purposes or terrorism.

2 Section 10. Unlicensed dealing; exemption.

3 (a) No person may sell or otherwise transfer, expose for
4 sale or transfer, or have in his or her possession with the
5 intent to sell or transfer any concealable firearm without
6 being licensed under this Act.

7 (b) This Section does not apply to a person who makes
8 occasional sales, exchanges, or purchases of concealable
9 firearms for the enhancement of a personal collection or as a
10 hobby, or who sells all or part of his or her personal
11 collection of firearms.

12 Section 15. License application; fees; penalty.

13 (a) The Department may grant a handgun dealer license to an
14 applicant who satisfies the following requirements:

15 (1) he or she is at least 21 years of age;

16 (2) he or she possesses a valid Firearm Owner's
17 Identification Card; and

18 (3) he or she submits to a background check conducted
19 by the Department that includes the initiation and
20 completion of an automated search of its criminal history
21 record information files and those of the Federal Bureau of
22 Investigation, including the National Instant Criminal
23 Background Check System, and of the files of the Department
24 of Human Services relating to mental health and

1 developmental disabilities to obtain any felony conviction
2 or patient hospitalization information that would
3 disqualify a person from obtaining licensure under this
4 Act.

5 (b) An application for a handgun dealer license must be
6 made on forms prescribed by the Department. The application
7 must be verified by the applicant under oath and must be
8 accompanied by the required fee.

9 (c) The applicant must submit to the Department a license
10 fee of \$300, payable at the time of application, and an
11 additional \$300 payable every 3 years thereafter for so long as
12 the license is in effect.

13 (d) The applicant must submit to fingerprinting in
14 accordance with rules adopted by the Department and must pay a
15 fingerprint processing fee in the amount set by the Department
16 by rule.

17 (e) A person who knowingly makes a false statement or
18 knowingly conceals a material fact or uses false information or
19 identification in any application for a license under this Act
20 commits a Class A misdemeanor.

21 Section 20. Duration of licensure. A license granted under
22 this Act remains in effect until it is revoked, suspended, or
23 otherwise withdrawn by the Department or until it is
24 surrendered by the licensee.

1 Section 25. License retention requirements. A license
2 granted under this Act is subject to all of the following
3 requirements:

4 (1) A licensed dealer may only transact business under
5 this Act at an address that has a zoning classification
6 that permits the operations of a retail establishment.

7 (2) A licensed dealer may not transact business in any
8 place other than the premises specified on his or her
9 license, except that a licensed dealer may display, sell,
10 or transfer firearms at a gun show open to the general
11 public or at any regular meeting of an incorporated
12 collectors club in accordance with this Act and federal
13 law.

14 (3) A licensed dealer may not violate any provision of
15 any federal or State law pertaining to the possession, use,
16 sale, or delivery of firearms.

17 (4) A licensed dealer must strictly adhere to the
18 provisions of all applicable federal and State laws and
19 local ordinances and local business license requirements.

20 (5) A separate license must be obtained for each
21 separate place of business. Before a licensed dealer moves
22 his or her place of business, he or she must promptly apply
23 to the Department for an amended license.

24 (6) The license, or a copy of the license certified by
25 the Department, must be conspicuously displayed at the
26 business premises.

1 (7) No concealable firearm may be displayed in any
2 outer window of the business premises or in any other place
3 where it can readily be seen from the outside.

4 (8) Every concealable firearm must be unloaded when
5 delivered.

6 (9) A licensee must obtain a certificate of
7 registration issued under the Retailers' Occupation Tax
8 Act.

9 (10) The licensee must take reasonable precautions to
10 ensure that all concealable firearms that the licensee
11 sells will not be used illegally. These precautions
12 include, but are not limited to, the following:

13 (A) the refusal to sell a concealable firearm to a
14 person the licensee knows or has reason to know is
15 purchasing the firearm on behalf of another person who
16 could not legally purchase the firearm;

17 (B) the refusal to sell a concealable firearm to a
18 person who has provided a home address in a
19 municipality or county in which possession of that type
20 of concealable firearm is illegal, unless the
21 transferee presents reasonably satisfactory evidence
22 that the concealable firearm will not be used or
23 possessed unlawfully in that municipality or county;
24 and

25 (C) the refusal to sell a concealable firearm to a
26 person who has provided a home address in a

1 municipality or county that requires registration of
2 the firearm, unless the purchaser presents
3 satisfactory evidence of compliance with the
4 registration requirement.

