AN ACT in relation to insurance.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

Section 5. The Children's Health Insurance Program Act
is amended by adding Section 27 as follows:

б (215 ILCS 106/27 new) 7 Sec. 27. Promotional program. The Department shall administer a program to promote the Children's Health 8 Insurance Program. As a part of the promotional program, the 9 Department shall give away child care products to applicants 10 for the Children's Health Insurance Program. The items that 11 the Department may give away as part of the promotional 12 program include, but are not limited to, gift certificates 13 for child care products such as diapers, child car safety 14 seats, and other similar items. 15

Section 99. Effective date. This Act takes effect upon becoming law.
