2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 10-22.34b as follows:

6 (105 ILCS 5/10-22.34b) (from Ch. 122, par. 10-22.34b)
7 Sec. 10-22.34b. Utilization of noncertificated personnel.
8 To utilize noncertificated persons, under the ~~the~~ direction of
9 a certificated teacher, for providing specialized instruction
10 related to a course assigned to the certificated teacher on a
11 regular basis, not otherwise readily available in the immediate
12 school environment, in the fields for which they are
13 particularly qualified by reason of their specialized
14 knowledge or skills. The duration of the instruction shall be
15 determined by the certificated teacher under whose direction
16 the program is conducted in view of the educational need to be
17 satisfied.

18 Before a noncertificated person may be utilized for such
19 specialized instruction, the school board must secure the
20 written approval of the regional superintendent of schools as
21 to the qualifications of the particular noncertificated
22 person, the particular instruction he is to provide, the
23 specific functions to be served, the total number of hours he

1 is to provide such instruction and any compensation to be paid
2 that person. The State Board of Education shall prescribe, by
3 rule, criteria for determining qualifications of such persons
4 and the nature of specialized instruction for which, and the
5 extent to which, such persons may be used.

6 Nothing in this Section shall prevent the utilization of a
7 person with specialized knowledge or experiences as a guest
8 lecturer or resource person in the classroom under the direct
9 supervision of a certificated teacher assigned to the classroom
10 on a regular basis, with prior approval of the school
11 administration.
