- 1 AN ACT concerning telecommunications.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The Public Utilities Act is amended by
- 5 changing Sections 5-104 and 9-230 and adding Section 13-301.2
- 6 as follows:
- 7 (220 ILCS 5/5-104) (from Ch. 111 2/3, par. 5-104)
- 8 Sec. 5-104. Depreciation accounts.
- (a) The Commission shall have power, after hearing, to 9 require any or all public utilities, except electric public 10 utilities and telecommunications carriers, to keep such 11 adequately reflect 12 accounts as will depreciation, obsolescence and the progress of the arts. The Commission 13 may, from time to time, ascertain and determine and by order 14 15
- 15 fix the proper and adequate rate of depreciation of the 16 several classes of property for each public utility; and each
- public utility shall conform its depreciation accounts to the
- 18 rates so ascertained, determined and fixed.
- 19 (b) The Commission shall have the power, after hearing,
- 20 to require any or all electric public utilities and
- 21 <u>telecommunications carriers</u> to keep such accounts as will
- 22 adequately reflect depreciation, obsolescence, and the
- 23 progress of the arts. The Commission may, from time to time,
- 24 ascertain and determine and by order fix the proper and
- 25 adequate rate of depreciation of the several classes of
- 26 property for each electric public utility <u>and</u>
- 27 <u>telecommunications carrier</u>; and each electric public utility
- 28 <u>and telecommunications carrier</u> shall thereafter, absent
- 29 further order of the Commission, conform its depreciation
- 30 accounts to the rates so ascertained, determined and fixed
- 31 until at least the end of the first full calendar year

following the date of such determination.

(c) An electric public utility or a telecommunications 2 carrier may from time to time alter the annual rates of 3 4 depreciation, which for purposes of this subsection (c) and 5 subsection (d) shall include amortization, that it applies to 6 its several classes of assets so long as the rates are 7 consistent with generally accepted accounting principles. 8 electric public utility or telecommunications carrier 9 shall file a statement with the Commission which shall forth the new rates of depreciation and which shall contain a 10 11 certification by an independent certified public accountant 12 that the new rates of depreciation are consistent with generally accepted accounting principles. Upon the filing of 13 such statement, the new rates of depreciation shall be deemed 14 15 to be approved by the Commission as the rates of depreciation 16 to be applied thereafter by the <u>electric</u> public utility <u>or</u> telecommunications carrier as though an order had been 17 entered pursuant to subsection (b). 18 19

(d) In any proceeding conducted pursuant to Section 9-201 or 9-202 to set an electric public utility's or telecommunications carrier's rates for service, t.he Commission may determine not to use, in determining depreciation expense component of the <u>electric</u> public utility's or telecommunications carrier's rates for service, the rates of depreciation established pursuant to subsection (c), if the Commission in that proceeding finds based on the record that different rates of depreciation are required to adequately reflect depreciation, obsolescence and t.he progress of the arts, and fixes by order and uses for purposes of that proceeding new rates of depreciation to be employed by the electric public utility or thereafter telecommunications carrier until the end of the first full calendar year following the date of the determination and thereafter until altered in accordance with subsection (b) or

- 1 (c) of this Section.

- 3 (220 ILCS 5/9-230) (from Ch. 111 2/3, par. 9-230)
- 4 Sec. 9-230. Rate of return; capital involving nonutility
- 5 <u>or unregulated companies.</u> In determining a reasonable rate of
- 6 return upon investment for any public utility in any
- 7 proceeding to establish rates or charges, the Commission
- 8 shall not include any incremental risk, or increased cost of
- 9 capital, expense, or revenue, including revenue attributed to
- 10 <u>telephone directory operations</u>, which is the direct or
- 11 indirect result of the public utility's affiliation with
- 12 unregulated or nonutility companies.

- 14 (220 ILCS 5/13-301.2 new)
- 15 <u>Section 13-301.2. Affiliated company offering</u>
- 16 <u>competitive telecommunications services</u>. The Commission
- 17 <u>shall not prohibit a local exchange telecommunications</u>
- 18 <u>carrier from recommending to a customer the selection of an</u>
- 19 <u>affiliated company offering competitive interexchange</u>
- 20 <u>telecommunications</u> services, provided the local exchange
- 21 <u>telecommunications carrier also informs the customer that the</u>
- 22 <u>customer may select any company offering competitive</u>
- 23 <u>interexchange telecommunications services.</u>
- 24 Section 99. Effective date. This Act takes effect upon
- 25 becoming law.
