

99TH GENERAL ASSEMBLY

State of Illinois

2015 and 2016

HB1496

Introduced 2/6/2015, by Rep. Michael P. McAuliffe

SYNOPSIS AS INTRODUCED:

225 ILCS 25/9

from Ch. 111, par. 2309

Amends the Illinois Dental Practice Act. In provisions requiring applicants for a dental license who did not graduate from a dental school in the United States or Canada to complete 2 years of general dental clinical training in the United States or Canada prior to licensure, removes provisions allowing the applicant to substitute other forms of training and requiring the applicant to have received specified certification from a dean of an approved college or school in the United States or Canada or a program director of an advanced dental education program.

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Dental Practice Act is amended by
5 changing Section 9 as follows:

6 (225 ILCS 25/9) (from Ch. 111, par. 2309)

7 (Section scheduled to be repealed on January 1, 2016)

8 Sec. 9. Qualifications of Applicants for Dental Licenses.

9 The Department shall require that each applicant for a license
10 to practice dentistry shall:

11 (a) (Blank).

12 (b) Be at least 21 years of age and of good moral
13 character.

14 (c) (1) Present satisfactory evidence of completion of
15 dental education by graduation from a dental college or
16 school in the United States or Canada approved by the
17 Department. The Department shall not approve any dental
18 college or school which does not require at least (A) 60
19 semester hours of collegiate credit or the equivalent in
20 acceptable subjects from a college or university before
21 admission, and (B) completion of at least 4 academic years
22 of instruction or the equivalent in an approved dental
23 college or school that is accredited by the Commission on

1 Dental Accreditation of the American Dental Association;
2 or

3 (2) Present satisfactory evidence of completion of
4 dental education by graduation from a dental college or
5 school outside the United States or Canada and provide
6 satisfactory evidence that: ~~(A) (blank); (B)~~ the applicant
7 has completed a minimum of 2 academic years of general
8 dental clinical training at a dental college or school in
9 the United States or Canada approved by the Department.⁷
10 ~~however, an accredited advanced dental education program~~
11 ~~approved by the Department of no less than 2 years may be~~
12 ~~substituted for the 2 academic years of general dental~~
13 ~~clinical training and an applicant who was enrolled for not~~
14 ~~less than one year in an approved clinical program prior to~~
15 ~~January 1, 1993 at an Illinois dental college or school~~
16 ~~shall be required to complete only that program; and~~

17 ~~(C) the applicant has received certification from~~
18 ~~the dean of an approved dental college or school in the~~
19 ~~United States or Canada or the program director of an~~
20 ~~approved advanced dental education program stating~~
21 ~~that the applicant has achieved the same level of~~
22 ~~scientific knowledge and clinical competence as~~
23 ~~required of all graduates of the college, school, or~~
24 ~~advanced dental education program.~~

25 Nothing in this Act shall be construed to prevent
26 either the Department or any dental college or school from

1 establishing higher standards than specified in this Act.

2 (d) (Blank).

3 (e) Present satisfactory evidence that the applicant
4 has passed both parts of the National Board Dental
5 Examination administered by the Joint Commission on
6 National Dental Examinations and has successfully
7 completed an examination conducted by one of the following
8 regional testing services: the Central Regional Dental
9 Testing Service, Inc. (CRDTS), the Southern Regional
10 Testing Agency, Inc. (SRTA), the Western Regional
11 Examining Board (WREB), the North East Regional Board
12 (NERB), or the Council of Interstate Testing Agencies
13 (CITA). For purposes of this Section, successful
14 completion shall mean that the applicant has achieved a
15 minimum passing score as determined by the applicable
16 regional testing service. The Secretary may suspend a
17 regional testing service under this subsection (e) if,
18 after proper notice and hearing, it is established that (i)
19 the integrity of the examination has been breached so as to
20 make future test results unreliable or (ii) the test is
21 fundamentally deficient in testing clinical competency.

22 In determining professional capacity under this Section,
23 any individual who has not been actively engaged in the
24 practice of dentistry, has not been a dental student, or has
25 not been engaged in a formal program of dental education during
26 the 5 years immediately preceding the filing of an application

1 may be required to complete such additional testing, training,
2 or remedial education as the Board may deem necessary in order
3 to establish the applicant's present capacity to practice
4 dentistry with reasonable judgment, skill, and safety.
