

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Specialized Mental Health Rehabilitation
5 Act of 2013 is amended by changing Section 1-101.6 as follows:

6 (210 ILCS 49/1-101.6)

7 (Section scheduled to be repealed on July 1, 2016)

8 Sec. 1-101.6. Mental health system planning; services for
9 individuals with substance use conditions or disorders. The
10 General Assembly finds the services contained in this Act are
11 necessary for the effective delivery of mental health and
12 substance use services for the citizens of the State of
13 Illinois.

14 The General Assembly also finds that the mental health and
15 substance use system in the State requires further review and
16 actions to develop additional needed services.

17 To ensure the adequacy of community-based services and to
18 offer choice to all individuals with serious mental illness and
19 substance use disorders or conditions who choose to live in the
20 community, and for whom the community is the appropriate
21 setting, ~~but are at risk of institutional care,~~ the Office of
22 the Governor ~~Governor's Office of Health Innovation and~~
23 ~~Transformation~~ shall oversee a process for (i) identifying

1 needed services in the different geographic regions in the
2 State and (ii) identifying the financing strategies for
3 developing those needed services.

4 The process shall address or examine the need and financing
5 strategies for the following:

6 (1) Network adequacy in all 102 counties of the State
7 for: (i) health homes authorized under Section 2703 of the
8 federal Patient Protection and Affordable Care Act; (ii)
9 systems of care for children; (iii) care coordination; (iv)
10 trauma-informed care; and (v) ~~(iv)~~ access to a full
11 continuum of quality care, treatment, services, and
12 supports for persons with serious emotional disturbance,
13 serious mental illness, or substance use disorder.

14 (2) Workforce development for the workforce of
15 community providers of care, treatment, services, and
16 supports for persons with mental health and substance use
17 disorders and conditions.

18 (3) Information technology to manage the delivery of
19 integrated services for persons with mental health and
20 substance use disorders and medical conditions.

21 (4) The needed continuum of statewide community health
22 care, treatment, services, and supports for persons with
23 mental health and substance use disorders and conditions.

24 (5) Reducing health care disparities in access to a
25 continuum of care, care coordination, and engagement in
26 networks.

1 The Office of the Governor ~~Governor's Office of Health~~
2 ~~Innovation and Transformation~~ shall include the Division of
3 Alcoholism and Substance Abuse and the Division of Mental
4 Health in the Department of Human Services, the Department of
5 Healthcare and Family Services, the Department of Public
6 Health, community mental health and substance use providers,
7 statewide associations of mental health and substance use
8 providers, mental health and substance use advocacy groups, and
9 any other entity as deemed appropriate for participation in the
10 process of identifying needed services and financing
11 strategies as described in this Section.

12 The Office of the Governor ~~Health Innovation and~~
13 ~~Transformation~~ shall report its findings and recommendations
14 to the General Assembly by January 15, 2016 ~~July 1, 2015~~.

15 This Section is repealed on July 1, 2016.

16 Before September 1, 2014, the State shall develop and
17 implement a service authorization system available 24 hours a
18 day, 7 days a week for approval of services in the following 3
19 levels of care under this Act: crisis stabilization; recovery
20 and rehabilitation supports; and transitional living units.