5 (11) A licensee must make his or her records relating
6 to the sale of concealable firearms available to any
7 officer or employee of the Department or of any unit of
8 local government in this State whenever the officer or
9 employee is authorized to enforce laws or ordinances
10 pertaining to firearms, provided that no officer or
11 employee may conduct any search or seizure other than an
12 inspection of a licensee's records relating to firearms
13 sales without a warrant and that nothing in this Section
14 shall authorize any search or seizure forbidden by the
15 United States Constitution or the Illinois Constitution.

16 Section 30. Submission to Department.

17 (a) A licensed dealer must, within 24 hours after making a
18 sale or transfer of a concealable firearm to a person who is
19 not licensed as a handgun dealer, submit a report concerning
20 that sale to the Department. The report must contain the
21 following information:

22 (1) the date of the sale or transfer;

23 (2) the identity and address of the dealer;

24 (3) the name, address, age, and occupation of the
25 transferee;

1 (4) the price of the firearm; and

2 (5) the type, description, and number of the firearm.

3 (b) All records of the reports submitted under this Section
4 must be maintained by the Department on a computer database
5 capable of allowing the retrieval of information for each
6 dealer and each transferee. The computer database must also
7 contain a listing of each county or municipality that prohibits
8 one or more types of concealable firearm, and the type or types
9 of concealable firearms that are prohibited in that county or
10 municipality. Information in the database must be made
11 available to any law enforcement agency responsible for the
12 enforcement of any federal, State, or local law or ordinance
13 relating to firearms, and to any licensed dealer who requests
14 information relating to a person who is seeking to purchase one
15 or more firearms from that dealer. Except as specifically
16 provided in this Section, information in the database is deemed
17 the confidential record of the Department and is not subject to
18 disclosure under any other law.

19 (c) Any licensee who is required to keep a record of
20 transfer under subsection (b) of Section 3 of the Firearm
21 Owners Identification Card Act must report any transfer of a
22 firearm that occurred within the 24-month period immediately
23 preceding the effective date of this Act to the Department no
24 later than 30 days after the effective date of this Act. The
25 report must contain that information required by subsection (b)
26 of Section 3 of the Firearm Owners Identification Card Act. The

1 Department must include this report in the computer database
2 required to be maintained under this Section.

3 Section 35. Penalty. Any person who sells, or who possesses
4 with intent to sell, trade, or transfer, any firearm without
5 being licensed under this Act is guilty of a Class 4 felony.

6 Section 40. Enforcement; rulemaking.

7 (a) This Act must be enforced by the Department, and may be
8 enforced, for the purpose of determining compliance with this
9 Act, by any municipality in which the licensee is located or,
10 if the licensee is not located in a municipality, by the county
11 in which the licensee is located.

12 (b) The Department shall adopt rules necessary for the
13 implementation and administration of this Act.

14 Section 45. Revocation; suspension. The Department, after
15 due notice to the licensee and reasonable opportunity for the
16 licensee to be heard, may revoke a license or may suspend a
17 license for a period of time that the Department may deem
18 proper upon satisfactory proof that the licensee has violated
19 or permitted a violation of any requirement of this Act or is
20 no longer eligible to obtain a license under this Act. A person
21 whose license has been revoked by the Department is
22 disqualified from receiving a license under this Act for 10
23 years after the revocation. Any person who has substantially

1 participated in the operation or management of a licensee that
2 has had a license revoked may not be employed by or participate
3 in the business of any other licensee for 10 years after the
4 revocation. Proceedings for revocation or suspension under
5 this Section may be initiated by the Department or by any
6 municipality or county.
