9 Further, the State of Illinois accepts retrocession of
10 and authorizes acceptance of retrocession of concurrent
11 legislative jurisdiction over all those lands owned by the
12 United States that may subsequently be identified by the
13 Department of the Army as part of the U.S. Army Depot
14 Activity Savanna Military Reservation, Jo Davies County and
15 Carroll County, Illinois, although not included within the
16 legal description contained in this subsection, to the extent
17 concurrent jurisdiction has not previously been retroceded to
18 the State of Illinois. Any additional land over which the
19 State accepts retrocession of concurrent jurisdiction shall
20 be identified in a notice filed by the Governor as provided
21 in subsection (d).

22 (b) Pursuant to concurrent legislative jurisdiction, both
23 State and federal laws are applicable. Since most major
24 crimes violate both federal and State laws, both may punish
25 an offender for an offense committed in the area. The State
26 of Illinois, subject to the exemption of the federal
27 government, has the right to tax. The regulatory powers of
28 the State of Illinois may be exercised in the area, but not
29 in such a manner as to interfere with federal functions.
30 Persons residing on the area under concurrent legislative
31 jurisdiction are ensured important rights and privileges of
32 citizenship, such as the right to vote and access to the
33 Illinois courts.

34 (c) Subject to subsection (b), the State of Illinois

1 accepts cession of concurrent legislative jurisdiction from
2 the United States.

3 (d) The Governor of the State of Illinois is authorized
4 to accept the retrocession of concurrent legislative
5 jurisdiction over the subject lands by filing a notice of
6 acceptance with the Illinois Secretary of State.

7 (e) Upon transfer by deed of the subject lands, or any
8 portion thereof, by the United States of America, the
9 concurrent jurisdiction retained by the United States shall
10 expire as to the particular property transferred.

11 Section 99. Effective date. This Act takes effect upon
12 becoming law.
