Section 10. The Property Tax Code is amended by changing Section 15-170 as follows:

3 (35 ILCS 200/15-170)

4 Sec. 15-170. Senior Citizens Homestead Exemption. 5 annual homestead exemption limited, except as described here 6 with relation to cooperatives, to a maximum reduction set 7 forth below from the property's value, as equalized or 8 assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older 9 10 who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or 11 therein as evidenced by a written 12 equitable interest instrument, except for a leasehold interest, other than a 13 14 leasehold interest of land on which a single family residence 15 is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, 16 17 equitable or as a lessee, and on which he or she is liable 18 for the payment of property taxes. The maximum reduction in counties with 3,000,000 or more 19 shall be \$2,500 20 inhabitants and \$2,000 in all other counties. For land 21 improved with an apartment building owned and operated as a 22 cooperative or a building which is a life care facility which shall be considered to be a cooperative, the 23 24 reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments 25 or units occupied by a person 65 years of age or older who is 26 27 liable, by contract with the owner or owners of record, 28 paying property taxes on the property and is an owner of 29 record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In a 30 31 cooperative where a homestead exemption has been granted, the cooperative association or its management firm shall 32 33 credit the savings resulting from that exemption only to the

1 apportioned tax liability of the owner who qualified for the

2 exemption. Any person who willfully refuses to so credit the

3 savings shall be guilty of a Class B misdemeanor. Under this

4 Section and Section 15-175, "life care facility" means a

facility as defined in Section 2 of the Life Care Facilities

6 Act, with which the applicant for the homestead exemption has

7 a life care contract as defined in that Act, which requires

8 the applicant to pay property taxes.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Nursing Home Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any

1 notice of delinquency in the payment of taxes assessed and 2 levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in 3 4 addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner 5 required by this Code. The person filing the request for the 6 duplicate notice shall pay a 7 fee of \$5 to 8 administrative costs to the supervisor of assessments, who 9 shall then file the executed designation with the county Notwithstanding any other provision of this Code 10 collector. 11 to the contrary, the filing of such an executed designation 12 requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded 13 by the person who executed such designation at any time, in 14 15 the manner and form required by the chief county assessment 16 officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real

- 1 estate taxes under the Senior Citizens and Disabled Persons
- 2 Real Estate Tax Deferral Act. The notice shall set forth the
- 3 qualifications needed for deferral of real estate taxes, the
- 4 address and telephone number of county collector, and a

The collector shall grant the tax deferral provided such deferral does not exceed funds available in the Senior Citizens and Disabled Persons Real Estate Deferred Tax Revolving Fund and provided that the owner or owners of such real property have entered into a tax deferral and recovery agreement with the collector on behalf of the county or other unit of local government, which agreement expressly states:

- (1) That the total amount of taxes deferred under this Act, plus interest, for the year for which a tax deferral is claimed as well as for those previous years for which taxes are not delinquent and for which such deferral has been claimed may not exceed 80% of the taxpayer's equity interest in the property for which taxes are to be deferred and that, if the total deferred taxes plus interest equals 80% of the taxpayer's equity interest in the property, the taxpayer shall thereafter pay the annual interest due on such deferred taxes plus interest so that total deferred taxes plus interest will not exceed such 80% of the taxpayer's equity interest in the property.
- 2.1 (2) That any real estate taxes deferred under this Act 22 and any interest accrued thereon at the rate of 6% per year 23 are a lien on the real estate and improvements thereon until No sale or transfer of such real property may be 24 25 legally closed and recorded until the taxes which would 26 otherwise have been due on the property, plus accrued 27 interest, have been paid unless the collector certifies in writing that an arrangement for prompt payment of the amount 28 29 due has been made with his or her office. The same shall 30 apply if the property is to be made the subject of a contract of sale. 31
- 32 (3) That upon the death of the taxpayer claiming the 33 deferral the heirs-at-law, assignees or legatees shall have 34 first priority to the real property upon which taxes have

1 been deferred by paying in full the total taxes which would 2 otherwise have been due, plus interest. However, if such heir-at-law, assignee, or legatee is a surviving spouse, the 3 4 tax deferred status of the property shall be continued during the life of that surviving spouse if the spouse is 55 years 5 6 of age or older within 6 months of the date of death of the taxpayer and enters into a tax deferral and 7 8 agreement before the time when deferred taxes become due 9 under this Section. Any additional taxes deferred, plus interest, on the real property under a tax deferral and 10 11 recovery agreement signed by a surviving spouse shall be added to the taxes and interest which would otherwise have 12 13 been due, and the payment of which has been postponed during the life of such surviving spouse, in determining the 80% 14 equity requirement provided by this Section. 15

(4) That if the taxes due, plus interest, are not paid by the heir-at-law, assignee or legatee or if payment is not postponed during the life of a surviving spouse, the deferred taxes and interest shall be recovered from the estate of the taxpayer within one year of the date of his or her death. In addition, deferred real estate taxes and any interest accrued thereon are due within 90 days after any tax deferred property ceases to be qualifying property as defined in Section 2.
