

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Natural Resources
5 (Conservation) Law of the Civil Administrative Code of Illinois
6 is amended by adding Section 805-537 as follows:

7 (20 ILCS 805/805-537 new)

8 Sec. 805-537. Conservation Police Officer quotas
9 prohibited. The Department may not require a Conservation
10 Police Officer to issue a specific number of citations within a
11 designated period of time. This prohibition shall not affect
12 the conditions of any federal or State grants or funds awarded
13 to the Department and used to fund traffic enforcement
14 programs.

15 The Department may not, for purposes of evaluating a
16 Conservation Police Officer's job performance, compare the
17 number of citations issued by the Conservation Police Officer
18 to the number of citations issued by any other Conservation
19 Police Officer who has similar job duties. Nothing in this
20 Section shall prohibit the Department from evaluating a
21 Conservation Police Officer based on the Conservation Police
22 Officer's points of contact. For the purposes of this Section,
23 "points of contact" means any quantifiable contact made in the

1 furtherance of the Conservation Police Officer's duties,
2 including, but not limited to, the number of traffic stops
3 completed, arrests, written warnings, and crime prevention
4 measures. Points of contact shall not include either the
5 issuance of citations or the number of citations issued by a
6 Conservation Police Officer.

7 Section 10. The State Police Act is amended by adding
8 Section 24 as follows:

9 (20 ILCS 2610/24 new)

10 Sec. 24. State Police quotas prohibited. The Department may
11 not require a Department of State Police officer to issue a
12 specific number of citations within a designated period of
13 time. This prohibition shall not affect the conditions of any
14 federal or State grants or funds awarded to the Department and
15 used to fund traffic enforcement programs.

16 The Department may not, for purposes of evaluating a
17 Department of State Police officer's job performance, compare
18 the number of citations issued by the Department of State
19 Police officer to the number of citations issued by any other
20 Department of State Police officer who has similar job duties.
21 Nothing in this Section shall prohibit the Department from
22 evaluating a Department of State Police officer based on the
23 Department of State Police officer's points of contact. For the
24 purposes of this Section, "points of contact" means any

1 quantifiable contact made in the furtherance of the Department
2 of State Police officer's duties, including, but not limited
3 to, the number of traffic stops completed, arrests, written
4 warnings, and crime prevention measures. Points of contact
5 shall not include either the issuance of citations or the
6 number of citations issued by a Department of State Police
7 officer.

8 Section 15. The Counties Code is amended by adding Section
9 5-1136 as follows:

10 (55 ILCS 5/5-1136 new)

11 Sec. 5-1136. Quotas prohibited. A county may not require a
12 law enforcement officer to issue a specific number of citations
13 within a designated period of time. This prohibition shall not
14 affect the conditions of any federal or State grants or funds
15 awarded to the county and used to fund traffic enforcement
16 programs.

17 A county may not, for purposes of evaluating a law
18 enforcement officer's job performance, compare the number of
19 citations issued by the law enforcement officer to the number
20 of citations issued by any other law enforcement officer who
21 has similar job duties. Nothing in this Section shall prohibit
22 a county from evaluating a law enforcement officer based on the
23 law enforcement officer's points of contact.

24 For the purposes of this Section:

1 (1) "Points of contact" means any quantifiable contact
2 made in the furtherance of the law enforcement officer's
3 duties, including, but not limited to, the number of
4 traffic stops completed, arrests, written warnings, and
5 crime prevention measures. Points of contact shall not
6 include either the issuance of citations or the number of
7 citations issued by a law enforcement officer.

8 (2) "Law enforcement officer" includes any sheriff,
9 undersheriff, deputy sheriff, county police officer, or
10 other person employed by the county as a peace officer.

11 A home rule unit may not establish requirements for or
12 assess the performance of law enforcement officers in a manner
13 inconsistent with this Section. This Section is a denial and
14 limitation of home rule powers and functions under subsection
15 (g) of Section 6 of Article VII of the Illinois Constitution.

16 Section 20. The Illinois Municipal Code is amended by
17 adding Section 11-1-12 as follows:

18 (65 ILCS 5/11-1-12 new)

19 Sec. 11-1-12. Quotas prohibited. A municipality may not
20 require a police officer to issue a specific number of
21 citations within a designated period of time. This prohibition
22 shall not affect the conditions of any federal or State grants
23 or funds awarded to the municipality and used to fund traffic
24 enforcement programs.

1 A municipality may not, for purposes of evaluating a police
2 officer's job performance, compare the number of citations
3 issued by the police officer to the number of citations issued
4 by any other police officer who has similar job duties. Nothing
5 in this Section shall prohibit a municipality from evaluating a
6 police officer based on the police officer's points of contact.
7 For the purposes of this Section, "points of contact" means any
8 quantifiable contact made in the furtherance of the police
9 officer's duties, including, but not limited to, the number of
10 traffic stops completed, arrests, written warnings, and crime
11 prevention measures. Points of contact shall not include either
12 the issuance of citations or the number of citations issued by
13 a police officer.

14 This Section shall not apply to a municipality subject to
15 Section 10-1-18.1 of this Code with its own independent
16 inspector general and law enforcement review authority.

17 A home rule municipality may not establish requirements for
18 or assess the performance of police officers in a manner
19 inconsistent with this Section. This Section is a denial and
20 limitation of home rule powers and functions under subsection
21 (g) of Section 6 of Article VII of the Illinois Constitution.
