14 the form and manner for requesting and furnishing such
15 information to the requestor on such terms and conditions as
16 in the judgment of the Director are in the best interest of
17 the State, provided fees for requesting and furnishing
18 criminal history record information may be waived for
19 requests in the due administration of the criminal laws. The
20 Department may also charge, collect and receive fees or
21 moneys equivalent to the cost of providing electronic data
22 processing lines or related telecommunication services to
23 local governments, but only when such services can be
24 provided by the Department at a cost less than that
