AN ACT in relation to utilities.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

4 Section 5. The Public Utilities Act is amended by
5 changing Section 9-223 as follows:

6 (220 ILCS 5/9-223) (from Ch. 111 2/3, par. 9-223)

Sec. 9-223. Fire protection charge. The Commission may 7 8 authorize any public utility engaged in the production, storage, transmission, sale, delivery or furnishing of water 9 to impose a fire protection charge, in addition to any rate 10 authorized by this Act, sufficient to cover a reasonable 11 portion of the cost of providing the capacity, facilities and 12 13 the water necessary to meet the fire protection needs of any municipality or public fire protection district. Such fire 14 15 protection charge shall be in the form of a fixed amount per 16 bill and shall be shown separately on the utility bill of each customer of the municipality or fire protection 17 18 district. Any filing by a public utility to impose such a fire protection charge or to modify a charge shall be made 19 20 pursuant to Section 9-201 of this Act. Any fire protection charge imposed shall reflect the costs associated with 21 22 providing fire protection service for each municipality or fire protection district. No such charge shall be imposed 23 directly on any municipality or fire protection district for 24 reasonable level of fire protection services unless 25 а 26 provided for in a separate agreement between the municipality 27 or the fire protection district and the utility.
